*Women in John's Gospel* Susan Miller, 2023-01-26 Closely examines John's portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John's presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John's community and the beginnings of the Christian faith Beginning with the Virgin Mary's portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly assesses several crucial female characters in John to stress how Jesus' female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John's frequent use of woman links these female followers particular Jesus' venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation *Themelios, Volume 49, Issue 3* Brian Tabb, 2025-01-13 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor Brian Tabb Bethlehem College and Seminary Contributing Editor D A Carson Trinity Evangelical Divinity School Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortlund Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College Stephen Witmer Pepperell Christian Fellowship Robert Yarbrough Covenant Seminary [The Son of Man as the Last Adam](#) Yongbom Lee, 2012-07-01 Most New Testament scholars today agree that Jesus used an enigmatic self designation *bar nasha* the Son of Man translated into Greek as *ho huios tou anthropou* in the Synoptic Gospels In contrast Paul the earliest New Testament writer nowhere mentions the phrase in his letters Does this indicate that the Gospel writers simply misunderstood the generic sense of the Aramaic idiom and used it as a christological title in connection with Daniel 7 as some scholars claim Paul demonstrates explicit and sophisticated Adam Christology in Romans 5 and 1 Corinthians 15 In contrast there is no real

equivalent in the Synoptic Gospels Does this indicate that Adam Christology in Romans 5 and 1 Corinthians 15 was essentially a Pauline invention to which the Evangelists were oblivious In this study Yongbom Lee argues that in addition to the Old Testament contemporary Jewish exegetical traditions and his Damascus Christophany Paul uses the early church tradition in particular its implicit primitive Adam Jesus typology and the Son of Man saying traditions reflected in the Synoptic Gospels as a source of his Adam Christology

*Kids and Kingdom* James Murphy, 2013-09-10 *Kids and Kingdom* challenges the traditional view that Jesus was deeply concerned over children Instead it is argued that despite the Synoptic authors attempts to convince us that children are fully included in the kingdom of God that Jesus loves the little children their presentations fail to conceal images of household disruption and alienation of children brought about by Jesus eschatological movement After establishing what Greco Roman and Jewish sources reveal about children by the end of the first century a deconstructive literary approach is applied to the Synoptic Gospels foregrounding children over other characters in relation to Jesus adult ministry Murphy scrutinizes prominent healing narratives involving children and teachings involving children such as The Child in the Midst Mark 9 36 37 and parallels One of These Little Ones Mark 9 42 and parallels and Let the Young Children Come to Me Mark 10 13 16 and parallels These are examined against sayings of Jesus relativizing family ties and the lifestyle indicative of the radical call to discipleship in the Synoptic narratives Fundamentally this study does not seek to resolve but to highlight the tensions in the Synoptic Gospels between attempts at child inclusivity and the radical demands of discipleship

*Rise to Reason* D.G. Brianza, 2023-09-20 *Rise to Reason* is an in depth and undaunted examination of the contradictions errors and misunderstandings of which Christianity vastly consists The book speaks to many individuals The believer who is beginning

to doubt what Christianity tells her The believer unsure how to proceed Do I dare break away The non believer who desires a fuller understanding of the true nature of Christianity The non believer who would broaden her knowledge of the fallacies of Christianity and reconfirm her atheism deepen her commitment to humanism and lay to rest any remaining doubts Anyone seeking knowledge of Christianity over the myths of Christianity the truth regarding miracles and the actual reason for the seeming continuity from book to book of the Bible Addressed are such topics as The fallacy of prayer The logical paradox that renders impossible the purely human notion of God being all powerful and or all knowing The origin of the concept of Satan The fictional nature and origins of key Bible characters such as Abraham Moses and Jesus The role of midrash and pesher in biblical authorship and how they came to be mistaken for prophecy and biblical book to book continuity The Backlash effect cognitive dissonance What the Book of Revelation is actually saying and why we needn t fear its grim prophecies Sometimes shocking yet always informative Rise to Reason is a factual down to earth view through adult eyes of the concepts instilled in us as children beliefs many have carried into adulthood having never questioned There are no diatribes no tirades just a factual scrutiny of things as they really are a thorough examination of Christianity from a science based rational point of view grounded in highly readable scholarship This book has the potential to change lives Of Conflict and Concealment Adam Z. Wright,2020-10-29 Scholars have long debated the genre of the Gospels and many opinions have been put forward such as biography history epic or comedy However do the Gospels actually reflect these ancient genres This book addresses this question and arrives at the conclusion that the Gospel of Mark was written as an ancient form of tragedy Why would this matter to ancient or modern readers Tragedy addresses the fundamental question of humanity s suffering and offers a philosophical perspective that orients the reader towards personal and societal growth The Gospel of Mark fits within the tradition of tragic writings and speaks to the same challenges that all humanity faces life is full of trouble and suffering so how are we supposed to think about these things The answer is to be found in Jesus who is both divine and human and who suffers as a result of engaging in conflict with the religious and political traditions of his time *Homiletic Review* ,1884
