Forgotten River A Of Peruvian Trave:

A Forgotten River Christopher Sandeman, 1939 **A Forgotten River** Christopher Sandeman, 1939 Marine Desert Ecology of Southern Peru Alan K. Craig, 1968 Results of a reconnaissance are presented for part of the south central Peruvian coast These data constitute the initial phase of a project involving a general survey of marine desert ecology Broad objectives include reconstruction of the late Pleistocene paleogeographic environment and assembly of land based evidence for previous Peru Current deflections Contemporary problems of human ecology are considered after systematic review of existing literature on geology geomorphology oceanography meteorology botany and archaeology Author **Ayahuasca Shamanism in the Amazon and Beyond** Beatriz Caiuby Labate, Clancy Cavnar, 2014 Beatriz Caiuby Labate and Clancy Cavnar offer an in depth exploration of the spread of indigenous shamanic rituals of the Amazon to Western societies looking at how indigenous mestizo and cosmopolitan cultures have engaged with and transformed these forest traditions The authors focus on the use of ayahuasca a psychoactive drink essential in many indigenous shamanic rituals *Bibliography of Natural History Travel Narratives* Anne S. Troelstra, 2017-06-01 Anne Troelstra s fine bibliography is an outstanding and ground breaking work He has provided the academic world with a long needed bibliographical record of human endeavour in the field of the natural sciences The travel narratives listed here encompass all aspects of the natural world in every part of the globe but are especially concerned with its fauna flora and fossil remains Such eyewitness accounts have always fascinated their readers but they were never written solely for entertainment fragmentary though they often are these narratives of travel and exploration are of immense importance for our scientific understanding of life on earth providing us with a window on an ever changing and often vanishing natural world Without such records of the past we could not track document or understand the significance of changes that are so important for the study of zoogeography With this book Troelstra gives us a superb overview of natural history travel narratives The well over four thousand detailed entries ranging over four centuries and all major western European languages are drawn from a wide range of sources and include both printed books and periodical contributions While no subject bibliography by a single author can attain absolute completeness Troelstra s work is comprehensive to a truly remarkable degree The entries are arranged alphabetically by author and chronologically by the year of first publication under the author s name A brief biography with the scope and range of their work is given for each author every title is set in context the contents including illustrations are described and all known editions and translations are cited In addition there is a geographical index that cross refers between authors and the regions visited and a full list of the bibliographical and biographical sources used in compiling the bibliography *The Pan American Book Shelf*, 1940 **The English Catalogue of Books Published from January, 1835, to January, 1863**, 1864 **Rain Forest Bibliography** Jerry Roberts, 1999 The rain forests of Central and South America have long captured the attention and imagination of writers From nineteenth century explorers to modern day conservationists a host of writers have put the rain

forests into print This is an annotated guide to over 1 600 works about the Central and South American jungles Entries are arranged by category Ecology and Conservation Flora and Fauna People of the Forest Travel and Exploration and Young Adult and Children s Reading Each category begins with a brief description of what is to be found followed by alphabetically arranged entries Each bibliographic entry contains notes on the book s subject focus and scope The book s introduction gives insight into its usage and the index allows for easy reference This annotated bibliography covering topics from the Achuar Indians to zoologists will lead the reader to resources as diverse and fascinating as the rain forests themselves CRC World Dictionary of Plant Names Umberto Quattrocchi,1999-11-22 This volume provides the origins and meanings of the names of genera and species of extant vascular plants with the genera arranged alphabetically from R to Z *The English Catalogue of Books [annual]* Sampson Low,1940 Vols for 1898 1968 include a directory of publishers **The Publishers Weekly** ,1940 Radio Garden Club ,1940 **Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
