The Great Commission Charles Henry Mackintosh, 2024-04-06 The Great Commission is a book written by Charles Henry Mackintosh a Christian preacher and author first published in the 19th century The book explores the biblical passage known as the Great Commission found in the Gospel of Matthew where Jesus instructs his disciples to go and make disciples of all nations Mackintosh's work delves into the significance of this commandment and its implications for believers in spreading the message of Christianity throughout the world Drawing from biblical exegesis and personal reflection he offers insights into the responsibilities and challenges faced by Christians in fulfilling this mission Through a combination of theological analysis and practical guidance Mackintosh encourages readers to embrace their role as ambassadors of Christ and to actively engage in evangelism and discipleship He emphasizes the importance of faithfulness perseverance and reliance on the Holy Spirit in carrying out the Great Commission The Great Commission serves as a call to action for Christians to heed Jesus' command to spread the gospel and make disciples of all nations It continues to inspire believers to fulfill their missionary mandate and share the message of salvation with others making it a foundational text in Christian literature

Disciple-Church & The Great Commission Desire Mbayo, 2018-06-04 The angel who visited Mary this young lady who is engaged to Joseph came to bring her the good news that she will be pregnant and will give to the world a son whom we call Emmanuel that is to say God with us The birth of Jesus Christ was a subject of joy for all nations according to Isaiah's prophecy There was a joy not only on Earth but first in heaven the shepherds the Angels were in joy at the announcement of the news by the Angel Gabriel The Angels returned to heaven singing and praising the Creator because the Savior had just

born This is the same joy that is felt when a sinner repents It is the image of the new birth that occurs in the heavenly government Christ illustrates it in the parable of the lost sheep There had a party when this sheep was found Missions in a New Millennium W. Old Story New Marty Machowski, 2012-10-15 Old Story New makes it easy for parents to stay on the life giving course of sharing the gospel story with their family This second volume in Marty Machowski s family devotional series continues the gospel story begun in the Old Testament devotional Long Story Short Using the same effective ten minute a day structure it connects children **The Expository Times** ,1912 **The Expository Times** James Hastings, Ann Wilson

Hastings, Edward Hastings, 1912 Exposing the Fallacies of the Pre-Tribulation Rapture Billy Broadwater, 2014-06-19 The Pretribulation Rapture theory has had a foothold on many Christians in America for over a hundred years This teaching is not allowed to be challenged in many Christian circles Exposing the Fallacies of the Pretribulation Rapture takes the building blocks of this theory and dismantles them one by one in a serious thought provoking analogy of this doctrine Is the seven year tribulation really a biblical term Is the church literally raptured in Revelation chapter 4 Are there signs that precede the return of Christ Is the rapture really an invisible event Are Christians exempt from tribulation Where did the true roots of the pretribulation rapture come from What does the day of the Lord have to do with the rapture These questions and many more are answered in Exposing the Fallacies of the Pre Tribulation Rapture Not only is there a thorough examination of the rapture but also a detailed account is given of the numerous discrepancies among leading pretribulation teachers over Bible passages on the second coming Billy Broadwater s in depth Bible based research for over twenty years brings home the truth about the rapture *The Works of Thomas Goodwin, D.D.* Thomas Goodwin (D.D.), 1864 **World Christian Trends**

Ad30-ad2200 (hb) ,2001 *Christian Advocate* ,1908 **Thy Will Be Done** Abiodun Yusuff, 2023-03-03 The book Thy Will Be Done presents a bible based exposition on the will of God for every human life marriage family business career government and the church The book lays emphasis on the government of God on earth and the superiority of God s will over human will and the need for every man on earth to find and submit to the will of God The Works of Thomas Goodwin Thomas Goodwin, 1864 *The God Who Is with Us* Benjamin H. Kim, 2022-10-21 Contemporary theologies of mission rely on the central concept of the missio Dei which states that mission properly belongs to the triune God over the church However present accounts fail to establish any corresponding link between God s trinitarian economy and ontology In other words the problem of the missio Dei is the problem of the break between the act and being of God Benjamin H Kim argues that a repair is needed for missio Dei theology and this repair is found in reexamining Barth s doctrine of revelation In doing so the locus of mission moves from God s trinitarian sending to his trinitarian revealing The repair is further advanced by Dietrich

Bonhoeffer through his concept of person which functions as the unity of act and being This account returns mission to its original definition which was intended to describe the inner trinitarian being of God in relation to humanity The concept of person recovers this meaning of mission by locating it first in the person of Christ and second in the collective person of the church existing as the Christ community Thus Bonhoeffer s description of revelation in terms of personhood provides and account that is more faithful to the missio Dei s core insights

Come and Ride with Me Chris Nwoke,2020-10-29 Come and Ride with Me is a call for action God is saying you can depend on me In both the physical and invisible realm well before global navigational systems emerged the word of God has been a guiding light The Psalmist declared in Psalm 119 105 saying Thy word is a lamp unto my feet and a light unto my path The word of God enlightens presently the path for the living in this world and has been since the beginning of time The precious word of God is true living ageless and relevant today and will be in years to come as it was in the past It is holy righteous blessed and priceless Considering its origin it will not fail God who is faithful and true has blessed it The full impact of its power is in the application From joyous to sad times from easy to challenging times the word of God shines a bright light into the hearts and souls of the hearers Whosoever receives and applies it to their lives will forever know the difference Consistent with the call to serve I have traveled to various countries of the world proclaiming the gospel In each place I beheld the working power of God through changed lives In the beginning I shared weekly messages online on many topics Each message is inspirational speaking to the hearts and minds of people Over the years I had desired to compile those messages in a book for the benefit of more readers So to that end with much prayer we have incorporated in this book those messages with some images and testimonies that reflect the great commission I encourage you to read by faith to discover how God has done extraordinary things in the lives of ordinary people

Introduction to Global Missions Zane Pratt,M. David Sills,Jeff K. Walters,2014-07-01 Missions is the work of the church to reach and teach the peoples of the world for Christ s sake The missionary call is a vital part of the life of every follower of Jesus Christ and therefore the church But the effective discipleship of all nations requires a solid biblical historical and practical foundation Therefore the study of missiology demands the effective application of biblical studies theology and history This text brings the rich heritage of evangelical missiology founded on conservative theology to a twenty first century audience passionate for the proclamation of the gospel Introduction to Global Missions brings the authors decades of combined missionary and teaching experience to a survey text appropriate for college or seminary classroom The book is divided into four sections and thirteen chapters The text begins with the biblical and theological foundations of Christian missions including a biblical theology of missions Before moving to the practical and strategic issues of twenty first century missions the authors consider the historical development of missions with a view toward providing a basis for contemporary strategies A final foundational set of chapters addresses the impact of cultures on the communication of the gospel The remainder of the text deals with key issues and opportunities in missions including church planting missions in the local

church and strategies for disciple making Introduction to Global Missions provides a foundation for readers to consider their own missionary call whether as a full time field missionary or a church member on short term projects No matter their role Great Commission Christians need a framework for doing missions well UNSEEN THINGS Jean McBride,2017-09-03 This is not an examination of the quality or quantity of your faith It is an examination of the existence of your faith There are only two responses to this examination of self Yes I am in the faith or no I am not in the faith If the answer is yes then you got there by seeking the Lord You did not pray for faith you sought God and faith came If the answer is no you will not get in the faith by praying for faith You will only get in the faith by seeking God We will never get more faith by seeking more faith When I began this Bible study my goal was simple I was in the faith but I really felt I needed more faith What I really needed was to learn more about the faith I had I learned that faith has the capacity to be in one accord with God If we seek God and His ways we will find that we have all the faith we need The purpose of seeking God is so that we will know what we can be in accord with The chapters in this book are based on the great faith chapter in the Bible Hebrews 11 *The Church School Journal* ,1883 **Philosophy, Science, and Theology of Mission in the 19th and 20th Centuries: The philosophy and science of mission** J. A. B. Jongeneel,1995 *The Works of Thomas Goodwin ... With General Preface by John C. Miller ... and Memoir by Robert Halley* Thomas GOODWIN (D.D.),1864
