Listen I Create Me:

Helping Johnny Listen Thad Bergmeier, 2010-03-01 The preaching of God's Word happens tens of thousands of times each week across the world. As these sermons are given when the preacher is faithful to the text of the Scripture, it is as if God is speaking to the people of that given congregation. The question is: are people listening? Listening to preaching is more than showing up, sitting still, or even nodding one's head. It is taking that which is preached and applying it to life. **Helping Johnny Listen** is a book designed to help the average person who sits in the average church on the average Sunday take full advantage of the sermons they hear so that they are able to live what they hear. **Listenary Listening** Wilma

Zalabak, 2023-10-31 Did you ever say, "Please just listen to me"? Many people carry that plea deep inside if not spoken aloud. You already have the equipment to meet this need, and here is your training. You can help heal the worst long-haul disease left by the pandemic: feelings of isolation and fear at previously unmatched intensities. This is your handbook for what to say and what not to say, organized so you can find quickly what you want. There are nine ideas to keep from getting bored while listening, four safety issues in gift listening, four ways language impacts listening, six different kinds of difficult listening situations, and seven tools for disabling systemic pervasive anxiety. Forty-five chapters, like the titles already listed, populate **Book I**, a complete training course for use in any setting. In **Book II**, the stories of Jesus's seven metaphors, seven signs, and more on listening from the Gospel of John illustrate the topics of **Book I**. Here is divine inspiration and enablement to spread the healing gift of listening. **Listen to Your Life** Valorie Burton, 2009-02-19 A Better Life Is Calling. Are you ready to answer?
