The Reconstruction of Lisbon Michael Colvin, 2008 This text exposes how Fado lyricists have appropriated popular novelist and playwright Julio Dantas forging of Mouraria fadista prostitute Maria Severa as a national heroine and the Fado as Portugal's national song to manifest a sub rosa criticism of the Estado Novo's demolition of the Mouraria between the 1930s and 1970s

Room 39 and the Lisbon Connection Anthony Wells, 2021-06-11 The introduction and the prologue detail quite explicitly what my novel is about My book is based on a true story and lead characters several of whom I knew personally in the late 1960s and early 1970s before they passed away I never did meet Ian Fleming the creator of the James Bond novels as he left the UK for the West Indies after the end of World War II My book is therefore a historical novel with hitherto largely untold aspects based on my own personal knowledge research and professional experience It's a great novel because as several reviewers have pointed out no one has ever told the story of how Room 39 Ian Fleming and his boss and colleagues worked to undermine the Nazis in Portugal and Lisbon specifically and the ending with the meeting in NYC with Wild Bill Donovan My novel shows how Fleming used his experiences in Room 39 as the basis for his postwar Bond novels

From Lisbon to Goa, 1500-1750 C.R. Boxer, 2024-10-28 These articles deal with the functioning and malfunctioning of the Carreira da India the

round voyages made between Portugal and its possessions in India that began after Vasco da Gama had opened up the route round the Cape of Good Hope in 1497-99. On such voyages was the Portuguese colonial empire built and these studies illustrate the conditions under which they operated: the ships, the crews, their navigation and their cargoes. For instance, details are given of the medicines carried on board and the hospital established at the way station of Moambique in an attempt to combat the perennial scourge of disease. The principal hazard, however, remained that of loss through shipwreck or enemy action, events all too common in the history of the Carreira, which are brought to life most vividly in the Portuguese literary classic, the *História Trágica Marítima*, the early printed editions of such tales form the subject of two of the articles and the backdrop to much of the volume.

Ten Journeys to Cameron's Farm Cameron Hazlehurst, 2013-11-11. In the whole history of government in Australia this was the most devastating tragedy. Three decades after what he called a dreadful air crash almost within sight of my windows Robert Menzies wrote I shall never forget that terrible hour I felt that for me the end of the world had come. *Ten Journeys to Cameron's Farm* tells the lives of the ten men who perished in Duncan Cameron's Canberra property on 13 August 1940: three Cabinet ministers, the Chief of the General Staff, two senior staff members and the RAAF crew of four. The inquiries into the accident and the aftermath for

the Air Force government and bereaved families are examined Controversial allegations are probed did the pilot F Lt Bob Hitchcock cause the crash or was the Minister for Air Jim Fairbairn at the controls Cameron Hazlehurst is a story teller one of the all too rare breed who can write scholarly works which speak to a wider audience In the most substantial original and authoritative account of the Canberra aircraft accident of August 1940 he provides unique insights into a critical poignant moment in Australian history Hazlehurst s account is touched with irony and quirks set within a framework of political social and military history distinctions of class education and rank and the machinations of parliamentary and service politics and of the official mind The research is meticulous and wide ranging the analysis is always balanced and the writing at once skilful and compelling This is a work of an exceptional historian Ian Hancock author of Nick Greiner A Political Biography John Gorton He Did It His Way and National and Permanent The Federal Organisation of the Liberal Party of Australia Ten Journeys to Cameron s Farm is a monumental work of historical research pegged on a single lethal moment at the apex of government at an extraordinarily sensitive time in Australia s history The book embodies top drawer scholarship deep sensitivity to antipodean class structures and sensibilities and a nuanced understanding of both democratic and bureaucratic politics Christine Wallace author of Germaine Greer Untamed Shrew and The Private Don the man behind the legend of Don Bradman *Cashing Out* Neill Lochery, 2023-11-07 When Nazis looked to flee Europe with stolen art gems and gold in tow certain neutral countries were all too willing to assist them By the end of January 1945 it was clear to Germany that the war was lost The Third Reich was in freefall and its leaders apart from those clustered around Hitler in his Berlin bunker sought to abscond before they were besieged But they wanted to take their wealth with them Their escape routes were diverse Sweden and Switzerland boasted proximity banking and industrial closeness while Spain and Portugal offered an inviting Atlantic coastline and shipping routes to South America And in various ways each of these so called neutral nations welcomed the Nazi escapees along with the clandestine wealth they carried *Cashing Out* tells the riveting history of the race to intercept the stolen assets before they disappeared and before the will to punish Germany was replaced by the political considerations of the fast approaching Cold War Bestselling author Neill Lochery here brilliantly recounts the flight of the Nazi looted riches the last great escape of World War II and the Allied quest for justice *Guide to the Turf* Ruff William, 1884 *The Naval Tracts of Sir William Monson in Six Books* Sir William Monson, 1902 *Publications of the Navy Records Society*, 1902 *Secret and Sanctioned* Stephen F. Knott, 1996 This eye opening account reveals that covert intelligence operations in the U S date much farther back than most people realize back to the Founding Fathers Detailing clandestine unscrupulous operations that took place under such presidents as Washington Jefferson Polk and Lincoln Knott reveals that presidents have rarely consulted Congress before engaging in such operations
