Becoming Austrians Lisa Silverman, 2012-06-19 The collapse of Austria Hungary in 1918 left all Austrians in a state of political social and economic turmoil but Jews in particular found their lives shaken to the core Although Jews former comfort zone suddenly disappeared the dissolution of the Dual Monarchy also created plenty of room for innovation and change in the realm of culture Jews eagerly took up the challenge to fill this void and they became heavily invested in culture as a way to shape their new but also vexed self understandings By isolating the years between the World Wars and examining formative events in both Vienna and the provinces Becoming Austrians Jews and Culture between the World Wars demonstrates that an

intensified marking of people places and events as Jewish accompanied the crises occurring in the wake of Austria Hungary's collapse with profound effects on Austria's cultural legacy In some cases the consequences of this marking resulted in grave injustices Philipp Halsmann for example was wrongfully imprisoned for the murder of his father years before he became a world famous photographer And the men who shot and killed writer Hugo Bettauer and philosopher Moritz Schlick received inadequate punishment for their murderous deeds But engagements with the terms of Jewish difference also characterized the creation of culture as shown in Hugo Bettauer's satirical novel *The City without Jews* and its film adaptation other texts by Veza Canetti David Vogel A M Fuchs Vicki Baum and Mela Hartwig and performances at the Salzburg Festival and the Yiddish theater in Vienna By examining the lives works and deeds of a broad range of Austrians Lisa Silverman reveals how the social codings of politics gender and nation received a powerful boost when articulated along the lines of Jewish difference
