Emily Bronte:

Emily Brontë Robert Barnard, 2000 This illustrated biography examines the life and legacy of Emily Bronte The enigma that a young woman from such a closed and protected environment as a Yorkshire rectory could write the wildly romantic and complex Wuthering Heights has long been a source of fascination Largely self educated Emily spent most of her life at the rectory in Haworth Her solitary instincts are well known and the biographer's task has been made no easier by her refusal to give anything of herself away to anyone during her lifetime Robert Barnard examines her insulated childhood and the stories of Gondal and Angria leading to the lyrical poems of her twenties which prefigure the raw intensity of Wuthering Heights He demonstrates that many aspects of Wuthering Heights were shaped or stimulated by her own experiences many of which can be traced to real examples He also refers extensively to other critical sources from early reviews of Wuthering Heights to Mrs Gaskell's appraisal of Emily's stern selfishness to Juliet Barker's recent biography of the Bronte family

1842 Emily commenced work as a governess at Miss Patchett's Ladies Academy at Law Hill School near Halifax leaving after about six months due to homesickness. Later with her sister Charlotte she attended a private school in Brussels. They later tried to open up a school at their home but had no pupils. It was the discovery of Emily's poetic talent by Charlotte that led her and her sisters Charlotte and Anne to publish a joint collection of their poetry in 1846: *Poems by Currer Ellis and Acton Bell*. To evade contemporary prejudice against female writers the Brontë sisters adopted androgynous first names. All three retained the first letter of their first names: Charlotte became Currer Bell, Anne became Acton Bell, and Emily became Ellis Bell. In 1847 she published her only novel *Wuthering Heights* as two volumes of a three-volume set, the last volume being *Agnes Grey* by her sister Anne. Its innovative structure somewhat puzzled critics. Although it received mixed reviews when it first came out, the book subsequently became an English literary classic. In 1850 Charlotte edited and published *Wuthering Heights* as a stand-alone novel and under Emily's real name. Like her sisters, Emily's health had been weakened by the harsh local climate at home and at school. She caught a chill during the funeral of her brother in September and, having refused all medical help, died on December 19, 1848, of tuberculosis, possibly caught from nursing her brother. She was interred in the Church of St Michael and All Angels, family capsule, Haworth, West Yorkshire, England.

Summary of the Book 1

The plot of the summary of *Wuthering Heights* is of England during the early 19th century. Mr Lockwood is living on rent in the estate called Thrushcross Grange. He visited twice his landlord Mr Heathcliff's residence at a nearby manor called *Wuthering Heights*. During his second visit, Lockwood meets some mysterious residents of *Wuthering Heights*. Lockwood asks the housekeeper Nelly to know about Heathcliff and the *Wuthering Heights*. Then Nelly recalls a complicated story of two families: the Earnshaws and the Lintons.

2 Mr Earnshaw was the owner of *Wuthering Heights* and having two children, Hindley and Catherine, and one adopted child, Heathcliff. Hindley is jealous of Heathcliff, whereas his father and sister both are very fond of Heathcliff. Mr Earnshaw sends Hindley to the college and meanwhile Catherine and Heathcliff become close to each other. After the death of Mr Earnshaw, Hindley returns with his wife as a new owner. Hindley forces Heathcliff to live like a servant. Hindley's wife dies after giving birth to a boy, Hareton.

3 Meanwhile Heathcliff and Catherine grow interested in another family of Lintons at Thrushcross Grange. The Lintons have two children, Edgar and Isabella. During his stay of five weeks with the Lintons, Catherine becomes close to Edgar. She finds Edgar's wealth and beauty more attractive, although she is still passionate about Heathcliff. Heathcliff leaves *Wuthering Heights* in one night.

4 In the absence of Heathcliff, Catherine marries Edgar Linton and moves to Thrushcross Grange. Just after one year, Heathcliff returns as rich and dignified but wild and ferocious too. Catherine is excited to see Heathcliff and she continues to see Heathcliff despite her husband's disapproval. Heathcliff moves into *Wuthering Heights*. Hindley welcomes Heathcliff into his home, seeing his money, as he has become a gambler and has lost his wealth.

5 Soon after it reveals that Heathcliff and Isabella are having a crush on each other. But this developing romance leads to a conflict between Edgar and Heathcliff. Edgar is against all of these. Meanwhile Catherine

becomes ill due to her decision to not eating anything On the other hand Heathcliff elopes with Isabella on some night 6 Edgar takes care of Catherine for two months Catherine is pregnant At Wuthering Heights Heathcliff treats Isabella in a very terrible way just after the wedding Edgar refuses to have any relationship with Isabella because he believes that Heathcliff wed Isabella only for taking Thrushcross Grange from the Lintons Heathcliff take concerned about Catherine s health and he goes to Thrushcross Grange while Edgar is away Heathcliff and Catherine profess about their continuing and eternal love That night Catherine gives birth to a girl Cathy and then she dies after a few hours 7 Two days later Isabella escapes from the Wuthering Heights to leave somewhere outside London There she gives birth to Heathcliff s son Linton After six months Hindley dies By paying all debts of Hindley Heathcliff becomes the owner of Wuthering Heights Heathcliff keeps Hareton in the same kind of servitude into which he was placed by Hindley before 8 After twelve years Cathy is now a beautiful young woman and Hareton is a rough youth After the death of Isabella Edgar brings Linton back to Thrushcross Grange whereas Heathcliff insists that Linton should come to live with him at Wuthering Heights Heathcliff then purposely cultivates a friendship between Linton and Cathy Due to his bad health Edgar allows Cathy to meet with Linton at Thrushcross Grange 9 One day Heathcliff forces Cathy and Nelly to return with him and Linton to Wuthering Heights There Cathy is married to Linton Then to take care of her father Cathy escapes from Wuthering Heights But after her father s death she is taken back to Wuthering Heights by Heathcliff Edgar is buried next to her wife Catherine Soon Linton dies and Heathcliff now owns both Wuthering Heights and Thrushcross Grange Cathy lives forcefully with Heathcliff and Hareton at Wuthering Heights 10 Now the story is back to present when Lockwood has rented Thrushcross Grange Lockwood goes back to London As a matter of surprise to everyone Cathy and Hareton have fallen in love Heathcliff sees a strong similarity in both Hareton and Cathy with his love story and hence no longer he feels the need for revenge He dies and is buried beside the Catherine on opposite side of Edgar At last Cathy and Hareton are free of interfering adults and thus plan to marry and move to Thrushcross Grange
