Women Founders of the Social Sciences Lynn McDonald, 2013-12-01 Ground breaking and original this book debunks the myth that empirical social science has been dominated by its male founders and methodologists The author re analyses the critical role British French and American women played in creating the field from the 16th through the early 20th centuries Included are Mary Astell Mary Wollstonecraft Harriet Martineau Beatrice Webb Catharine Macauley Florence Nightingale Madame de Sta l and Jane Addams

A Reader in Latina Feminist Theology Daisy L. Machado, 2002-04-15 Speaking for the growing community of Latina feminist theologians the editors of this volume write With the emergence and growth of the feminist theologies of liberation we no longer wait for others to define or validate our experience of life and faith We want to express in our own words our plural ways of experiencing God and our plural ways of living our faith And these ways have a liberative tone With twelve original essays by emerging and established Latina feminist theologians this first of its kind volume adds the perspectives realities struggles and spiritualities of U S Latinas to

the larger feminist theological discourse The editors have gathered writings from both Roman Catholics and Protestants and from various Latino a communities The writers address a wide array of theological concerns popular religion denominational presence and attraction methodology lived experience analysis of nationhood and interpretations of life lived on a border that is not only geographic but also racial gendered linguistic and religious

The Broadview Introduction to Philosophy Volume I: Knowledge and Reality Andrew Bailey, 2019-06-18 This volume of The Broadview Introduction to Philosophy offers a thoughtful selection of readings in epistemology metaphysics and the philosophy of religion Substantial selections from important historical texts are provided including the entirety of Descartes s Meditations as are a number of contemporary readings on each topic Unlike other introductory anthologies the Broadview offers considerable apparatus to assist the student reader in understanding the texts without simply summarizing them Each selection includes an introduction discussing the context and structure of the primary reading as well as thorough annotations designed to clarify unfamiliar terms references and argument forms
