runs in - to Times Square. A cra - zy quilt that

Fortysecond Street

Benjamin Chesluk

Fortysecond Street:

42nd Street J. Hoberman, 1993-05 No Marketing Blurb The Story of 42nd Street Mary C. Henderson, Alexis Greene, 2008 Quick In the heart of little old New York you ll find a thoroughfare what is it Forty second Street of course In this entertaining book noted theater historian traces the rise and fall and rise of the street that symbolizes the Broadway experience The first theater went up in 1899 and by 1920 there were twelve stretching from avenue to avenue plus a flow of trolleys a subway stop at each end and a never ceasing bustle of activity in between The 1920s and 1930s were the golden age fueled by Hollywood movies and Damon Runyon stories then there were the war years when every American soldier and sailor paid a call After the war the slow decline of 42nd Street lined with peep shows symbolized decay In the 1990s as theaters were renovated the street was miraculously reclaimed The Story of 42nd Street captures the colorful characters shows scandals and stories of this uniquely American dreamscape *42nd Street* Rian James, James Seymour, 1980 This screenplay of 42nd Street along with Rocco Fumento s thorough and engrossing introduction takes the reader behind the scenes to see how the Warners studio took a dismal novel and working within severe financial constraints brought on by the Great Depression turned out a smash musical hit 42nd Street is a watershed film one that resuscitated the Hollywood musical during troubled times Yet 42nd Street wasn t merely a Depression tonic its multiple plot line was half comic half serious It was a fast paced energetic and the first musical not to shrink away from the fact that a Depression was going on The film is an odd and oddly successful fusion of the real with the fantastic **The Code of the City of Savannah of 1907** Savannah (Ga.), 1907 *Trade Promotion Series*, 1938 **Refrigeration Engineering**, 1922 English abstracts from Kholodil naia tekhnika *Money Jungle* Benjamin Chesluk, 2007-09-11 For more than a century Times Square has mesmerized the world with the spectacle of its dazzling supersigns its theaters and its often seedy nightlife New York City s iconic crossroads has drawn crowds of revelers thrill seekers and other urban denizens not to mention lavish outpourings of advertising and development money Many have hotly debated the recent transformation of this legendary intersection with voices typically falling into two opposing camps Some applaud a blighted red light district becoming a big budget mainstream destination Others lament an urban zone of lawless possibility being replaced by a Disneyfied theme park version of New York In *Money Jungle* Benjamin Chesluk shows that what is really at stake in Times Square are fundamental questions about city life questions of power pleasure and what it means to be a citizen in contemporary urban space Chesluk weaves together surprising stories of everyday life in and around the Times Square redevelopment tracing the connections between people from every level of this grand project in social and spatial engineering the developers architects and designers responsible for reshaping the urban public spaces of Times Square and Forty second Street the experimental Midtown Community Court and its Times Square Ink job training program for misdemeanor criminals encounters between NYPD officers and residents of Hell s Kitchen and angry confrontations between city planners and neighborhood activists

over the future of the area With an eye for offbeat telling details and a perspective that is at once sympathetic and critical Chesluk documents how the redevelopment has tried sometimes successfully and sometimes not to reshape the people and places of Times Square The result is a colorful and engaging portrait illustrated by stunning photographs by long time local photographer Maggie Hopp of the street life politics economics and cultural forces that mold America s urban centers
