**Carole Pateman**

## **Feminism And Political Theory:**

**Feminism and Political Theory** Judith Evans, 1986 Conference papers political theory women UK womens rights womens organizations political participation Bibliography

**Feminism and Political Theory** Political Studies Association of the United Kingdom Annual Conference, 1986

*Nietzsche, Feminism, and Political Theory* Paul Patton, 1993 A collection of twelve outstanding essays applying Nietzsche's work to current debates in feminist and political theory It focuses on the way that Nietzsche has become an essential point of reference for postmodern ethical and political thought

*Revisioning The Political* Nancy J Hirschmann, 2018-03-05 Feminist scholars have been remaking the landscape in political theory and in this important book some of the most important feminist political theorists provide reconstructions of those concepts most central to the tradition of political philosophy The goal is nothing less than the construction of a blueprint for a positive feminist theory Many of these papers are completely new others are extensions of important earlier work two are reprints of classic papers The result is a progress report on the continuing feminist project to reenvision traditional political theory As such it constitutes essential reading not only for feminist thinkers but also for traditional philosophers and political theorists who will need to come to terms with these contemporary critiques and readings

*Reconstructing Political Theory* Mary Lyndon Shanley, Uma Narayan, 1997 In this volume a companion to *Feminist Interpretations and Political Theory* Penn State 1991 edited by Mary Lyndon Shanley and Carole Pateman leading feminist theorists rethink the traditional concepts of political theory and expand the range of problems and concerns regarded as central to the analysis of political life Written by well known scholars in philosophy political science sociology and law the book provides a rich interdisciplinary account of key issues in political thought While some of the chapters discuss traditional concepts such as rights power freedom and citizenship others argue that topics less frequently discussed in political theory such as the family childhood dependency compassion and suffering are just as significant for an understanding of political life The Introduction shows how such diverse topics can be linked together and how feminist political theory can be elaborated systematically if it takes notions of independence and dependency public and private and power and empowerment as central to its agenda

*The Disorder of Women* Carole Pateman, 1989 Carole Pateman is one of the leading political theorists writing today This wide ranging volume brings together for the first time a selection of her work on democratic theory and feminist criticism of mainstream political theory The volume includes substantial discussions of problems of democracy citizenship and the welfare state including the largely unrecognized difficulties surrounding women's participation The inclusion of essays from both a mainstream and feminist perspective provides concrete examples of the differences between these two approaches to democracy to questions of consent and political obligation and to the relationship between the private and public spheres This scholarly and highly challenging work will be of interest to students and researchers in political theory political science women's studies and sociology

*Feminist Interpretations and Political Theory* Carole Pateman, Mary Lyndon Shanley, 1991 This volume brings

together exciting and provocative new feminist readings of famous classic and contemporary texts from Plato to Habermas The collection also includes examinations of the writings of Mary Wollstonecraft and Simone de Beauvoir that are usually excluded from the works conventionally held to comprise Western political thought The essays raise fundamentally important questions about the significance of sexual difference in the great works of political theory and draw attention to neglected arguments and silences in the texts No single feminist view of either the texts or the theoretical way forward informs these essays A wide diversity of feminist approaches and theoretical frameworks are represented forming a rich variety of interpretations and argument about such questions as the patriarchal construction of central political categories the relation between public and private life and the problem of equality and difference including differences among women This refreshing and stimulating collection will be indispensable for students of political thought and offers all those interested in the connection between the classic writings and current political discussions as accessible introduction to feminist argument

**Gender in Political Theory** Judith Squires, 2013-05-28 This wide ranging and accessible book provides a thorough overview of the key debates in gender and political theory *Conversations with Feminism* Penny A. Weiss, 1998-03-19 Applying the idea of conversation broadly Penny A Weiss offers a collection of essays that are either constructed dialogues letters or discussions about voice and silencing Conversation emerges as both a theory and a method of feminist political inquiry and practice The most vocal participants in Weiss conversations are historical political thinkers both within the Western canon Plato Aristotle Machiavelli Rousseau and beyond its confines Astell Coopers Wollstonecraft de Pizan Other figures appear as well from Anita Hill and U S Supreme Court justices to the author's own students and children Conflicts between feminists and anti feminists frame some essays while others represent debates within feminism This unique collection is unified by a commitment to dialogue as a part of feminist ethics strategy and pedagogy and builds upon the belief that a conversational approach does not preclude disagreement or contrasting stories but requires them *Conversations With Feminism* is an important book for students and scholars of political theory philosophy and women's studies *The impact of feminism on political concepts and debates* Georgina Blakeley, Valerie Bryson, 2024-06-04 Many feminists have engaged with the man made concepts and approaches of traditional political analysis to produce an increasingly sophisticated and wide ranging body of thought The starting point of this book is the belief that such work is not simply something for the girls rather it has profound and complex implications without which our understanding of political processes and ideas would be impoverished This book provides an accessible overview and assessment of the impact of recent feminism by bringing together leading feminist and pro feminist political theorists and analysts to focus on key concepts such as rationality citizenship democracy and democratisation development and empowerment Each chapter takes a mainstream concept and examines both the critical debates around it and feminist reactions critiques It then analyses the significance and implications of feminism for the concept considers whether it can simply be extended to include women or

whether it should be radically transformed or even abandoned and assesses whether feminist input has become part of the mainstream debate or remains marginalised

**Women in Political Theory** Diana H. Coole, 1993 This book Looks at how misogyny and western political thought were intertwined in their origins and how this relationship has worked itself out through the classic texts of traditional and modern political theory In this revised edition the analysis of these texts is accompanied by a new introduction and conclusion which bring the debates on this topic up to date The concluding chapter examines contemporary feminist theory by discussing poststructuralist and postmodernist themes which allows for a reappraisal of the critical perspective

**Configurations of Masculinity** Christine Di Stefano, 2019-07-15 In this pathbreaking book Christine Di Stefano offers a new perspective on the dimension of gender in modern political thought in order to elucidate what is specifically masculine in political theory Attempting to clear some conceptual space for feminist political theory Di Stefano provides innovative readings of Hobbes Marx and J S Mill

**Feminism & Political Theory** Cass R. Sunstein, 1990-01 This volume collects some of today's most original and important work at the intersection of feminism and political theory A representative and wide ranging set of readings on feminist political thought the authors provide large scale critiques and in some instances reconstructions of important strains in political thought including notions of equality rights based justice and contract theories The fourteen essays are organized around four major themes The Question of a Different Voice Care Justice and Rights Equality and Inequality in Politics and Elsewhere Coercion versus Consent Public versus Private and Sexuality and Trust and Responsibility

**Gender and Political Theory** Mary Hawkesworth, 2019-03-05 Western political theory typically incorporates certain assumptions about sex and gender as natural unvarying and pre political This book critically examines these assumptions and shows how recent scholarship undermines the illusion that bodies exist outside politics and beyond the reach of the state Leading political theorist Mary Hawkesworth's cutting edge intersectional account demonstrates how popular conceptions of human nature public and private citizenship liberty the state and injustice relegate women people of color sexual minorities and gender variant people to inferior status despite constitutional guarantees of equality before the law Hawkesworth argues that traditional political theory has contributed to the perpetuation of pernicious forms of injustice by masking the state's role in the creation of subordinated and stigmatized subjects The book draws insights from critical race feminist postcolonial queer and trans theory to give a compelling original and highly readable introduction to historical and contemporary debates on gender and political theory for students

**Modern Political Theory and Contemporary Feminism** Jennifer Ring, 1991-09-07

**Feminist Political Theory** Valerie Bryson, 1992

**Gender, Class, and Freedom in Modern Political Theory** Nancy J. Hirschmann, 2008 Examines the gender and class foundations of the modern understanding of freedom

**The Subject of Liberty** Nancy J. Hirschmann, 2009-01-10 This book reconsiders the dominant Western understandings of freedom through the lens of women's real life experiences of domestic violence welfare and Islamic veiling Nancy Hirschmann argues that the typical approach to

freedom found in political philosophy severely reduces the concept's complexity which is more fully revealed by taking such practical issues into account Hirschmann begins by arguing that the dominant Western understanding of freedom does not provide a conceptual vocabulary for accurately characterizing women's experiences Often free choice is assumed when women are in fact coerced as when a battered woman who stays with her abuser out of fear or economic necessity is said to make this choice because it must not be so bad and coercion is assumed when free choices are made such as when Westerners assume that all veiled women are oppressed even though many Islamic women view veiling as an important symbol of cultural identity Understanding the contexts in which choices arise and are made is central to understanding that freedom is socially constructed through systems of power such as patriarchy capitalism and race privilege Social norms practices and language set the conditions within which choices are made determine what options are available and shape our individual subjectivity desires and self understandings Attending to the ways in which contexts construct us as subjects of liberty Hirschmann argues provides a firmer empirical and theoretical footing for understanding what freedom means and entails politically intellectually and socially

**Feminist Political Theory** Valerie Bryson, 2016-01-01 Feminist theory is a challenging and often deeply divided body of thought that raises issues which affect us all In this her third edition of the highly successful *Feminist Political Theory* Valerie Bryson provides both a wide ranging history of Western feminist thought from medieval times to the present day and a lucid analysis of contemporary feminist politics and debates Fully updated to cover the latest feminist scholarship throughout this timely new edition provides an accessible and thought provoking exploration of complex theories related to real life issues such as sexual violence political representation transgender rights cyberfeminism and globalisation With unrivalled scope depth and accessibility this new edition of Valerie Bryson's *Feminist Political Theory* is set to be the go to text on feminism for students and researchers or indeed anyone interested in gender justice

## **Feminism And Political Theory Introduction**

In today's digital age, the availability of Feminism And Political Theory books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Feminism And Political Theory books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Feminism And Political Theory books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Feminism And Political Theory versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Feminism And Political Theory books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Feminism And Political Theory books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Feminism And Political Theory books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to

borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Feminism And Political Theory books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Feminism And Political Theory books and manuals for download and embark on your journey of knowledge?

### **FAQs About Feminism And Political Theory Books**

1. Where can I buy Feminism And Political Theory books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Feminism And Political Theory book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Feminism And Political Theory books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Feminism And Political Theory audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
