## **In The Arms Of God:**

**Safe in the Arms of God** John F. MacArthur, 2003-07-08 Is my baby in heaven This is the most important question a grieving parent can ask And even if the little one is someone else's child the issue remains What happens to children those unborn stillborn or youngsters when they die Can you hope to see them again Can you let go of your fear and guilt Can God's love soothe a wound so jagged With scriptural authority and the warmth of a pastor's heart bestselling author John MacArthur examines the breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care for every life I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support John MacArthur offers truth from God's Word that puts the doubts of any grieving parent to rest **Safe in the Arms of God** reveals that confidence of heaven for the child you love is based on much more than mere sentimentality it is revealed in the Word of God and reflective of the very heart of God Nancy Guthrie author of *Holding On to Hope*

**In the Arms of My Beloved** Sandra Crawford, 2012-09 Hope Courage and Strength We often see these three words associated with the journey of someone who survives cancer But where do we find strength when we have never felt so weak Where do we find courage to face a challenge of this magnitude Where does hope spring from and how do we possess it Turning to the God she loves Sandra found these answers in Him This story recounts the cries of a desperate daughter seeking to find comfort healing and truth from her heavenly Father Follow her journey as she learns to trust and lean on God as she walks the road to victory There is no voice so compelling as the voice of experience In the Arms of My Beloved is a book I highly recommend not only for the cancer patient herself but also for all those who love her Stacey Campbell Revival Now Ministries Sandra's inspiring story offers hope and practical wisdom to those who are walking through difficult times especially when faced with serious or life threatening illnesses Dr Ruth Demian MD *Tropologia* Benjamin Keach, 1856

Rona,2011-06-06 If I have to write all the experiences and miracles in my life it would be volumes All these miracles come from One Source the power of DIVINE INDWELLING These stories are not fictions They are real experiences of miracles that made me write the book in order to share with people who with their FAITH can get into the Threshold of God's Presence within the soul and let the LIGHT of God's Power shine forth to drive evil away The Truth is in the book The Process that even a little child can do is in the book But for one story among hundreds of stories let me share this one A male teenager came to my office at midnight trembling

pale drunk high with drugs carrying a knife urged by his hallucinations to kill someone and that was me I knew at that moment the Lord sent this poor guy to me to be healed by the power of God s Divine Indwelling Gently yet carefully I led him to God s Presence within him and with the power of the prayer of faith I by the power of God simply commanded the evil of drug addiction to leave Right at that moment the guy was healed The power of God in the soul of believers is truly REAL As I said I can share several stories of my experiences of miracles because of God s Divine Indwelling the very key that opens all the treasures of God s wisdom and knowledge Col 2 2 3 One who is serious in following what is written in this book can also see the experience of the power of God Hence I wrote the book to help as many as are looking for hope and peace within them Praise our awesome God     The Annotated Book of Mormon Grant Hardy,2023 Modelled after the Oxford line of annotated Bibles this is the first fully annotated academic edition of the Book of Mormon in its 200 year history This edition reformats the complete scriptural text in the manner of modern Bible translations making it more accessible and readable and the annotations and book introductions identify key themes and intertextual connections The editorial additions focus on the details of specific passages but also highlight broader perspectives that will illuminate the text as a whole It is an essential tool for anyone looking for an accurate comprehensive understanding of the Book of Mormon     **Complete Works of Rev.
