## **Feminism And Christianity A Two Way Reflection:**

**Feminism & Christianity** Denise Lardner Carmody, 1991 Seeking to uncover the places where feminism and Christianity taken as deep spiritual paths converge the author shows that theism adds a dimension to life that the feminist movement needs Conversely she points out that Christianity can benefit from some of the messages that feminists are projecting She focuses on the dimensions of divinity theology self psychology society sociology and nature ecology Her balanced perspective should appeal to both feminists and Christians of both sexes Originally published in 1982 by Abingdon Press

**Feminist Biblical Interpretation in Theological Context** J'annine Jobling, 2020-09-10 This title was first published in 2002 The premise of the text is that there is a continuing need for biblical hermeneutic proposals and frameworks which emerge from the fields of both feminism and Christian theology Feminism the author asserts demands not only the plotting of new routes but the restructuring of entire landscapes As such this project since it seeks to develop a feminist theological frame for meaning impinges on and is impacted by innumerable inter relating questions In consequence the scope of the book is necessarily both broad and interdisciplinary The author J'annine Jobling uses particular texts and has articulated her own positions in response In this way the embodied practice of thinking in relation is mirrored in the texts produced This has determined the macro structure of the thesis which is based on an analysis of two feminist biblical scholars Elisabeth Schussler Fionenza and Phyllis Trible From this analysis Jobling identifies two primary principles for interpretation remembrance and destabilization This is a strategy which allows both materialist and post structuralist perspectives to be set into play each of which has vital contributions to make to feminist enterprises The Bible is understood as matrix as a set of discourses which are permeable to and intersect with other cultural discourses The task of feminist interpretation is then to reconstitute the heterogeneous biblical matrix in feminist horizons A fundamental tenet of the book is that hermeneutics inhabits particular metaphysical constructs Therefore the argument extends from an interpretation of the Bible to an epistemological framework in which an eschatological hermeneutic is recommended to a metaphysical framework which takes eschatology as its structuring principle The author argues that it is eschatology which can provide the resources for an ontological model radically disruptive of a metaphysics of presence and in which it is possible to discern the traces of God From this outermost limit of the author's hermeneutic investigations the text returns to the centre the feminist discursive community and develops a construct that the ekklesia as a feminist deliberative space set oppositionally to structures worldviews and ideologies operates on patriarchal logics The relationship of this imagined community is compared to the Christian Church and scripture ethics and gendered identity within a logic of equity

**A Dictionary of Philosophy of Religion, Second Edition** Charles Taliaferro, Elsa J. Marty, 2018-01-25 A Dictionary of Philosophy of Religion is an indispensable resource for students and scholars Covering historical and contemporary figures arguments and terms it offers an overview of the vital themes that make philosophy of religion the growing vigorous field that it is today It covers world

religions and sources from east and west Entries have been crafted for clarity succinctness and engagement This second edition includes new entries extended coverage of non Christian topics as well as revisions and updates throughout The first edition was named a Choice Outstanding Academic Title of the Year

Women and the Genesis of Christianity Ben Witherington (III), Ben Witherington, 1990-06-29 This book presents in as clear a way as possible the New Testament material dealing with women and their roles in the context of the movement Jesus began Dr Witherington begins by illustrating the roles of women in Judaism in the Hellenistic world and in the Roman Empire She goes on to show how Jesus broke significantly with convention in the way he viewed women and their roles offering as he did a wholly new conception of the legitimate rights of women in society An analysis follows of the apostle Paul s attitude toward women which shows how he agreed with and differed from the ideas of his contemporaries The concluding chapters discuss the evangelists whose selection and presentation of material with respect to women casts much light on the early Church s understanding of women and their roles This comprehensive survey which avoids slanting its material to serve a modern patriarchal or feminist bias comes to the exciting conclusion that we can see in the New Testament an attempt to reform the patriarchal orientation of the day

**Evangelical Christian Women** Julie Ingersoll, 2003-12 Evangelical Christian Women draws on two years of ethnographic research nationwide to shed new light on the gender conflict faced by women in evangelical Christianity

A Dictionary of Philosophy of Religion Charles Taliaferro, 2010-08-19 A Dictionary of Philosophy of Religion is an indispensable resource for students and scholars Covering historical and contemporary figures arguments and terms it offers an overview of the vital themes that make philosophy of religion the growing vigorous field that it is today It covers world religions and sources from east and west Entries have been crafted for clarity succinctness and engagement Named a Choice Outstanding Academic Title 2011

*Gustavo Gutierrez* Robert McAfee Brown, 2013-03-01 Here is a definitive introduction to liberation theology through the life and work of its most significant proponent Gustavo Gutierrez Robert McAfee Brown draws extensively on Gutierrez s own writings some never published in English and on personal conversations with him Brown clearly and compellingly presents the basics of liberation theology and the differences between North American and Latin American theologies The form of Gustavo Gutierrez is that of a drama Brown s initial program notes introduce and situate the author the actors the critics He sets the stage with a history of church and state in Latin America and introduces its definitive figures themes and milestones A collective biography of Gutierrez s spiritual predecessors is followed by a biography of Gutierrez himself which takes critical account of his works Then we are ready dramatically and theologically to move to the first act that of commitment to the poor The second act in two scenes explores first liberation theology s method of critical reflection on praxis and also its content nothing less than the Word of God Brown delves next into the controversies and criticisms Gutierrez faces especially the challenges from authorities in Rome Finally in act three readers discover that in this particular drama they too are on stage and must take part by reflecting on what this drama really means for them

Pedophiles and Priests Philip Jenkins, 2001-08-30 If we can believe the six o'clock news there has been an epidemic of sexual abuse among the clergy and especially among the Roman Catholic clergy This study looks at the entire history of this mushrooming scandal from the first rumblings to the explosion of headlines Provided by publisher Liberating Tradition

(Renewed Minds) Kristina LaCelle-Peterson, 2008-04-01 Kristina LaCelle Peterson seeks both to affirm the central place of Scripture in the Christian life and to highlight the liberating nature of the gospel for both men and women To do this the author considers the biblical ideal for human beings and then proceeds to offer a biblical foundation for each of the topics under discussion identity body image personal relationships marriage church life and language for God Along the way she examines the cultural nature of gender roles and the ways in which they have become entangled with ecclesial expectations This book will help women better appreciate themselves as women gain a better understanding of their value in God's eyes and recognize their potential for meaningful engagement in a variety of relationships and vocational callings **Liberation**

**Theologies** Ronald G. Musto, 2020-11-25 First Published in 1991 The following is a comprehensive scholarly bibliography of published materials on the varieties of liberation theology mostly in book form available in English It is intended as an introductory survey to this vast and quickly expanding field for the teacher and student of contemporary theology of biblical hermeneutics and to the interrelationship of politics and religion around the world It will also serve as a comprehensive bibliography Feminist Theology Ann Loades, 1990-01-01 This timely selection of readings represents the work of some of the best and most influential writers the Christian feminist movement has produced both in Britain and America With its helpful introduction and editorial commentary it will be warmly welcomed by all who wish to be better informed about the wide range of key theological issues now being addressed by feminist thinkers Voices and Echoes Jo-Anne Elder, Colin

O'Connell, 2010-10-30 Every time we raise our voices we hear echoes Jo Anne Elder from the Foreword Through short stories journal entries and poetry the women in Voices and Echoes explore the changing landscape of their spiritual lives Experienced writers such as Lorna Crozier Di Brandt and Ann Copeland as well as strong new voices appear to speak to each other as they draw from a wealth of personal resources to find a way to face life's questions and discover meaning in their lives There is something familiar about these stories and poems they echo those we've heard before and those we've half forgotten Whether they search for a voice in a world where men monopolize or journey into painful memories to free the self from the past they do not despair they do not end Individual entries become the whole story an unending story of rebirth and reaffirmation The book begins with an illuminating foreword that introduces readers to the cultural and philosophical background of many of the stories and concludes with the reflections of scholars writers and artists that are intended to provoke further discussion **Faith Seeking Understanding** John M. Shackleford, 2007 Faith Seeking Understanding promotes the idea that one can approach an understanding of God through the study of science Religious faith and scientific inquiry should not be seen as competitors diametrically opposed to each other but as complementary ways to assist the

human quest for knowledge and deeper meaning of existence Science is viewed primarily as a gift from God The author with his background in both science and theology provides the reader with an understanding of human participation in God s creation John Shackleford explores the scientific evidence for a personal loving God in a positive dialogue between Christian faith and science that will be thought provoking for college and university students along with those interested in how science and religious faith intersect **BOOK JACKET      The Making of American Liberal Theology** Gary J.

Dorrien,2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom      *Fire of Love* Donald Goergen,2006 Fire of Love invites us to recognize the power and

ever expanding presence of the Spirit in our own lives in the life of the church in the religious traditions of the world in the world itself and in God s evolving creation The author maintains that the whole world including the wider creation and cosmos is the Spirit s sphere of influence Augustine and Aquinas the Hebrew prophets and the Hindu Upanishads Gandhi and Muhammad Teilhard de Chardin and theologians of the Eastern Orthodox traditions all enter the conversation as this book challenges us to pay greater attention to the Spirit in the mysterious workings of our lives **BOOK JACKET      Handmaidens**

**of the Lord** Elaine J. Lawless,2015-08-05 Includes life histories of four women preachers transcriptions of sermons and analysis by Lawless of both life stories and sermons      **In the Path of the Masters** Denise Lardner Carmody,John Tully Carmody,2015-05-20 Reflecting on the legacy of four great religious figures this book places each in their historical context offers glimpses of what they were like personally assesses how they saved their followers from confusion and traces each religious tradition after its founder s death      Till the Heart Sings Samuel L. Terrien,2004 Samuel Terrien systematically

shows that when the books of the Old and New Testaments are viewed in their historical growth they reveal a theology of manhood and womanhood that runs counter to modern religious attitudes and practices      *Protestant Christianity in the Indian Diaspora* Robbie B. H. Goh,2018-02-08 This is the first comprehensive study of Protestant Christian religious identities in the Indian diaspora Using qualitative interview methods Robbie B H Goh captures the experiences of Indian Protestants in ten different countries and regions describing how Indian communal Christian identities are negotiated and transformed in a variety of diasporic contexts ranging from Canada to Qatar Goh argues that Christianity in India developed within discrete

and varied ecologies translates in the diaspora into a model of small communal churches that struggle with issues of community maintenance evangelical growth and Pentecostal influences He looks at the significance of Christianity's abject position in India the interplay and tension between evangelicalism and Pentecostalism Pentecostalism's insistence on religious endogamy particularly among women intrareligious differences along generational lines the actions of Hindutva hard line elements and other factors in the construction and transformation of diasporic religious identities and affective attachments to India

**God as Symbol** John M. Shackleford, 2004 Although this work is written from a Christian viewpoint it also presents the symbolic visions of the non believer The symbolic examination of God helps us to uncover what it means to be human and where we are heading as a species Symbols aid in conveying the abstract ideas that human languages are too limited to express In the broadest sense God symbolizes all the mysteries of existence Any thinking person must ask the question what is the ultimate significance of this frail and vulnerable flesh that clothes the human ego God symbolizes these important mysteries and beckons us to approach him for answers
