Hitler's Stormtroopers and the Attack on the German Republic, 1919-1933 Otis C. Mitchell,2013-10-29 Hitler was Nazi Germany and Nazi Germany was Hitler Though true to the extent that Hitler s personality leadership and ideological convictions played a massive role in shaping the nature of government and life during the Third Reich this popular view has led many writers since the end of World War II to overlook important aspects of Nazism while centering attention solely on Hitler s contributions to the Nazi Party This book seeks to fill a significant gap in the literature by concentrating particularly on the Nazi Party and its growth during the years of the Weimar Republic examining the paramilitary presence in Germany and Bavaria after World War I Most of the book describes the development of the Nazi Storm Detachment Sturmabteilung or SA before and after the failed Beer Hall Putsch in 1923 By the time Hitler came to power in January 1933 there were perhaps as many as 400 000 of these brown shirted men often self styled revolutionaries creating violence on a daily basis and destroying the underpinnings of the Weimar Republic The book features several photographs captured from the Nazi Party s Central Publishing Facility in Munich and passed to the author in the late 1950s
