Fall Fresh On Me:

Experience Matthew Floding, Dawn Davis, 2024-11-05 Spiritual formation has gained increasing attention with theological schools as a significant element of the theological education process. Repeated Association of Theological Schools studies have revealed a broad interpretation of what is meant by spiritual formation and how it is achieved within the theological education framework. Theological schools look to what happens in the field education courses as the most significant source of spiritual formation. Experience Spiritual Formation in Theological Field Education provides effective resources that field educators may employ to foster spiritual formation. In the first section of the book, twenty-five practices are introduced that are employed currently by field educators with strong favorable student feedback. In a second section, ministerial leaders in a variety of settings share spiritual practices that they have found life giving and foster deeper connection with God and God's world. Experience equips field educators for the significant task of fostering the spiritual growth of their students. Students in turn will have a treasure trove of spiritual formation exercises/practices that they can adapt as ministerial leaders in congregations, chaplaincy settings, and in faith-based non-profit organizations.

The Narrow Gate D'Antoinette Guy MTS, 2017-03-28 More and more Christians are embracing the concept that they have been created for a divine purpose. Many are proclaiming their sense of call to some form of ministry or business for the building of God's Kingdom. However, one question lingers: If God has created every individual with purpose, graced each with gifts and ordained vision, why are we not seeing the Kingdom of God manifest in healthy, powerful, mature, and abundant fruit-bearing outcomes? Well, Jesus gave the answer: narrow is the gate and difficult is the way that leads to life, and there are few who find it. Matthew 7:14 NIV. *The Narrow Gate* is a work suited to both the growing believer and those who lead. Once a new believer has been discipled, this work provides a detailed explanation and encourages the believer to begin the personal work of transformation in preparation for healthy and meaningful service. For those who serve in leadership, this work will help you discover a means to identify and transform growth areas into solid qualities of excellence with which to improve mentoring and leadership skills. Everyone can utilize this work to assess personal wholeness and promote effective kingdom building. *The Narrow Gate* provides a comprehensive guide and exploration into the internal work of transformation. Believers are invited to enter through *The Narrow Gate* to discover God's purposes in breaking, melting, and molding believers in preparation for divine destiny. Herein is an opportunity to journey with God through the wilderness of transformation.
