*Resources in Women's Educational Equity*, 1979 Literature cited in AGRICOLA Dissertations abstracts international ERIC ABI INFORM MEDLARS NTIS Psychological abstracts and Sociological abstracts Selection focuses on education legal aspects career aspects sex differences lifestyle and health Common format bibliographical information descriptors and abstracts and ERIC subject terms used throughout Contains order information Subject author indexes **Women, Violence and Social Change** R. Emerson Dobash, Russell P. Dobash, 2003-12-16 Women Violence and Social Change demonstrates how refuges and shelters stand as the core of the battered women's movement providing a basis for pragmatic support political action and radical renewal From this base movements in Britain and the United States have challenged the police courts and social services to provide greater assistance to women The book provides important evidence on the way social movements can successfully challenge institutions of the State as well as salutary lessons on the nature of diverted and thwarted struggle Throughout the book the Dobashes years of researching violence against women is illustrated in the depth of their analysis They maintain the tradition established in their first book *Violence Against Wives* which was widely acclaimed **Social Work and Social Perspectives** Eileen Oak, 2008-11-24 Social Work and Social Work Perspectives introduces readers to a range of important sociological concepts showing how these can feed critical practice and illustrate social work's complex relationship with the welfare state Adopting a unique social policy framework this distinctive text is illuminating reading *The Tenacity of the Couple-Norm* Sasha Roseneil, Isabel Crowhurst, Tone Hellesund, Ana Cristina Santos, Mariya Stoilova, 2020-11-05 The Tenacity of the Couple Norm explores the ongoing strength and insidious grip of couple normativity across changing landscapes of law policy and everyday life in four contrasting national contexts the UK Bulgaria Norway and Portugal By investigating how the couple norm is lived and experienced how it has changed over time and how it varies between places and social groups this book provides a detailed analysis of changing intimate citizenship regimes in Europe and makes a major intervention in understandings of the contemporary condition of personal life The authors develop the feminist concept of intimate citizenship and propose the new concept of intimate citizenship regime offering a study of intimate citizenship regimes as normative systems that have been undergoing profound change in recent decades Against the backdrop of processes of depatriarchalization liberalization pluralization and homonormalization the ongoing potency of the couple norm becomes ever clearer **Research in Education**, 1973 Resources in Education, 1979 **Citizenship: Feminist Perspectives** Ruth Lister, 2017-03-14 The second edition of this classic text substantially revises and extends the original so as to take account of theoretical and policy developments and to enhance its international scope Drawing on a range of disciplines and literatures the book provides an unusually broad account of citizenship It recasts traditional thinking about the concept so as to pinpoint important theoretical issues and their political and policy implications for women in their diversity Themes of inclusion and exclusion at national and international level rights and participation

inequality and difference are thus all brought to the fore in the development of a woman friendly gender inclusive theory and praxis of citizenship

**Sourcebook on Violence Against Women** Claire M. Renzetti, Jeffrey L. Edleson, Raquel Kennedy Bergen, 2011 Jonathan Letterman was an outpost medical officer serving in Indian country in the years before the Civil War responsible for the care of just hundreds of men But when he was appointed the chief medical officer for the Army of the Potomac he revolutionized combat medicine over the course of four major battles Antietam Fredericksburg Chancellorsville and Gettysburg that produced unprecedented numbers of casualties He made battlefield survival possible by creating the first organized ambulance corps and a more effective field hospital system He imposed medical professionalism on a chaotic battlefield Where before 20 percent of the men were unfit to fight because of disease squalid conditions and poor nutrition he improved health and combat readiness by pioneering hygiene and diet standards Based on original research and with stirring accounts of battle and the struggle to invent and supply adequate care during impossible conditions this new biography recounts Letterman s life from his small town Pennsylvania beginnings to his trailblazing wartime years and his subsequent life as a wildcatter and the medical examiner of San Francisco At last here is the missing portrait of a key figure of Civil War history and military medicine His principles of battlefield care continue to be taught to military commanders and first responders

**Engaging with Carol Bacchi** Angelique Bletsas, Chris Beasley, 2012 Carol Bacchi s scholarship is both substantial and wide ranging Beginning her academic career as a historian in the field of English Canadian women s suffrage Bacchi has made innovative and insightful contributions to the fields of feminist theory critical policy studies and post structuralist theory One of the characteristic traits of her scholarship is her interest in revising and revisiting analytic problems from a range of perspectives This resolute analytical rigour is undoubtedly evident in Bacchi s What s the Problem Represented to be WPR approach which is perhaps her most crucial contribution to intellectual inquiry and certainly one of the most innovative analytical frameworks developed in recent times This book illuminates commemorates and builds upon Bacchi s WPR approach It outlines the trajectory of the development of the WPR approach from Bacchi s early engagements with feminist thinking as an academic in scholarly environments which were often the preserve of men towards the theoretical sophistication of an approach which requires an ongoing critical assessment of assumptions about the social world social problems policy agendas deemed to respond to those problems and the researcher s positioning This book arose out of a conference organised by the Fay Gale Centre for Research on Gender at The University of Adelaide honouring Carol Bacchi s work and is intended to make that work accessible to a range of audiences from the Introduction by Angeliques Bletsas and Chris Beasley

**Gender Identity** Rach Cosker-Rowland, 2025-06-03 Gender Identity What It Is and Why It Matters is the first book in philosophy to focus on gender identity and transgender rights To be trans is to have a gender identity different from the gender you were assigned at birth But what is it to have a gender identity In the first part of the book Rach Cosker Rowland develops a new account of our gender identities as the genders that seem to best fit us Supported

by trans testimony this subjective fit account explains why gender identities deserve respect discusses how we can discover our gender identity and argues for why this is practically important It also provides an overview of cis and trans and non binary and binary gender identities In the second part of the book a new view of trans rights to gender marker change legal gender recognition gender affirming healthcare and sporting participation and participation is developed Cosker Rowland presents an integrity based account showing how these trans rights arise from basic liberal rights to live with integrity to live in line with your judgements of how you ought to live and what a good or meaningful life for you involves Rights to live with integrity ground basic liberal rights to freedom of religious belief and expression this book argues that they also ground trans rights Finally Cosker Rowland addresses a wide range of gender critical feminist philosophers views against trans rights and shows that these arguments fail **The Feminization of Poverty** Gertrude Schaffner Goldberg,Eleanor

Kremen,1990-11-09 This comprehensive and carefully organized collection provides an overview of the relationship between gender and economic stratification in seven industrialized countries Everywhere as a Polish commentator notes men have too much power and women too much work Nevertheless these studies reveal large differences in the circumstances of women in different countries and help to illuminate the several developments in the labor market the family and public policy which explain the extreme feminization of poverty in the United States Frances Fox Piven City University of New York Lucid careful and systematic the book builds a compelling explanation for the needless impoverishment experienced by millions of American women and offers a sensible realistic agenda for its reduction Michael B Katz University of Pennsylvania This study asks whether the feminization of poverty the tendency of women and their families to become the majority of the poor is unique to the United States where the phenomenon was first discovered Seven industrialized nations both capitalist and socialist with different degrees of commitment to social welfare are compared Canada Japan France Sweden Poland the Soviet Union and the United States In each of the countries the authors analyze information about women labor market conditions equalization policies social welfare programs and demographic variables such as the rates of divorce and single parenthood According to Goldberg and Kremen it is possible to predict the feminization of poverty when three conditions are present 1 insufficient efforts to reduce work place and wage inequities for women 2 the absence or ineffectiveness of social welfare programs which can redress the cost both economic and personal of the dual role that women have assumed in industrialized societies and 3 the presence of increasing rates of divorce and single motherhood An array of labor market and social welfare programs in use in the six other industrialized nations are then reviewed by the authors for possible adaptation in the United States This important work will be a valuable resource for scholars across the academic and professional disciplines of political science sociology economics social work and women s studies The Oxford Handbook of Feminist Theory Lisa Disch,Mary Hawkesworth,2018-02-01 The Oxford Handbook of Feminist Theory provides a rich overview of the analytical frameworks and theoretical concepts that feminist theorists have developed to analyze the known world Featuring

leading feminist theorists from diverse regions of the globe this collection delves into forty nine subject areas demonstrating the complexity of feminist challenges to established knowledge while also engaging areas of contestation within feminist theory Demonstrating the interdisciplinary nature of feminist theory the chapters offer innovative analyses of topics central to social and political science cultural studies and humanities discourses associated with medicine and science and issues in contemporary critical theory that have been transformed through feminist theorization The handbook identifies limitations of key epistemic assumptions that inform traditional scholarship and shows how theorizing from women s and men s lives has profound effects on the conceptualization of central categories whether the field of analysis is aesthetics biology cultural studies development economics film studies health history literature politics religion science studies sexualities violence or war

*Gender Recognition and the Law* Flora Renz, 2024-02-02 Analysing the strategies people use to resist accept and respond to laws that attempt to shape not just their behaviour but also their identity this book pursues a critical engagement with legal gender transition The Gender Recognition Act GRA has often been described as a groundbreaking and progressive legal framework for allowing people to legally change their gender This book seeks to challenge this representation by drawing on in depth qualitative interviews with trans people about the GRA Theoretically this book uses the concepts of legal consciousness agency and emotion to highlight the normative underpinnings of the GRA Overall the book contends the GRA does not accurately reflect many trans people s own understanding of their gender identity or their sexuality It is designed to create subjects that govern their behaviour and self expression in a way that aligns with a purely binary model of sex gender and sexuality Although a deviation from these norms does not incur any direct punishment it indirectly leads to a denial of rights and legal protections By reviewing relevant legislation and case law and through qualitative research the book establishes how instead of uncritically accepting or completely rejecting the GRA trans people enact their singular identities by engaging strategically with law This book will be of interest across a range of disciplines including socio legal studies family law gender sexuality and law as well as sociology courses on gender identity and social policy

*Feminist Judgments* Rosemary Hunter, Clare McGlynn, Erika Rackley, 2010-09-30 While feminist legal scholarship has thrived within universities and in some sectors of legal practice it has yet to have much impact within the judiciary or on judicial thinking Thus while feminist legal scholarship has generated comprehensive critiques of existing legal doctrine there has been little opportunity to test or apply feminist knowledge in practice in decisions in individual cases In this book a group of feminist legal scholars put theory into practice in judgment form by writing the missing feminist judgments in key cases The cases chosen are significant decisions in English law across a broad range of substantive areas The cases originate from a variety of levels but are primarily opinions of the Court of Appeal or the House of Lords In some instances they are written in a fictitious appeal but in others they are written as an additional concurring or dissenting judgment in the original case providing a powerful illustration of the way in which the case could have been decided differently even at the time it was heard Each case is

accompanied by a commentary which renders the judgment accessible to a non specialist audience The commentary explains the original decision its background and doctrinal significance the issues it raises and how the feminist judgment deals with them differently The books also includes chapters examining the theoretical and conceptual issues raised by the process and practice of feminist judging and by the judgments themselves including the possibility of divergent feminist approaches to legal decision making From the foreword by Lady Hale Reading this book ought to be a chastening experience for any judge who believes himself or herself to be both true to their judicial oath and a neutral observer of the world If lawyers and judges like me have so much to learn from reading this book then surely other more sceptical lawyers and judges have even more to learn other scholars and not only feminists must also be fascinated by the window it opens onto the process of judicial reasoning not the straightforward predetermined march from A to B of popular belief but something altogether more complicated and uncertain And anyone will find it a very good read      *Law and Gender in Modern Ireland* Lynsey

Black, Peter Dunne, 2019-02-21 *Law and Gender in Modern Ireland* Critique and Reform is the first generalist text to tackle the intersection of law and gender in this jurisdiction for over two decades As such it could hardly have come at a more opportune moment The topic of law and gender perhaps more so than at any other time in Irish history has assumed a dominant place in political and academic debate Among scholars and policy makers alike the regulation of gendered bodies and the legal status of sexual and gendered identities is now a highly visible fault line in public discourse Debates over reproductive justice exemplified by the recent referendum to remove the 8th Amendment increased rights for lesbian gay bisexual and transgender persons including the public sanctioned introduction of same sex marriage and the historic mistreatment of women and young girls have re shaped Irish public and political life and encouraged Irish society to re examine long unchallenged gender norms While many traditional flashpoints remain such as abortion and prostitution sex work there are also new questions including surrogacy and the gendered experience of asylum frameworks which have emerged As policy makers seek to enact reforms they face a population with increasingly polarised perceptions of gender and a legal structure ill equipped for modern realities This edited volume directly addresses modern Irish debates on law and gender Providing an overview of the existing rules and standards as well as exploring possible options for reform the collection stands as an important statement on the law in this jurisdiction and as an invaluable resource for pursuing gendered social change While the edited collection applies a doctrinal methodology to explain current statutes case law and administrative practices the contributors also invoke critical gender queer and race perspectives to identify and problematise existing and potential challenges This edited collection is essential reading for all who are interested in law gender and processes of social change in modern Ireland      Gender Equality Policy in the European Union Ingrid Bego, 2015-07-14 One of the solutions proposed by the European Union to remedy the effects of the 2008 economic crisis is to increase female labour participation This book explores the policy changes in four new member states that may reduce the gender

employment gap and improve women's equal participation in the labour force

### **Reconstructing Womanhood,**

**Reconstructing Feminism** Delia Jarrett-Macauley, 2005-08-04 **Reconstructing Womanhood** **Reconstructing Feminism** is the first British feminist anthology to examine concepts of womanhood and feminism within the context of race and ethnicity. Challenging contemporary feminist theory, the book highlights ways in which constructions of womanhood have traditionally excluded black women's experience and proposes a reconsideration of terms such as feminist. The research subjects and methods of many of the contributors have been shaped by the specifics of the Black British experience and context. The collection brings together various ideas about difference and identity. It covers a wide range of social and cultural issues including the position of black women in the church, lesbian identity in film, contemporary African feminism and British immigration law.

**Between Care and Criminality** Helena Zewer, 2023-12-15 **Between Care and Criminality** examines social welfare's encounter with migration and marriage in a period of intensified border control in Melbourne, Australia. It offers an in-depth ethnographic account of the effort to prevent forced marriage in the aftermath of a 2013 law that criminalized the practice. Disproportionately targeted toward Muslim migrant communities, prevention efforts were tasked with making the family relations and marital practices of migrants objects of policy knowledge in the name of care and community empowerment. Through tracing the everyday ways that direct service providers, police, and advocates learned to identify imminent marriages and at-risk individuals, this book reveals how the domain of social welfare becomes the new frontier where the settler colonial state judges good citizenship. In doing so, it invites social welfare to reflect on how migrant conceptions of familial care, personhood, and mutual obligation become structured by the violence of displacement, borders, and conditional citizenship.

**Aging, Globalization and Inequality** Jan Baars, Dale Dannefer, Chris Phillipson, Alan Walker, 2016-11-03 This book is a major reassessment of work in the field of critical gerontology, providing a comprehensive survey of issues by a team of contributors drawn from Europe and North America. The book focuses on the variety of ways in which age and ageing are socially constructed and the extent to which growing old is being transformed through processes associated with globalisation. The collection offers a range of alternative views and visions about the nature of social ageing, making a major contribution to theory building within the discipline of gerontology. The different sections of the book give an overview of the key issues and concerns underlying the development of critical gerontology. These include first the impact of globalisation and of multinational organizations and agencies on the lives of older people; second, the factors contributing to the social construction of later life; and third, issues associated with diversity and inequality in old age arising through the effects of cumulative advantage and disadvantage over the life course. These different themes are analysed using a variety of theoretical perspectives drawn from sociology, social policy, political science, and social anthropology. **Aging, Globalization and Inequality** brings together key contributors to critical perspectives on aging and is unique in the range of themes and concerns covered in a single volume. The study moves forward an important area of debate in studies of aging and thus

provides the basis for a new type of critical gerontology relevant to the twenty first century      Attitudes and Opinions Stuart Oskamp, P. Wesley Schultz, 2005-01-15 Notable advances resulting from new research findings measurement approaches widespread uses of the Internet and increasingly sophisticated approaches to sampling and polling have stimulated a new generation of attitude scholars This extensively revised edition captures this excitement while remaining grounded in scholarly research Attitudes and Opinions 3 e maintains one of the main goals of the original edition breadth of coverage The book thoroughly reviews both implicit and explicit measures of attitudes the structure and function of attitudes the nature of public opinion and polling attitude formation communication of attitudes and opinions and the relationship between attitudes and behaviors as well as theories and research on attitude change Over 2 000 references support the book s scientific integrity The authors second goal is to demonstrate the relevance of the topic to people s lives Subsequently the second part of the book examines many of the topics and research findings that are salient in the world today political and international attitudes including terrorism voting behavior racism and prejudice sexism and gender roles and environmental attitudes This thoroughly revised new edition features an entirely new chapter on implicit measures attitudes a new chapter on environmental attitudes updated opinion poll data throughout the book additional material on time trends in attitudes about many issues and expanded updated sections on international attitudes reflecting the events of 9 11 and the subsequent invasions of Afghanistan and Iraq Attitudes and Opinions broad and interdisciplinary perspective makes this an ideal text in courses on attitudes public opinion survey research or persuasion taught in a variety of departments including psychology communication marketing sociology and political science

### **Feminism State Social Policy Hc Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Feminism State Social Policy Hc has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Feminism State Social Policy Hc has opened up a world of possibilities. Downloading Feminism State Social Policy Hc provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Feminism State Social Policy Hc has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Feminism State Social Policy Hc. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Feminism State Social Policy Hc. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Feminism State Social Policy Hc, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Feminism State Social Policy Hc has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and

book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Feminism State Social Policy Hc Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Feminism State Social Policy Hc is one of the best book in our library for free trial. We provide copy of Feminism State Social Policy Hc in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Feminism State Social Policy Hc. Where to download Feminism State Social Policy Hc online for free? Are you looking for Feminism State Social Policy Hc PDF? This is definitely going to save you time and cash in something you should think about.
