

# 10 SMART TIPS TO GET YOUR KIDS TO LISTEN TO YOU

## 1. GET ON THEIR LEVEL

Don't start talking until you have your child's full attention. Kneel down in front of him and make eye contact while making your request.

## 2. OFFER CHOICES

Kids do not want to be told what to do all the time so always provide them two choices for them to pick from so they will feel that they are in control of the situation.

## 3. USE FEWER WORDS

Children need short and simple sentences that offer direct instructions.

## 4. ENSURE COMPREHENSION

Speak to your child at a level she will understand.

## 5. SET UP ROUTINES

It is important for you to establish a set of routine for your child. They will take pride in knowing what they are supposed to do – and doing it by themselves without you nagging.

## 6. LISTEN

Having good family communication and active listening can do several things to encourage your child to listen.

## 7. GET INTO THEIR SPACE

Show them respect when you make time to listen to their concerns, and it will be easier for them to show respect back when they feel respected.

## 8. ENGAGE COOPERATION

Kids need to see the importance of following directions. For example: When you finish your homework, you can play with your toys.

## 9. USE POSITIVE LANGUAGE

Children respond better to direct instructions that tell them what to do rather than what cannot be done.

## 10. POSITIVE REINFORCEMENT

When your child follows your directions, provide positive consequences to reinforce the behavior like a compliment or a surprise reward once in a while.

Are your children ready to live out their faith in the real world Most parents who value Christian faith want their children to enjoy a vibrant growing relationship with God both now and throughout their lives But few of those parents ever attach this hope to an ongoing plan therefore they fail to lay a reliable spiritual track in front of the fast moving train of family life This book is a junction point where deep parental desire meets workable design and where timid inadequacy meets Christ s sufficiency It s where individual families become multiplication factories exerting a lasting impact not only on their coming generations but even on the culture at large The death of Joshua and his contemporaries was barely old news in Israel before the people of God experienced a Judges 2 10 moment There arose another generation after them who did not know the Lord or the work that he had done ESV One generation is all it takes One generation who stops remembering One generation who stops creating One generation blinded to God s real work in their lives who then subtly quiets the expectation of His new work in succeeding generations *Do Your Children Believe* appears at a time in history when another Judges 2 10 moment doesn t sound so incredibly far fetched a day when many people s only real knowledge of God comes from what they ve heard and read about not what they ve actually seen and experienced and when His work is more about the dutiful following of rules than the daily adventure of walking with Him as Lord Imagine instead a generation of your family who knows God with intimate familiarity Who doesn t just pretend at faith but actually lives it Kids who can tell you what they believe and why it matters Teenagers who handle adversity with the resilient joy of godly wisdom A family who prays together and worships together growing into young adults who are equipped and inspired to keep this torch ablaze from the moment their own new families begin This book is here to make that reality happen written by an author equipped with not only a passion for the concept but also a proven plan for success a wealth of first hand personal stories from his wife and kids for how they ve put this plan into living action with remarkable blessings in tow When God puts His power behind families who embrace this kingdom call on the ground change will result in off the charts revival      **Solving Health and Behavioral Problems from Birth through Preschool** Roy Benaroch M.D.,2007-08-30
