Femicide In Global Perspective:

Femicide in Global Perspective Diana E. H. Russell, Roberta A. Harmes, 2001 Diana E H Russell acclaimed author and researcher on sexual violence against girls and women and co editor Roberta Harmes have produced a groundbreaking volume on femicide the killing of females by males because they are female Dr Russell has contributed seven provocative original chapters to *Femicide in Global Perspective* This anthology includes chapters on woman killing in Algeria Australia Canada China Israel South Africa other Southern African countries the United States and brief testimony from other nations Together the authors brilliantly demonstrate how naming femicide helps to expose and bring attention to this most extreme yet neglected form of violence against women and the urgent need to put femicide on local national and international action agendas *Towards a Global Femicide Index* Sandra Walklate, Kate Fitz-Gibbon, Jude McCulloch, Jane Maree Maher, 2019-12-16 Increasingly there is global attention on the prevalence of women's deaths resulting from intimate partner violence Campaigns such as Counting Dead Women in Australia the Femicide Census in England the Canadian Femicide Observatory and the emergence of family violence death review teams globally build on the work of agencies such as the United Nations and the World Health Organisation highlighting the fatal consequences of intimate partner violence for women around the world This book considers the need for and the steps to be taken towards creating a meaningful framework for a global index of women's deaths from intimate partner violence While there are global indices for deaths that relate to public violence such as terrorism there is to date no systematic global count of killings of women by their intimate partners It considers the possibilities and challenges that arise in counting intimate femicide It argues that such an exercise needs to avoid narrow empiricism and instead be part of a broader feminist political project aimed at ending violence against women This work will be of great interest to students and scholars of criminology sociology law policing and politics [The Routledge International Handbook on Femicide and Feminicide](#) Myrna Dawson, Saide Mobayed Vega, 2023-05-31 This volume explores in depth femicide and feminicide bringing together our current knowledge on this phenomenon and its prevention No country is free from femicide feminicide which represents the tip of the iceberg in male violence against women and girls Therefore it is crucial and timely to better understand how states and their citizens are experiencing and responding to femicide feminicide globally Through the work of internationally recognised feminist and grassroots activists researchers and academics from around the world this handbook offers the first in depth global examination of the growing social movement to address femicide and feminicide It includes the current state of knowledge and the prevalence of femicide feminicide and its characteristics across countries and world regions as well as the social and legal responses to these killings The contributions contained here look at the accomplishments of the past four decades ongoing challenges and current and future priorities to identify where we need to go from here to prevent femicide feminicide specifically and male violence against women and girls overall This transnational multidisciplinary cross sectoral handbook will contribute to research

policy and practice globally at a time when it is needed the most It brings a visible global focus to the growing concern about femicide feminicide underscoring the importance of adopting a human rights framework in working towards its prevention in an increasingly unstable global world for women and girls

The Historiography of Genocide Anton Weiss-Wendt,Robert Krieken,Alfred A. Cave,Ben Kiernan,Doris Bergen,David Moshman,Victoria Sanford,John Docker,Robert Hitchcock,2008-02-13 The Historiography of Genocide is an indispensable guide to the development of the emerging discipline of genocide studies and the only available assessment of the historical literature pertaining to genocides

Femicide, Criminology and the Law Hava Dayan,Yifat Bitton,2022-12-30 This book offers an interdisciplinary perspective on femicide using Israel as an illuminating case study given its diverse communities and common law based legal system Utilizing analytical alongside practical perspectives the book offers a novel crimino legal approach to femicide In addition to its interdisciplinary novelty the book presents originality in going beyond the more usual focus on the central victims and the common legal tools Here the authors extend the analysis to secondary victims of femicide and examine the applicability of second tiered relevant legal tools mostly tort law as a means for gaining justice for the victims This explorative journey culminates with the authors definition of femicide as a quintessential crime of distinct nature In the context of current international pledges to better understand and consequently better fight femicide this work allows readers to comprehend the phenomenon and the ways to abolish it The book will be an invaluable resource for academics researchers and policy makers working in the areas of criminal law tort law family law criminology and gender studies as well as for legal theorists and criminologists seeking integration of both disciplines

Willful Ignorance Helen T. Boursier,2022-04-27 Using ethnographic research Willful

Ignorance Overcoming the Limitations of Christian Love for Refugees Seeking Asylum examines the attitudes of clergy and lay leaders regarding their inattention to racism as it intersects with the harsh reality of U S immigration policies and practices This multi faceted work begins with a reality check on the scope of forced migration and its intersection with the historical legacy of racism in America including testimonies from displaced migrants and immigration advocates who help to alleviate state inflicted suffering at the U S Mexico border Helen T Boursier examines the rationales Christian leaders use to justify the local church s nominal response including the discursive buffers and stall tactics they use to deflect their lack of preaching teaching leadership and or ministry with displaced migrants who are their near neighbors The Christian church s firm foundation to embody love as social justice provides a historical rebuttal while case studies of congregations that offer displaced migrants compassionate hospitality model exemplary contemporary response Closing with practical suggestions for how to begin building bridges with migrants Boursier argues for a philosophy of religion that embraces resistance to racism and exclusion from asylum through a missiology of compassion that exemplifies an ecclesiology of love

Terrorizing Women Rosa-Linda Fregoso, Cynthia L. Bejarano, 2010-06-18 More than 600 women and girls have been murdered and more than 1 000 have disappeared in the Mexican state of Chihuahua since 1993 Violence against women has increased throughout Mexico and in other countries including Argentina Costa Rica Guatemala and Peru Law enforcement officials have often failed or refused to undertake investigations and prosecutions creating a climate of impunity for perpetrators and denying truth and justice to survivors of violence and victims relatives *Terrorizing Women* is an impassioned yet rigorously analytical response to the escalation in violence against women in Latin America during the past two decades It is part of a feminist effort to categorize violence rooted in gendered power structures as a violation of human rights The analytical framework of femicide is crucial to that effort as the editors explain in their introduction They define femicide as gender based violence that implicates both the state directly or indirectly and individual perpetrators It is structural violence rooted in social political economic and cultural inequalities *Terrorizing Women* brings together essays by feminist and human rights activists attorneys and scholars from Latin America and the United States as well as testimonios by relatives of women who were disappeared or murdered In addition to investigating egregious violations of women s human rights the contributors consider femicide in relation to neoliberal economic policies the violent legacies of military regimes and the sexual fetishization of women s bodies They suggest strategies for confronting femicide propose legal political and social routes for redressing injustices and track alternative remedies generated by the communities affected by gender based violence In a photo essay portraying the justice movement in Chihuahua relatives of disappeared and murdered women bear witness to femicide and demand accountability Contributors Pascha Bueno Hansen Adriana Carmona Lopez Ana Carcedo Caba as Jennifer Casey Lucha Castro Rodriguez Angélica Chazarro Rebecca Coplan Hector Domínguez Ruvalcaba Marta Fontenla Alma Gómez Caballero Christina Iturralde Marcela Lagarde y de los Ríos Julia Estela Monrrez Fragozo Hilda Morales Trujillo

Mercedes Olivera Patricia Ravelo Blancas Katherine Ruhl Montserrat Sagot Rita Laura Segato Alicia Schmidt Camacho William Paul Simmons Deborah M Weissman Melissa W Wright *When Men Murder Women* R. Emerson Dobash, Russell P. Dobash, 2015-04-29 In the United States and Great Britain 20 30% of all homicides involve the killing of a woman by a man In *When Men Murder Women* Dobash and Dobash two seasoned researchers and longtime collaborators in the study of violence against women reveal what they learned from a three year study that included 866 homicide case files and 200 in depth interviews with murderers in prison They focus on intimate partner murder sexual murder and the murder of older women and compare each of these three types with those in which men murder other men Each type is examined in depth and detail in a separate section that begins with an overview of relevant research and is followed by a comprehensive examination of the murder event and the lifecourse of the perpetrators There has never before been a comprehensive book that has covered the entire scope of homicide cases in which men murder women The result is this essential text for students professionals policy makers and researchers studying violence gender and crime **Sexual Homicide of Women on the U.S.-Mexican Border** Sara Schatz, 2016-10-21 This volume focuses on the specific relationship between the institutional impunity lack of public safety and public space in failing to prevent organized sexual murder The murder of women on the U S Mexican border is a complex phenomenon with multiple geographic economic political sociological and psychological causes

Masters of War Carl Boggs, 2013-10-11 Few United States citizens conceive of their country as an empire but as the contributors to *Masters of War* convincingly argue the U S legacy of military power runs long and deep Often mobilized in the name of spreading democracy maintaining international order and creating the conditions for economic self determination constantly expanding global U S military power is difficult to characterize as anything but an imperialism bent on global domination However at the same time that the U S government hawks rhetoric of human rights and national sovereignty its dominion has begun breeding widespread resistance and opposition likely to make the twenty first century an era marked by sustained and generally unanticipated blowback Presenting a wide range of essays by some of the anti war movement s most vocal and incisive critics *Masters of War* reminds us that worldwide economic and military dominance has its price both globally and domestically **Rural Criminology in Global Perspective** Matt Bowden, Gorazd

Meško, 2025-01-30 This timely collection crosses international boundaries to highlight criminological issues with a rural focus Using a variety of different perspectives the contributors offer lessons from research on rural crime justice and security from the seven continents with a macroscopic perspective on issues of international concern The book identifies the global context in which rural crime takes place presenting insights on crime prevention safety and security to students researchers policymakers and practitioners Performances that Change the Americas Stuart Alexander Day, 2021-09-16 This collection of essays explores activist performances all connected to theater or performance training that have changed the Americas from Canada to the Southern Cone Through the study of specific examples from numerous countries the authors of this

volume demonstrate a crucial shared outlook they affirm that ordinary people change the direction of history through performance This project offers concrete compelling cases that emulate the modus operandi of people like historian Howard Zinn In the same spirit the chapters treat marginal groups whose stories underscore the potentially unstoppable and transformative power of united embodied voices This book will be of great interest to students and scholars of theatre performance art and politics The Handbook of Homicide Fiona Brookman,Edward R. Maguire,Mike Maguire,2017-03-16 The Handbook of Homicide presents a series of original essays by renowned authors from around the world reflecting the latest scholarship on the nature causes and patterns of homicide as well as policies and practices for its investigation and prevention Includes comprehensive coverage of the complex phenomenon of homicide and its various forms Features original contributions from an esteemed team of global experts and scholars with chapters highlighting the authors original research Represents the first internationally focused collection of the latest research on the nature and causes of homicide Covers both the causes and dynamics of homicide as well as policies and practices intended to address it **forum for inter-american research Vol 3** Wilfried Raussert,2023-07-20 Volume 3 of 6 of the complete premium print version of journal forum for inter american research fiar which is the official electronic journal of the International Association of Inter American Studies IAS fiar was established by the American Studies Program at Bielefeld University in 2008 We foster a dialogic and interdisciplinary approach to the study of the Americas fiar is a peer reviewed online journal Articles in this journal undergo a double blind review process and are published in English French Portuguese and Spanish

Encyclopedia of Gender and Society Jodi O'Brien,2009 Provides timely comparative analysis from internationally known contributors **Female Crime and Delinquency in Portugal** Sílvia Gomes,Vera Duarte,2018-05-04 This book compiles research on female crime and delinquency in Portugal in order to critically and reflectively explore interdisciplinary views on the link between gender crime and delinquency Contributions are organized into two main parts with Part I dedicated to the relationship between women and crime and Part II focused on female juvenile delinquency Through the exploration of girls and women s relationships with delinquency and crime as well as with the justice system this original and compelling collection highlights the heterogeneity of girls and women s experiences whilst also underlining the convergences and divergences between them Ultimately Gomes and Duarte argue that understanding how women and girls explain their offending behaviours and how they relate to the criminal justice system is of the utmost importance for reforming social and legal policies As such this book will be of value not only for students researchers and professionals of the social behavioural and criminal sciences but also for policy makers seeking to provide greater efficiency in preventing crime and delinquency

The Struggle for Freedom from Fear Alison Brysk,2018-08-08 How can we understand and contest the global wave of violence against women In this book Alison Brysk shows that gender violence across countries tends to change as countries develop and liberalize but not in the ways that we might predict She shows how liberalizing authoritarian countries and

transitional democracies may experience more shifting patterns and greater levels of violence than less developed and democratic countries due to changes and uncertainties in economic and political structures Accordingly Brysk analyzes the experience of semi liberal developing countries at the frontiers of globalization Brazil India South Africa Mexico the Philippines and Turkey to map out patterns of gender violence and what can be done to change those patterns As the book shows gender violence is not static nor can it be attributed to culture or individual pathology rather it varies across a continuum that tracks economic political and social change While a combination of international action law public policy civil society mobilization and changes in social values work to decrease gender violence Brysk assesses the potential limits and balance of these measures Brysk shows that a human rights approach is necessary but not sufficient to address gender violence and that insights from feminist and development approaches are essential Femicide and the Law Hava Dayan,2018-06-12 This book explores femicide and scrutinizes the three key American criminal doctrines usually applied in its cases provocation the felony murder rule self defence The book also explores the influence of the American Model Penal Code and proposes connected to the various criminal doctrines applicable to femicide a focused and detailed amendment to the Code containing unique features and a formula providing a socio legal response to issues that the author believes have not yet been adequately addressed Though primarily focused on femicide in America the issues discussed are of global relevance due to the tragically widespread nature of femicide and the book also makes significant contributions to the legal discourse of many other countries with similar legal structures **Israel and South Africa** Ilan Pappé,2015-10-15 Within the already heavily polarised debate on the Israeli Palestinian conflict parallels between Israel and apartheid South Africa remain highly contentious A number of prominent academic and political commentators including former US president Jimmy Carter and UN Special Rapporteur John Dugard have argued that Israel s treatment of its Arab Israeli citizens and the people of the occupied territories amounts to a system of oppression no less brutal or inhumane than that of South Africa s white supremacists Similarly boycott and disinvestment campaigns comparable to those employed by anti apartheid activists have attracted growing support Yet while the apartheid question has become increasingly visible in this debate there has been little in the way of genuine scholarly analysis of the similarities or otherwise between the Zionist and apartheid regimes In Israel and South Africa Ilan Pappé one of Israel s preeminent academics and a noted critic of the current government brings together lawyers journalists policy makers and historians of both countries to assess the implications of the apartheid analogy for international law activism and policy making With contributors including the distinguished anti apartheid activist Ronnie Kasrils Israel and South Africa offers a bold and incisive perspective on one of the defining moral questions of our age
