Listening To Gods Through Hebrews:

Listening for God Through Hebrews Wesleyan Publishing House, 2005 Lectio Divina Latin for divine reading is a series of Bible studies that calls Christians to slow down read Scripture meditate on it and prayerfully respond as they listen to God through His Word The content of Hebrews leads us to infer that the unnamed writer was addressing Jewish followers of Christ who were so tossed about by the persecution from Jews and Romans that they were tempted to return to the familiarity of Old Testament law and thus renounce the name of Jesus This rich letter shows how our Savior is working on our behalf today from His position at the right hand of God s throne Its challenge to believers now as then is to focus on Jesus stand firm in difficult days and hold to the expectation of a greater day in heaven Atonement and the Logic of Resurrection in Hebrews 9:27-28 William W. Henry, 2024-09-05 The general believer waiting for salvation by Jesus hopes to see him appear while living or promptly at death Comfort during loss of life usually portrays those passing now in heaven Conversely the more religiously academic the less one thinks anyone ever goes to heaven Trained scholars typically choose a closed heaven with temporal delays and spatial detours in limitation of God s promises about so great salvation Better typically perceives as a resuscitated flesh on earth that lives by decay of the surrounding creation Hearing word meaning by mapping creation with an old first century option for plural heavens this project reexamines the conversation recommended by the pastor in the letter to the Hebrews about promises regarding the twofold ministry of Christ By analysis with current study tools the conversation both challenges the common academy views and reintroduces a first century hearing option for God s speech concerning prompt postmortem Christ fulfillment into heaven Listening includes the milk of the beginning teaching requirements for atonement and logic of resurrection to God immediately after death and judgment Hearing senses the solid food about priestly intercession by Jesus after death at judgment to shepherd his believers for salvation into heaven a very little while after individual death and judgment Hebrews William L. Lane, 2004 By surpassing most traditional commentaries Lane s work unveils Hebrews as a sermon rendered by a concerned preacher to his Roman church which is under persecution and dangerously close to rejecting the faith As an exposition of encouragement and exhortation Hebrews addresses the central concerns of our contemporary church as well the felt absence of God a climate of uncertainty and insecurity the tension between secular conformity and spiritual maturity and the threat of societal perversion and materialism to a Christian commitment Christians are called upon to express a faith that is rooted in the future and to continue this life of pilgrimage with a radical new view of reality which is based on sure confidence in the intervention of God in daily life Tracing the writer s development thought by thought rather than verse by verse careful attention is paid to the cultural and historical background This work is useful as a study guide for groups and individuals or for any reader who wishes a mature understanding of the book of Hebrews **Divine Action in Hebrews** Zondervan, 2023-11-07 Recent years have seen renewed interest in divine action but much of the literature tends to focus on the science theology discussion

Resulting from multi year work of the Scripture and Doctrine Seminar part of KLC s Scripture Collective this book attends to the portrayal of divine action in one major biblical text namely Hebrews In the New Testament Hebrews is on par with Romans in terms of importance but has too often been overlooked Contributors to this volume explore the many different ways in which divine action is foregrounded and portrayed in Hebrews As its name indicates Hebrews overflows with Old Testament intertextuality which also makes it a fertile ground for analysis of divine action stretching back into the Old Testament and opening out into different parts of the NT The essays in this volume rigorously work the interface of theology and exegesis all related to Hebrews offer an overview of the current state of discussion of divine action and the importance of exploring divine action in specific biblical texts with special reference to William Abraham s recent 4 volume work with OUP provide an overview of the reception history of Hebrews in theologies of divine action explore how this has played out in historical theology and what a retrieval of Hebrews for a theology of divine action might mean today explore the relationship between the doctrine of God and divine action in Hebrews including an engagement with classical theism provocatively explore divine action in the OT creation and eschatology in Hebrews explore the major theme in Hebrews of divine action through the ongoing priesthood of Jesus as portrayed in Hebrews relate this all to preaching Hebrews today and to spiritual formation The book s conclusion reflects on the primary action of God speaking in Hebrews

The Voice of God in the Text of Scripture Zondervan, 2016-11-01 A Development of the Doctrine of Scripture and Its Interpretation In the case of engaging with Scripture in a way that allows it to speak to us we have a theological mandate to develop a doctrine of Scripture that recognizes both the written text and its divine authorship The proceedings of the fourth annual Los Angeles Theology Conference focuses on the theological and doctrinal dimensions to the biblical texts drawing on scholars of biblical studies and systematic theology in order to do so The question that frames these discussions is How does the voice of God come to us in the text of Scripture The ten diverse essays in this collection include discussions on Authorial intent The reception and formation of the Bible as Christian Scripture The relationship between Scripture and human identity The hermeneutics of metaphor and theological method Each of the essays collected in this volume engage with Scripture as well as with others in the field theologians both past and present from different confessions in order to provide constructive resources for contemporary systematic theology and to forge a theology for the future

read *Hebrews* Debra J. Bucher, Estella Boggs Horning, 2024-04-23 What constitutes a faithful life At its most basic level the New Testament book of Hebrews considers this essential question and pleads with its audience to find in faithful living the rest that Christ offers Hebrews begins with a poetic reflection on the one who lived the most faithful of lives Jesus and concludes with exhortations to go and do likewise In the 37th volume in the Believers Church Bible Commentary series scholars Debra J Bucher and Estella Boggs Horning examine at great length one important aspect of Hebrews Jesus as the new covenant and the once for all better sacrifice who replaces the daily and yearly temple offerings in Jerusalem The authors also consider how this idea has been used to minimize other religious traditions and even to legitimize the horrors of the mid 20th century They carefully unpack the language around sacrifice and covenant based on the saving work of Jesus drawing out encouragement found in Hebrews to live as individuals and as a community led by Jesus the pioneer and high priest Bucher and Horning don't shy away from the difficult language in Hebrews Instead they draw out its historical context and help readers understand how to use the text with love within our own About the Believers Church Bible Commentary series This readable commentary series is for all who seek more fully to understand the original message of Scripture and its meaning for today Sunday school teachers members of Bible study groups students pastors and other seekers From the Series Foreword Hear Ye the Word of the Lord D. Brent Sandy, 2024-03-12 In today's reading culture it is easy to forget that we receive God's message far differently from how the original hearers would have heard it D Brent Sandy explores how oral communication shaped biblical writers and ancient hearers and provides constructive ways for modern readers to be better hearers and performers of Scripture The LORD Who Listens Charles C. Helmer IV, 2024-02-26 In *The LORD Who Listens* Charles C Helmer IV draws on Holy Scripture and the theology of Karl Barth to offer a theological interpretation of God's hearing Prioritizing this neglected biblical theme Helmer develops a theological grammar for speaking of God's hearing that maintains a strong creator creature distinction and then proceeds to demonstrate the profound implications God's hearing has for the doctrines of anthropology Christology and thus for understandings of the gospel In contrast to passibilist liberationist strategies God's hearing is argued to furnish existentially and theologically superior resources for those who cry out to be heard by God **The Psalms Translated from the Hebrew, with Notes, Chiefly Exegetical, by William Kay ... Second Edition**, 1874 **What the Bible Really Says about How to Hear God** Peter Tullener, 2020-04-09 The Bible tells us that faith comes by hearing and hearing by the word of God and without faith it is impossible to please God We are also told that God speaks to us through His written word and spoken words So how can we have faith if we can't hear the word of God Hearing God's voice is not only reserved for those who are good or holy or special enough It is a privilege that is available to anyone that truly follows Jesus Christ It may not be easy but it is possible for the most simple person to learn to do regardless of your intelligence education background ancestry or past sins People often find the Bible difficult to read because it contains so much information about so many different and critically important

subjects that it is sometimes difficult to focus on one specific subject as you read through all the books of the Bible This book extracts the scriptures that the Bible gives to help you hear the voice of God and gives simple practical advice so that you can avoid many mistakes that so many Christians have made so that you can more easily live the abundantly blessed life that Jesus died for you to have What the Bible Really Says about How to Hear God is a book that simply and plainly explains what the Bible actually says about the subject and incorporates over twenty five years of the author s life experience and mistakes that will help you to avoid making the same mistakes and to learn how to recognize hear and follow the voice of God in your everyday life

What in Hell Conflicts with God? Kara Lock-Harris,2021-03-25 Hell has become the pink elephant in the room No one wants to discuss this very real and very unpleasant topic While blessings are at the top of everyone s conversation God has been shouting from the heavens that something terrible could very possibly be awaiting It is time to take the blinders off and come face to face with what God has been saying to His beloved creation on the topic of hell If we take God at His word and we should it is clear that danger is ahead if the warnings are not heeded God has been promulgating dire information about hell and He is the absolute best source to do so What in Hell Conflicts with God presents the authoritative information that God has promulgated to His people and the various methods He used to communicate Many theologians and philosophers have tackled hell s doctrine and all agree that it is problematic for most The problem of hell is considered the most grotesque and gratuitous of moral evils especially when the all loving and all powerful God is at the center of it How do you reconcile the Omni God with hell Is God morally at fault for humans consigned to hell The Divine Promulgation View of Hell responds to this hellish moral dilemma by detailing God s actions to prevent humans from such a terrible fate What in Hell Conflicts with God reveals the actions taken and the lengths God has gone to prevent humans from eternal punishment God has not left us to our wits He has taken action It is time to listen to what He has to say

How to hear God's Voice Mark Virkler,2006-01-28 But blessed are your eyes because they see and your ears because they hear Matthew 13 16 You can hear the voice of your Lord He is always speaking to you In fact every believer is called to have a one on one relationship with God because He longs to share sweet times of intimacy with all His children How to Hear God s Voice will teach you to discern His voice from all the other voices that clamor for your attention This book Gives vital keys to increase the intimacy of your prayer time Teaches you how to be still before the Lord Helps you recognize His speech as spontaneous thoughts Encourages you to seek vision while praying and use a journal to record revelation Your communion with God will become a flow of His words springing forth from your heart You will experience a depth of relationship you never thought possible
