Lions And Tigers And Bears Oh My A Parable On Diversity And Inclusion:

Lions and Tigers and Bears - Oh My Art Jackson,2003 Hangin' Round the Barrel Art Jackson,2015-01-31 Im still trying to decide who I want to be when I grow up I heard this statement one Saturday morning at a local meeting The disturbing part was the individual who made the statement was in his sixties He had completed 30 years of his life serving the government and had started a new career and yet had never decided what he was supposed to be doing I think part of the problem was a lack of personal leadership In all his years he had never applied the personal leadership strategies and tactics that allow the great among us to move through their lives with a great deal of purpose Leadership has been defined as getting others to do those things they would not normally or naturally want to do Individual leadership is getting yourself to do those things you would not normally or naturally want to do Once we learn and apply the same personal leadership habits that have been used by statesmen generals and leaders of all walks of life throughout history we find that life becomes more challenging but also more fulfilling Through Hangin Round The Barrel readers will learn the Purpose Centered Leadership process which allows them to effectively pursue their intended level of greatness They will learn to implement time proven methods that will increase their performance in their personal lives their professional lives and their public lives Through Hangin Round The Barrel readers will learn to 1 Manifesting their intended level of greatness 2 Remain centered during constant change and turmoil 3 Examine their attitudes that keep them from manifesting their intended level of greatness 4 Gain an understanding of how calling and vocation can work together to provide an incredible performance and 5 Develop and implement a plan for greatness Readers will develop leadership practices that will increase personal effectiveness provide a clear picture of who they are how they behave and why you do so and how to create results for themselves and others As you read Hangin Round The Barrel Remember Your Wings Are Waiting 37 Lions and Tigers and Bears Oh My! ,
