**Love in Every Season** Debra Fileta,2020-01-14 An Invitation to Love Well Through the Four Seasons

Every relationship goes through four life changing seasons that play a pivotal role in taking your relationship to the next level But depending on how you navigate each season your relationship will either strengthen and grow or it will slowly begin to fade Maybe your relationship is in the first blooms of spring when friendship takes root and attraction blossoms Maybe you re in the season of summer and things are starting to heat up spiritually emotionally and physically Maybe you re deep in fall and your true colors are starting to shine through Or maybe you re in winter when the passion cools down and it would be all too easy to let the relationship freeze over Whether you re single dating engaged or married join author counselor and relationship expert Debra Fileta creator of TrueLoveDates com as she takes you on an eye opening psychological and spiritual journey through the four seasons of every healthy relationship You ll learn to Recognize each season as it comes and navigate it with intention focus and practical steps Avoid the pitfalls of each stage by preparing for the hard moments and seeing them as opportunities to grow and connect Celebrate not just the magical moments of each season but the day to day choices that pave the way for a lasting relationship No matter what your relationship status you re invited on a journey to strengthen and grow your love in every season **Love Is** Jefferson Bethke,Alyssa Bethke,2022-01-25 Retitled repackaged

and including new content Love Is delivers a compelling message that urges Christians to reject the distorted views of love that have damaged our hearts minds and souls and to embrace God s biblical definition of what love truly is So many young people enter adulthood with expectations of blissful dating followed by a romantic marriage but then discover they ve been duped Because they learned about love and sexuality from faulty sources social media their friends Disney fairy tales pornography or even their own rocky past they have no idea what healthy lifelong love is supposed to be like The results are often disastrous with this generation becoming one of the most relationally sick sexually addicted and divorce ridden in history Looking to God s design while drawing lessons from their own successes and failures the Bethkes explode the fictions and falsehoods that have led to broken relationships One by one they peel back lies that include the belief that every person has only one soul mate that marriage will complete you and that pornography and hook ups are harmless Drawing from Jeff s prodigal son personal history and from Alyssa s True Love Waits experience the Bethkes blend personal storytelling with biblical teaching to offer readers an inspiring realistic vision of love dating marriage and sex Including a new chapter filling readers in on the Bethke s married relationship today this updated edition offers a solidly biblical view of romantic love

**Life After Love** Brenda Walbey-Ross,2019-05-06 Sometimes your heart needs more time to accept what your mind

already knows These words illuminate what sometimes happens when we are victims of a domestic violence relationship and are blinded by the love and emotional attachment that we feel for our partner Although red flags are beating us to a bloody pulp we trudge on sidestepping the puddles of blood that surround us while we either tell ourselves that if we just hang in there the situation will miraculously get better or if we can just be better ourselves and not push our partner's buttons our relationship will calm down and all will be well Fact check the problem is not about the victim it is about the perpetrator of the abuse Life After Love is all at the same time a love story a scary story and a cautionary tale The storyline is an anecdotal account of my own life in a domestic violence relationship explaining why I define it as a love story a scary story and a cautionary tale It is also spliced with statistics and theories to provide factual evidence of the causes and repercussions of abusive domestic relationships The most important part of the account is to assure the reader that although it may be difficult to navigate a way out of the abuse and to escape the erratic roller coaster ride that the relationship could be compared to and if allowed to do so the heart will eventually accept what the mind already knows and conclude that there is life after love My hope is that those reading my book and find their relationship mirroring mine will allow my success story to become their success story
