## **Emperor Domitian:**

**The Emperor Domitian** Brian Jones,2002-09-11 Domitian Emperor of Rome AD 81 96 has traditionally been portrayed as a tyrant and his later years on the throne as a reign of terror Brian Jones biography of the emperor the first ever in English offers a more balanced interpretation of the life of Domitian arguing that his foreign policy was realistic his economic programme rigorously efficient and his supposed persecution of the early Christians non existent Central to an understanding of the emperor s policies Brian Jones proposes is his relationship with his court rather than with the senate Roamn historians will have to take account of this new biography which in part represents a rehabilitation of Domitian

**Who's Who in Gay and Lesbian History** Robert Aldrich,Garry Wotherspoon,2020-10-07 Who s Who in Gay and Lesbian History From Antiquity to the Mid Twentieth Century is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid twentieth century Among those included are Classical heroes Achilles Aeneas Ganymede Literary giants Sappho Christopher Marlowe Arthur Rimbaud Oscar Wilde Royalty and politicians Edward II King James I Horace Walpole Michel de Montaigne Over the course of some 500 entries expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages [Ancient Rome's Worst Emperors](#) L. brother's side has risen to become the Emperor's most trusted advisor But now Corneius has been given a deadly mission quelling a barbarian uprising in Germany While he struggles to negotiate a treaty that could save the lives of thousands he uncovers a deadly plot that could cast the Empire and his own family into ruin The Emperor's Games is an enthralling historical adventure perfect for fans of Ben Kane and Conn Iggulden

**The Emperor of Law** Kaius Tuori, 2016-11-17 In the days of the Roman Empire the emperor was considered not only the ruler of the state but also its supreme legal authority fulfilling the multiple roles of supreme court legislator and administrator The Emperor of Law explores how the emperor came to assume the mantle of a judge beginning with Augustus the first emperor and spanning the years leading up to Caracalla and the Severan dynasty While earlier studies have attempted to explain this change either through legislation or behaviour this volume undertakes a novel analysis of the gradual expansion and elaboration of the emperor's adjudication and jurisdiction by analysing the process through historical narratives it argues that the emergence of imperial adjudication was a discourse that involved not only the emperors but also petitioners who sought their rulings lawyers who aided them the senatorial elite and the Roman historians and commentators who described it Stories of emperors settling lawsuits and demonstrating their power through law including those depicting mad emperors engaging in violent repressions played an important part in creating a shared conviction that the emperor was indeed the supreme judge alongside the empirical shift in the legal and political dynamic Imperial adjudication reflected equally the growth of imperial power during the Principate and the centrality of the emperor in public life and constitutional legitimation was thus created through the examples of previous actions examples that historical authors did much to shape Aimed at readers of classics Roman law and ancient history The Emperor of Law offers a fundamental reinterpretation of the much debated problem of the advent of imperial supremacy in law that illuminates the importance of narrative studies to the field of legal history

**Journey into Time** George Richards, 2011-07-01 What follows in the pages of this book are questions that most people will ask when they read of the ancient past The Why and the When and most importantly the How still eludes the minds of the readers As a result we place our trust in the experts and accept their theories as they relate to the age old questions But are they right in their suppositions How often has the experts had to rewrite history to accommodate new evidence that has surfaced How often have we seen evidence pushed aside to accommodate what the scholars deem an established theory In what follows we will question some of the age old beliefs that still haunt the minds of the human family and offer alternative theories based on the available evidence

**Approaching Apollonius** Floyd O. Parker, 2025-08-05 Apollonius of Tyana resembles Jesus Christ more than does any other person in antiquity at least if what his biographer Philostratus claims is true According to their respective biographers in the Life of Apollonius of Tyana and in the canonical Gospels both ancient figures were renowned holy men miracle workers exorcists and itinerant teachers who lived in the first century AD Nevertheless many Bible

professors and students have never heard of Apollonius Others who have heard of Apollonius often uncritically accept the testimony of Philostratus Some New Testament scholars who write about Apollonius are unaware of the numerous historical problems that plague Philostratus s book and of the other early sources that portray Apollonius as a sorcerer or charlatan This book serves as a guide for students professors or curious laypersons who are approaching the study of Apollonius for the first time This work explores ten key issues that will help the reader make an informed decision about Apollonius The book examines the ancient sources available for the study of Apollonius the historical accuracy of Philostratus s biography and the agendas of Philostratus and his royal patroness Julia Domna and provides a fulsome bibliography for those who wish to pursue these topics on their own

*Guarding the Caesars* Rose Mary Sheldon,2023-08-29 Guarding the Caesars is the story of the survival of the Flavian emperors in Rome The dynasty produced three of the most famous and productive rulers in the Roman Empire Vespasian built the Colosseum Titus won the Great Jewish War of 66 70 and his men were responsible for the destruction of the Temple in Jerusalem Domitian perhaps Rome s greatest builder is responsible for many of the buildings we connect with Rome today He was without a doubt among the most controversial of all Roman rulers and the subject of much debate still today The Flavian dynasty begins with the death of the four successors to the Julio Claudians and ends with the dramatic assassination of Domitian in his own palace In between there are numerous attempts to kill the sitting emperor Seventy five percent of all Roman emperors died of assassination the highest rate of any monarchy in the world This is the story of how the emperors security services tried to keep three of them alive

The English Version of Jesus Chrestus Sirpa Montonen,2010-12 Jesus Chrestus tells about Jesus Christ who established Christianity in Rome instead of Judea despite of all beliefs Jesus as a name was in its original form Isus which was used by a male high priest of Isis temple Jesus Chrestus tells the truth on Christianity and its birth story in the city of Rome

**Roman Homosexuality : Ideologies of Masculinity in Classical Antiquity** City University of New York Craig A. Williams Assistant Professor of Classics Brooklyn College,1999-05-12 This book provides a thoroughly documented discussion of ancient Roman ideologies of masculinity and sexuality with a focus on ancient representations of sexual experience between males It gathers a wide range of evidence from the second century B C to the second century A D above all from such literary texts as courtroom speeches love poetry philosophy epigram and history but also graffiti and other inscriptions as well as artistic artifacts and uses that evidence to reconstruct the contexts within which Roman texts were created and had their meaning The book takes as its

starting point the thesis that in order to understand the Roman material we must make the effort to set aside any preconceptions we might have regarding sexuality masculinity and effeminacy Williams book argues in detail that for the writers and readers of Roman texts the important distinctions were drawn not between homosexual and heterosexual but between free and slave dominant and subordinate masculin and effeminate as conceived in specifically Roman terms Other important questions addressed by this book include the differences between Roman and Greek practices and ideologies the influence exerted by distinctively Roman ideals of austerity the ways in which deviations from the norms of masculine sexual practice were negotiated both in the arena of public discourse and in real men s lives the relationship between the rhetoric of nature and representations of sexual practices and the extent to which same sex marriages were publicly accepted An Introduction to the New Testament and the Origins of Christianity Delbert Burkett,2002-07-10 Publisher Description **The Roman Empire** James W. Eder,2018-05-01 Covering material from the time of Julius Caesar to the sack of Rome this topically arranged reference set provides substantive entries on people cities government institutions military developments material culture and other topics related to the Roman Empire The Roman Empire was one of the greatest and most influential forces of the ancient world and many of its achievements endure in one form or another to this day Because of its geographic breadth cultural diversity and overall complexity it is also one of the most difficult organizations to understand This book focuses on the Roman Empire from the time of Julius Caesar to the sack of Rome While most references on the Roman world provide a series of alphabetically arranged entries this work is organized in broad topical chapters on government and politics administration individuals groups and organizations places events military developments and objects and artifacts Each section provides 20 to 30 substantive entries along with an overview essay The work also provides a selection of primary source documents and closes with a bibliography of important print and electronic resources

**Domitian's Rome and the Augustan Legacy** Raymond Marks,Marcello Mogetta,2021-09-21 The legacy of the Roman emperor Augustus and the culture of his age was profound and immediately evident after his death in 14 CE His first four successors based their claims to rule on kinship with him thus establishing the Julio Claudian dynasty 14 68 CE and plied an evolving form of the Principate the political arrangement Augustus carved out for himself His building and restoration programs gave the city an Augustan appearance that remained relatively unchanged throughout subsequent reigns And among literary luminaries of his age figures such as Horace and Ovid left an indelible mark on the poetic practices of future generations while Virgil insinuated himself still more deeply into the Roman psyche But it was after the reigns of Augustus own descendants oddly enough that we witness the most spirited and thoroughgoing engagement with the Augustan past during the reign of the emperor Domitian the third and last ruler of the subsequent Flavian dynasty 81 96 CE there was a veritable Augustan renaissance This volume represents the first book length treatment of the reception of Augustus and his age during the reign of Domitian Its thirteen chapters authored by an international group of scholars offer readers a glimpse

into the fascinating history and culture of Domitian's Rome and its multifaceted engagement with the Augustan past. Combining material and literary cultural approaches and covering a diverse range of topics: art, architecture, literature, history, law, the studies in this volume capture the rich complexity of the Augustan legacy in Domitian's Rome while also revising our understanding of Domitian's own legacy. Far from being the cruel tyrant history has made him out to be, Domitian emerges as a studious, thoughtful cultivator of the Augustan past who helped shape an age that not only took inspiration from that past but managed to rival it.

## Emperor Domitian Introduction

In the digital age, access to information has become easier than ever before. The ability to download Emperor Domitian has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Emperor Domitian has opened up a world of possibilities. Downloading Emperor Domitian provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Emperor Domitian has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Emperor Domitian. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Emperor Domitian. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Emperor Domitian, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Emperor Domitian has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
