Form And Fable In American Fiction:

Form and Fable in American Fiction Daniel Hoffman,1965 **Form and Fable in American Fiction. (With Corrections.)**. Daniel Gerard HOFFMAN,1965 **Form and Fable in American Fiction** Daniel G. Hoffman,1970

Form and Fable in American Fiction Daniel Hoffman,1994 Combining the disciplines of folklore and literary criticism in his perceptive readings of works by Irving Hawthorne Melville and Mark Twain Daniel Hoffman demonstrates how these authors transformed materials from both high and popular culture from their European past and their American present in works that helped to form our national consciousness In his new preface Hoffman describes the evolution of his critical method and suggests the book s value for contemporary readers *Form and fable in american fiction* Daniel N.

Hoffman,1965 **Form and Fable** Daniel G. Hoffman,1961 **The Quest for Epic in Contemporary American Fiction** Catherine Morley,2008-09-25 This volume explores the confluences between two types of literature in contemporary America the novel and the epic It analyses the tradition of the epic as it has evolved from antiquity through Joyce to its American manifestations and describes how this tradition has impacted upon contemporary American writing **The Legend of**

Sleepy Hollow and Other Stories Washington Irving,1999-10-01 Before the fall premiere of the new television series read the original legend of Ichabod Crane the Headless Horseman and the singularly spooky town of Sleepy Hollow in Washington Irving s classic book When Washington Irving first published this collection of essays sketches and tales originally entitled *The Sketch Book of Geoffrey Crayon Gent* readers greeted it with enthusiasm and Irving emerged as America s first successful professional author This volume includes *The Legend of Sleepy Hollow* and *Rip Van Winkle* two of America s most recognizable and loved works of fiction and displays Irving s ability to depict American landscapes and culture so vividly that readers feel themselves a part of them And it is on the basis of these two classic tales that Irving is generally credited with inventing the short story as a distinct literary genre Also included here are gently ironic pieces about life in England that reflect the author s interest in the traditions of the Old World and his longings for his home in the New **Arthur Miller's**

America Enoch Brater,2010-06-02 Perspectives on America s greatest living playwright that explore his longstanding commitment to forging a uniquely American theater Arthur Miller s *America* collects new writing by leading international critics and scholars that considers the dramatic world of icon activist and playwright Arthur Miller s theater as it reflects the changing moral equations of his time Written on the occasion of Miller s 85th year the original essays and interviews in *Arthur Miller s America* treat the breadth of Miller s work including his early political writings for the campus newspaper at the University of Michigan his famous work with John Huston Clark Gable and Marilyn Monroe on *The Misfits* and his signature plays like *Death of a Salesman* and *All My Sons* **Interpretation and Genre** Thomas Kent,1986 Kent proposes a general theory of genre classification and applies this genetic model to American fiction written during the last half of the nineteenth century Combining theory and application Kent attempts to demonstrate that what we say about texts is related

directly to our generic perception of them Plot, Story, and the Novel Robert L. Caserio, 2015-03-08 Giving a close critical reading to major texts by Dickens Poe Eliot Melville James Conrad Lawrence Joyce Woolf and Faulkner Professor Caserio provides an historical dimension to the developing fate of plot story and the novel In addition he challenges the major critical positions of Northrop Frye Roland Barthes and Edward Said with regard to the interpretation and evaluation of narrative trends Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 The Interpretation of Otherness Giles Gunn, 1979-02-15 In a unique and probing analysis this study examines the function of literary criticism in religious studies and explores the relation of literature to religion in the works of major American writers Israel Potter Herman Melville, 1997 Melville's eighth book was begun as a simple rewrite of an obscure little narrative entitled Life and Remarkable Adventures of Israel R Potter in which Israel tells the story of his sad fall from Revolutionary hero to London peddler Following its opening chapter Melville's novel retells that tale with close adherence to the language and events of the Life and then shaking free of the original narrative alternately moves between invented episodes and historical sources unrelated to the Life Israel Potter is unique among Melville's books It is the only one to be offered in the guise of literal biography the tale presuming to offer an accurate life history of the man Israel Potter who did in fact fight at Bunker Hill It is also Melville's only historical novel it presents famous men of the American Revolution Benjamin Franklin John Paul Jones Ethan Allen and others in situations that are a matter of historical record **Huckleberry Finn** Harold Beaver, 2017-10-23 Originally published in 1987 Popular from its first publication Adventures of Huckleberry Finn remains at the centre of heated controversy Is it an adult novel or juvenile fiction Is Huck a new model hero from the West or just another amoral prankster Harold Beaver reconciles these divergent views into a comprehensive and lively critical account of the novel and the complex debates which surround it **Horsing Around** Lawrence Clayton, Kenneth W. Davis, Mary Collins, 1998-11-15 The tradition of storytelling and folklore reaches deeply into the American notion of national identity and among the more prominent emblems of American culture stands the cowboy Despite the attempts to modernize the cowboy of our frontier past today's mounted horsemen have learned how to adapt to a rapidly changing world while tenaciously holding on to their heritage Tall tales and yarns make up a great amount of the folklore of this literary tradition yet woven throughout such stories stir an American mixture of humor wisdom and philosophy In Horsing Around Clayton Davis and Collins draw upon the vast amount of anecdotes portraying the lighter side of working on the range The collected vignettes in Horsing Around will provide the collector of Texana greater accessibility to stories that are often told only at public performances

Inscrutable Malice Jonathan A. Cook, 2012-12-15 In *Inscrutable Malice* Jonathan A. Cook expertly illuminates Melville's abiding preoccupation with the problem of evil and the dominant role of the Bible in shaping his best known novel *Drawing* on recent research in the fields of biblical studies the history of religion and comparative mythology Cook provides a new interpretation of *Moby Dick* that places Melville's creative adaptation of the Bible at the center of the work Cook identifies two ongoing concerns in the narrative in relation to their key biblical sources the attempt to reconcile the goodness of God with the existence of evil as dramatized in the book of Job and the discourse of the Christian end times involving the final destruction of evil as found in the apocalyptic books and eschatological passages of the Old and New Testaments With his detailed reading of *Moby Dick* in relation to its most important source text Cook greatly expands the reader's understanding of the moral religious and mythical dimensions of the novel Both accessible and erudite *Inscrutable Malice* will appeal to scholars students and enthusiasts of Melville's classic whaling narrative

New Essays on Hawthorne's Major Tales Millicent Bell, 1993-09-24 This book examines in detail some of Hawthorne's most important and most beloved stories

Edgar Allan Poe in Context Kevin J. Hayes, 2013 Spend the holidays with the Master of the Macabre **Edinburgh Companion to the Short Story in English** Paul Delaney, 2018-02-01 Provides a clear introduction to the key terms and frameworks in cognitive poetics and stylistics

100 Years on the Road Timothy B. Spears, 1997-01-01 Drawing on sources such as diaries advice manuals and autobiographies this work shows how travelling salesmen from the early 18th century to the 1920s shaped the customs of life on the road and helped to develop the modern consumer culture in the United States

Form And Fable In American Fiction: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the captivating narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Form And Fable In American Fiction : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
