**The Formation of National Collections of Art and Archaeology** Gwendolyn Wright, 1996-09-01      **National Galleries** Simon Knell, 2016-01-22 Are national galleries different from other kinds of art gallery or museum What value is there for the nation in a collection of international masterpieces How are national galleries involved in the construction national art National Galleries is the first book to undertake a panoramic view of a type of national institution which are sometimes called national museums of fine art that is now found in almost every nation on earth Adopting a richly illustrated globally inclusive comparative view Simon Knell argues that national galleries should not be understood as great galleries but as peculiar sites where art is made to perform in acts of nation building A book that fundamentally rewrites the history of these institutions and encourages the reader to dispense with elitist views of their worth Knell reveals an unseen geography and a rich complexity of performance He considers the ways the national galleries entangle art and nation and the differing trajectories and purposes of international and national art Exploring galleries artists and artworks from around the world National Galleries is an argument about how we think about and study these institutions Privileging the situatedness of each national gallery performance and valuing localism over universalism Knell looks particularly at how national art is constructed and represented He ends with examples that show the mutability of national art and by questioning the necessity of art nationalism      *Handbook of Material Culture* Christopher Y. Tilley, 2006-01-26 Provides a critical survey of the theories concepts intellectual debates substantive domains and traditions of study characterizing the analysis of things This handbook charts an interdisciplinary field of studies that makes a fundamental contribution to an understanding of what it means to be human      **No Touching, No Spitting, No Praying** Saloni Mathur, Kavita Singh, 2017-07-05 This volume brings together a range of essays that offer a new perspective on the dynamic history of the museum as a cultural institution in South Asia It traces the museum from its origin as a tool of colonialism and adoption as a vehicle of sovereignty in the nationalist period till its role in the present as it reflects the fissured identities of the post colonial period      India Geeti Sen, 2003-07-26 The last two decades of the 20th century have witnessed a spectacular return of national consciousness In this exciting and unique collection of essays eminent academics art historians photographers and dancers focus on one essential ingredient of the making of Indian nationalism i e the ingredient of culture and one that has resurfaced in everyday experience Their essays contribute incisive analytical comment on and very different readings of the fabric that constitutes culture Is it time they argue to once again reinvent an Indian culture that is intangible that gets under the skin to resist the vicissitudes of political agendas      *Local Studies Collection Management* Michael Dewe, 2016-12-14 A helpful and informative guide for librarians responsible for local studies collections covering the key issues in the twenty first century Each chapter is written by a different specialist covering resource providers management of service provision management of the collection and its materials from books and pamphlets to microforms CD ROMs and websites information access and

retrieval marketing dealing with enquiries Introductory and concluding chapters consider the local collection within its library context the wider cultural social political and economic setting the international local studies perspective and the future for this specialism in the UK The guide is aimed principally at public librarians but will be of interest to academic school and special librarians library school students archivists those working with local history and related societies and those in charge of private collections *Essays on Art and Archaeology* Charles Thomas Newton,1880 **CURRENT CONTENTS** ,1997 **Annual Report of the Board of Regents of the Smithsonian Institution** Smithsonian Institution.
