Traveling through Time M Gerard Fromm, 2022-02-16 Bullets don't just travel through skin and bone They travel through time These words were tattooed onto the shoulder of a young woman whose father was shot during The Troubles in Northern Ireland This wrenching volatile but also binding truth is the subject of this book It's a truth about traumatic experiences that happen to a family but also to a society and to the organizations that link these intimate units with the larger context of history and culture It's also a truth about the way trauma plays out over time

including between generations Grounded in Erik Erikson's way of looking at things the book is a journal of encounters between clinical psychoanalysis and other disciplines and an inquiry into what might be learned there for both Sometimes that learning has to do with trauma the way in which what can't be emotionally contained thought about or spoken in one part of a system is passed along with disorganizing sometimes heartbreaking consequences to another After a reflection on dignity the book examines intergenerational trauma in families including Erikson's It then illustrates how trauma to organizations slips below the threshold of awareness and yet continues to wear down its members The final section examines aspects of the larger society including radicalization war trauma the pandemic and cultural healing What emerges is the sober yet hopeful truth that what people discover by taking their own emotional experiences seriously though that might markedly differ from what is accepted in the everyday world is a primary path toward recovery from trauma **Hope for**

Everyday People Jean Jourdain Vatel, 2010-03 Hope for Everyday People Hope is a powerful tool that creates fire within which enables us not to concede defeats despite being ready to give up in our lives I look at society as a whole and see how people are losing faith in intrinsic values and in their abilities to sustain anything the world throws at them Each poem in this book is designed to help the struggling families the couples on the verge of ugly divorces the single mothers who are tirelessly working but struggling to support their children the disobedient child who likes to be in company of outlaws the dreamers who want to reach their optimum potential the fathers who work multiple jobs to feed their families and still don't have a breakthrough and for all everyday persons who are looking for a bridge to cross over the cliff The poems in this book will help you on your daily life activities and will certainly lead you toward the Master of all circumstances all dilemmas and all impossible situations God the Almighty has the power and the ability to strengthen to heal to give hope and to give infinite life I hope that the Holy Spirit can touch your life as you read so that you can become better individuals parents children friends and leaders in your respective families and communities Jean Jourdain Vatel **Sex Offender Treatment** Edmond

Millennial Economics Victor Shane, 2013-05-08 How did we the People get into an economic mess like this to begin with How did we end up with a 16 trillion national debt that paralyzes all initiatives makes us a laughingstock instead of a world leader and stands to enslave our children grandchildren and great grandchildren with horrendous debts What can we do to diffuse what US Senator Tom Coburn calls The Debt Bomb Is there a constitutional holistic and efficient way out of this mess Answers can be found in this book The elegant writing and incisive explanations found in this volume conquer the complexity of the topic and its mixture of rhapsodic prose and an almost eerie moral clarity project buoyancy and hope The majority of laws in the Five Books of Moses concern money and this important volume while reflecting the spontaneous surgings of the human spirit helps us understand why Rabbi Daniel Lapin American Alliance of Jews and Christians

Managing Toxic Leaders and Dysfunctional Organizational Dynamics Seth Allcorn, 2024-04-29 Understanding experience at work especially in organizations that have toxic leaders and dysfunctional organizational dynamics is a multidimensional undertaking that must include in depth perspectives informed by psychosocial theory This may be best accomplished by relying on complementary theories to account for what is found and experienced in our organizations and in particular a better understanding of why this is happening Why did she do that Why did he say that Why did a group react the way they did Why is critical in terms of understanding organizational dynamics Our lives at work in large complex and multidimensional organizations are saturated with experience some of which is fulfilling and some are of a darker nature that arises from the presence of toxic leaders and dysfunctional organizational dynamics Understanding these toxicities and dysfunctions and their effect on organization members is approached by first raising their awareness at the beginning of the book before providing psychosocially informed insights that form a basis for understanding and organizational change in the following sections This book explores these work life dynamics by grounding them in concrete examples and then using complementary psychoanalytically informed perspectives to illuminate their underlying often unconscious nature filling an important gap in management and organizational literature

Unlearned & Ignorant Commentary J.A. Roberts, 2024-04-19 These are my simple and practical notes for all of the books of the Bible I am currently in the process of still writing all of my notes out so not all of the chapters are there yet but I have quite a few books of the Bible done and am about 25% of the way through the rest of the Bible I will update this ever time a book is finished so it updates to the purchaser but if you d like to pay ahead of time you can get the books quicker and cheaper now The more books I add the more expensive it will become I ve been working on this for about two years now and will continue to work on it for another likely another six more years to finish the entire Bible hopefully sooner Thank you for supporting my work and I hope it s a useful tool for you as you dig deeper into God s Word It should also be understood I am not a scholar by any

means I just like to dig around in scripture and answer difficult questions hence the title of the book Some of my thoughts are taken from much smarter men than me and if I know where the source comes from I will do my best to make mention of it and give credit where credit is due Otherwise these are things I got from my own personal studies and all the stories I give are from personal experience **Absolute Power: Unlock Potential.
