**THE EGO HAS LANDED** Athena Park, 2021-09-13 Humanity has sought identification of self through the guise of the ego yet not fully understanding its placement Our ego the identity of oneself has been believed to be the desire for outer acceptance validating its own worth The ego is our shadow self and can be seen as the mirror reflection in ourselves and others Who are you without your ego What masks do you require to hide your true authentic self What can you say about yourself Do you know who you are and what you represent Can you identify with whom you project out into the world Are you aware that your ego has manipulated who and what you ve identified about yourself in conjunction as the illusion Humanity is undergoing a spiritual evolution where every human being is responsible for their own soul s evolution Humans must realize that to remain of this world we must ascend to a higher consciousness and enlightenment becoming the dictator of our own lives a knowing Are you willing to delve into the hidden aspects of yourself by going on a treasure quest that will guide you back to your natural state of truth Truth is at the heart of the matter the one beloved What lies behind us and what lies before us are small matters compared to what lies within us Ralph Waldo Emerson

**In Search of Faith** Howard W. Roberts, 2010-01-01 Explore several of the stories of biblical characters who were seekers The search by some of these people became watersheds for later seekers For example Abraham s search resulted in a clear understanding of radical monotheism Ruth s seeking and searching challenged the notion that God s love and acceptance were tied to racial purity Allow yourself to be a seeker as you read May part of your seeking be to consider where your story and each of these stories intersect and may those intersections be places where you seek God and discover

that already God is seeking you from the Preface In Search of Faith is an exploration of biblical characters who struggled to define their faith Roberts help readers to identify with biblical characters to discover kinship with seekers of another era and to read about themselves in the stories Some of the biblical characters discussed include Ruth Jacob Peter and Hosea The stories of these biblical characters can be used in a sermon series or a course of study for a small group In Search of Faith can be a guiding force in the daily lives of seekers by addressing the quest for personal meaning and the desire to belong in community
