**Republic Lost** Billy Ray Wilson, 2011-09-16 The founders of this great nation were learned men and women whereas their words in the Declaration of Independence and the US Constitution as applicable today as they were in 1776 EQUALITY LIFE LIBERTY AND THE PURSUIT OF HAPPINESS Whenever any from of government becomes destructive to these ends it is the right of the people to alter or to abolish it and to institute new government Thomas Jefferson I am mortified to be told that in the United States of America the sale of a book can become a subject of inquiry and of criminal inquiry too Thomas Jefferson RELIGION All national institutes of churches whether Jewish Christian or Turkish appear to me no other than human inventions set up to terrify and enslave mankind and monopolize power and profit Thomas Paine The Christian religion is a parody on the worship of the sun which they put a man whom they call Christ in place of the sun and pay him the same adoration which was originally paid to the sun Thomas Paine Every American has the right or not to worship anything they choose as their religious entity however when that entity become superior in loyalty to the United States of America then the people must rise up and reestablish the dictates of the Declaration of Independence and the US Constitution Billy Ray Wilson      **The Republic of Republics** Bernard Janin Sage, 1881      **The Republic of Republics** Robert W. Suziedelis, 2011-02-07 The Lithuanian people have undergone historic changes quite different from those of other European nations In earlier centuries geography provided strategic advantage and opportunities for expansion but in recent times the country has more

often experienced location as a geopolitical curse After constantly losing territory and shrinking in size the country disappeared in 1795 However after World War I a popular national movement led to the restoration of Lithuania as an independent state World War II and its bloody aftermath brought foreign occupation as well as genocide mass murder and destruction unparalleled in the country s modern history The restoration of independence in 1990 has fundamentally altered Lithuania s geopolitical reality Integration into the European Union and the North Atlantic Treaty Organization promise a new level of security for the Lithuanian state in the 21st century even as the social and economic transformations present both promising opportunities and difficult challenges The second edition of the Historical Dictionary of Lithuania will serve as a useful introduction to virtually all aspects of Lithuania s historical experience including the country s relations with its neighbors This is done through a chronology an introductory essay an extensive bibliography and over 300 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets **The Christian Republic** ,1910 *Reports and Documents* United States.
