[Auguste Rodin and Camille Claudel](#)

J. Adolf Schmoll gen. Eisenwerth,1994 The relationship between Camille Claudel and Auguste Rodin was one of the most artistically fruitful and passionate turn of the century love affairs When they first met in 1883 Rodin was forty four and Claudel a promising sculptor of twenty Despite the positive response of critics to her early work Claudel however never experienced fame and success The tragic circumstances of her life the last thirty years were spent in a psychiatric hospital have led to considerable speculation and interest in this enigmatic figure To some she seemed to offer the classic example of a woman artist who was oppressed and abused by a successful man This book examines Claudel s family background her relationship to her parents and brother and her behavior as documented by friends and family to determine to what extent her innate mental instability led to her eventual breakdown What were the circumstances surrounding her commitment to an

asylum and how did her family and Rodin react to her illness Further the author critically examines the relationship between the two artists to what extent did they influence each other How did Rodin really treat Claudel Finally and most importantly Claudel s oeuvre is investigated in terms of her biography and in relationship to her contemporaries in an attempt to evaluate her work as a sculptor and to understand the personal and artistic crisis she underwent after severing her relationship with Rodin

The Gates of Hell Arline Boucher Tehan,2010-10-13 The Gates of Hell Rodin s Passion in Stone is not just another biography of Rodin There are many excellent ones already Rather it is an attempt to understand the sculptor after immersion in his works by listening to his own words and those spoken about him For Rodin was more than a sculptor of genius He had the imagination and the courage to search for the truth not only with his artist s hands but with the penetrating gaze and mastery of the word that define the writer His book Les Cathedrales de France and his hundreds of letters offer a new close up of the artist both visual and verbal His musings on art and on life and his contemporaries views of him form a biographer s trove This rich assemblage of words like a hoard of tiny fragments of stone and glass when pieced together form a mosaic likeness of an artist who was himself a story teller in stone

Camille Claudel Odile Ayrat-Clause,2013-11-30T00:00:00+01:00 Camille Claudel ricordata come la talentuosa scultrice francese che da giovanissima intrecci una tormentata relazione con Auguste Rodin Ma Camille carattere indipendente e irrequieto stata soprattutto una donna emancipata che ha sfidato le convenzioni sociali e culturali della sua epoca soccombendo infine psicologicamente sotto il peso opprimente della riprovazione pubblica dei pregiudizi atavici e delle privazioni materiali Turbata dal suo anticonformismo la famiglia di Camille reag alle sue crisi facendola internare in una casa di cura per malati di mente dove rimase fino alla morte Ora Odile Ayrat Clause dopo anni di

studi riesce finalmente a riscattare Camille dallo stereotipo dell'eroina tragica e a consegnarci quella che pu essere considerata la biografia definitiva di una grande artista. L'autrice ricostruisce infatti l'ambiente artistico della Parigi di fine Ottocento e gli ostacoli contro i quali la scultrice si dovuta scontrare si sofferma sulla storia familiare e racconta gli affetti analizza le cause della malattia approfondendo le circostanze della sua detenzione grazie ai documenti d'archivio. Ne esce cos un libro tanto appassionante quanto accurato, uno strumento essenziale per conoscere davvero uno dei personaggi pi affascinanti dell'arte moderna.

De l'uvre et de la correspondance de Camille Claudel se dgage l'id e d'un engagement absolu de l'artiste assujetti un r el l'uvre. Elle y condense sa logique et tmoigne d'une qu te. Le dernier enseignement de Jacques Lacan permet de cerner comment Camille Claudel tente de circonscrire dans le marbre ce qui la secoue et la met l'preuve. Progressivement il s'y condense le regard de l'Autre qui la vise et l'crasante dissociation de son corps. Au del de la beaut de ses statues apparait le sc nario d'une logique autopunitive et sacrificielle qu'elle l've la hauteur de l'uvre d'art. En d'finitive son travail n'est pas interpr ter comme ses motivations secr tes et son histoire mais comme marques traces irr ductibles de sa d'composition et de sa chute.
