Emmas War:

Emma's War Deborah Scroggins, 2011-11-23 Emma McCune's passion for Africa her unstinting commitment to the children of Sudan and her youthful beauty and glamour set her apart from other relief workers from the moment she arrived in southern Sudan. But no one was prepared for her decision to marry a local warlord a man who seemed to embody everything she was working against and to throw herself into his violent quest to take over southern Sudan's rebel movement. With precision and insight Deborah Scroggins who met McCune in Sudan charts the process by which McCune's romantic delusions led to her descent into the hell of Africa's longest running civil war. Emma's War is at once a disturbing love story and an up close look at Sudan a world where international aid fuels armies as well as the starving population and where the northern based Islamic government backed by Osama bin Laden is locked in a war with the Christian and pagan south over religion oil and slaves. A timely revelatory account of the nature of relief work of the men and women who choose to carry it out and of one woman's sacrifice to its ideals.

Under the Raj Sumanta Banerjee, 1998 Like other pre colonial socio economic formations the profession of prostitution underwent a dramatic change in Bengal soon after the British take over. Under the Raj explores the world of the prostitute in nineteenth century Bengal. It traces how from the peripheries of pre colonial Bengali rural society they came to dominate the center stage in Calcutta the capital of British India thanks to the emergence of a new clientele brought forth by the colonial order. Sumanta Banerjee examines the policies the British administration implemented to revamp the profession to suit its needs as well as to screen its practitioners in a bid to protect its minions in the army from venereal diseases. He also analyzes the class structure within the prostitute community in nineteenth century Bengal its complex relationship with the Bengali bhadralok society and what is more important and fascinating for modern researchers in popular culture the voices of the prostitutes themselves which we hear from their songs letters and writings collected and reproduced from both oral tradition and printed sources.

Muscular Nationalism Sikata Banerjee, 2012-04-23 A particular dark triumph of modern nationalism has been its ability to persuade citizens to sacrifice their lives for a political vision forged by emotional ties to a common identity. Both men and women can respond to nationalistic calls to fight that portray muscular warriors defending their nation against an easily recognizable enemy. This us versus them mentality can be seen in sectarian violence between Hindus and Muslims Tamils and Sinhals Serbs and Kosovars and Protestants and Catholics. In Muscular Nationalism Sikata Banerjee takes a comparative look at India and Ireland and the relationship among gender violence and nationalism. Exploring key texts and events from 1914-2004 Banerjee explores how women negotiate muscular nationalisms as they seek to be recognized as legitimate nationalists and equal stakeholders in their national struggles. Banerjee argues that the gendered manner in which dominant nationalism has been imagined in most states in the world has had important implications for women's lived experiences. Drawing on a specific intersection of gender and nationalism she discusses the manner in which women negotiate a political and social terrain.
