Linescapes Hugh Warwick, 2017-05-04 Glorious Political passionate perceptive Robert Macfarlane An eye opening exploration of the lines that cut through our countryside from hedges to railways and a passionate manifesto for reconnecting wildlife Our landscape has been transformed by a vast network of lines from hedges and walls to railways and power cables In *Linescapes* Hugh Warwick unravels the far reaching ecological consequences of these changes As our lives and our land were fenced in and threaded together wildlife habitats were cut into ever smaller and increasingly unviable fragments Yet as Warwick travels across this linescape he shows that we can help our flora and fauna to flourish once again With his fresh and bracing perspective on Britain's countryside he proposes a challenge and gives ground for hope for our lines can and do contain a real potential for wildness and for wildlife
