predictably direct our lives Fortunately addressing these lessons isn't complicated It doesn't take years of therapy psychoanalysis or deep cognitive processing It simply requires that we take inventory of our experiences interpret how they may be affecting us and make intentional decisions to reformat how we are experiencing the world If you struggle in any of the following areas this workbook will help you understand why and change those patterns Finances debt don't make enough etc Romance struggle in relationship or can't find a healthy one Career don't feel fulfilled or aligned with your calling Dreams and Life Vision Anxiety and or Stress Body Health and or Energy Etc Major topics covered in this workbook and accompanying videos include Harmful Family Rules Marriage and Romance Male Roles Female Roles Communication Styles Money and Success Fun Recreation and Self Care Personal And Empowerment and Freedom If you are ready to explore how your family dynamics have affected and often dictated your life this workbook will give you insight and set you free
