Lion Christmas:

The Lion's Pride Edward J. Renehan Jr.,1999-12-09 In *The Lion's Pride* Edward J. Renehan Jr vividly portrays the grand idealism heroic bravery and reckless abandon that Theodore Roosevelt both embodied and bequeathed to his children and the tragic fulfillment of that legacy on the battlefields of World War I Drawing upon a wealth of previously unavailable materials including letters and unpublished memoirs *The Lion's Pride* takes us inside what is surely the most extraordinary family ever to occupy the White House Theodore Roosevelt believed deeply that those who had been blessed with wealth influence and education were duty bound to lead even perhaps especially if it meant risking their lives to preserve the ideals of democratic civilization Teddy put his principles and his life to the test in the Spanish American war and raised his children to believe they could do no less When America finally entered the European conflict in 1917 all four of his sons eagerly enlisted and used their influence not to avoid the front lines but to get there as quickly as possible Their heroism in France and the Middle East matched their father's at San Juan Hill All performed with selfless some said heedless courage Two of the boys Archie and Ted Jr were seriously wounded and Quentin the youngest was killed in a dogfight with seven German planes Thus the war that Teddy had lobbied for so furiously brought home a grief that broke his heart He was buried a few months after his youngest child Filled with the voices of the entire Roosevelt family *The Lion's Pride* gives us the most intimate and moving portrait ever published of the fierce bond between Teddy Roosevelt and his remarkable children *In Season* ,

The Lion Classic Christmas Stories Mary Joslin,2013 Collection of twelve stories that reflect the true spirit of

Christmas **Daniel in the Lion's Den** Daniel William Heard, 2011-11 The joy of writing Daniel In The Lion's Den is only surpassed by the daily joy of helping others as I go beside the patients and their families at Detroit Receiving Hospital. God is always with me as I work alongside the nurses and doctors in one of the busiest Emergency Departments in the United States. As I began my position as Patient Advocate in 2009, I took note daily of heart-wrenching stories, strength of faith at the darkest hours, and God's hand in healing. My wife Paula suggested that I keep a log of many of the stories that developed. Every night brought something new. I was in complete awe of our entire staff at Detroit Receiving Hospital, not only the doctors and nurses but the clerks, registration personnel, and security officers as well. Remarkably, I was widely accepted by that staff and soon felt very much at home as I worked beside them. The stories I have to tell are actual life and death accounts seen through the eyes of a Patient Advocate. The Emergency Department at Detroit Receiving Hospital can be horrifying, but it can also be a place of incredible mercy. It is a place of refuge for many who might be homeless, seriously ill, or injured. It is for some the last place they will ever visit alive. The pain and the grief here can be overwhelming, but as you read these stories, you will find joy and healing. God's work here is unmistakable. I hope you see His hand as I did, and just as Daniel did in the Biblical Lion's Den.

My Lion's Heart Gareth Patterson, 2014-09-15 Environmentalist, independent researcher, and author Gareth Patterson has spent his entire adult life working tirelessly for the greater protection of African wildlife and more particularly for that of the lion. Born in England in 1963, Gareth grew up in Nigeria and Malawi. From an early age, he knew where his life's path would take him; it would be in Africa, and his life's work would be for the cause of the African wilderness and its wild inhabitants. His is an all-encompassing African story. From his childhood in West and East Africa to his study of a threatened lion population in a private reserve in Botswana, to his work with George Adamson, celebrated as the Lion Man of Africa, we witness Gareth's growing commitment to his life's mission. This is nowhere more evident than in his account of his life as a human member of a lion pride, experiencing life and death through its eyes as he successfully rehabilitated three famous orphaned lion cubs back into a life in the wilds. At considerable risk to his own personal safety, he exposed the sordid canned lion industry in South Africa, bringing this shameful practice to international attention. After moving to the Western Cape, he took up the fight for the African elephant, notably the unique endangered Knysna population, and published his astonishing findings in his 2009 book *The Secret Elephants*. Perhaps unsurprisingly, given the stressful nature of his work, Gareth suffered a massive physical and mental breakdown in his forties, which he discusses here for the first time with an openness that underlines his courage. Lesser men might have been broken, but his lion's heart fought back, and he ultimately overcame his illness. Gareth Patterson's long-awaited autobiography is a moving account of one man's single-minded dedication to the preservation of Africa's wildlife. It is also a stark reminder that if the human race does not want to lose Africa's priceless wild heritage, there is no time to waste. The lion is my totem animal, and this is the story of my life in Africa for the lion.
