## **In The Days Of Simon Stern:**

In the Days of Simon Stern Arthur A. Cohen, 1988 Nathan a blind Jewish scribe tells the story of the coming of the Messiah in the person of one Simon Stern from his birth on the Lower East Side through his career as a millionaire dealer in real estate to his building of a refuge for the Jewish remnant of World War II A majestic work of fiction that should stand world literature's test of time to be read and reread A masterpiece Commonweal This book ensnares one of the most extraordinarily daring ideas to inhabit an American novel in a number of years For one thing it is that risky devised dreamed of only by the Thomas Manns of the world a serious and vastly conceived fiction bled out of the theological imagination For another it is clearly an American novel altogether American despite its Jewish particularity it is not so much about the history of the Jews as it is about the idea of the New World as haven In its teeming particularity every vein of this book runs with a brilliance of Jewish insight and erudition to be found in no other novelist Arthur Cohen is the first writer of any American generation to compose a profoundly Jewish fiction on a profoundly Western theme Cynthia Ozick New York Times Book Review This stately ambitious amalgam of Jewish myth history theology and speculations on the Jewish soul is like an enormous Judaic archeological ruin often hard for the uninitiated to interpret but impressive Intelligent inventive fascinating New Yorker

K. Narayan,1980 The first novel set in the fictional Indian town of Malgudi where ten year old Swaminathan s excitement about his country s initial stirrings for indepenence compete with his ardor for cricket and all other things British      **The Dark Room** R. Canada's most accomplished writers Margaret Laurence 1926-87 was the recipient of many awards including Canada's prestigious Governor General's Literary Award on two separate occasions once for *The Diviners* and *The Stone Angel*. Margaret Laurence, 2015-07-22 *The Stone Angel*, *The Diviners* and *A Bird in the House* are three of the five books in Margaret Laurence's renowned Manawaka series named for the small Canadian prairie town in which they take place. Each of these books is narrated by a strong woman growing up in the town and struggling with physical and emotional isolation. In *The Stone Angel*, Hagar Shipley, age ninety, tells the story of her life and in doing so tries to come to terms with how the very qualities which sustained her have deprived her of joy. Mingling past and present, she maintains pride in the face of senility while recalling the life she led as a rebellious young bride and later as a grieving mother. Laurence gives us in Hagar a woman who is funny, infuriating, and heartbreakingly poignant. This is a revelation, not impersonation. The effect of such skilled use of language is to lead the reader towards the self-recognition that Hagar misses. Robertson Davies, *New York Times*. It is Laurence's admirable achievement to strike with an equally sure touch the peculiar note and the universal she gives us a portrait of a remarkable character and at the same time the picture of old age itself with the pain, the weariness, the terror, the impotent angers, and physical mishaps, the realization that others are waiting and wishing for an end. Honor Tracy, *The New Republic*. Miss Laurence is the best fiction writer in the Dominion and one of the best in the hemisphere. Atlantic Laurence demonstrates in *The Stone Angel* that she has a true novelist's gift for catching a character in mid-passion and life at full flood. As Hagar Shipley daydreams and chatters and lurches through the novel, she traces one of the most convincing and the most touching portraits of an unregenerate sinner declining into senility since Sara Monday went to her reward in Joyce Cary's *The Horse's Mouth*. Time. Laurence's triumph is in her evocation of Hagar at ninety. We sympathize with her in her resistance to being moved to a nursing home, in her preposterous flight, in her impatience in the hospital. Battered, depleted, suffering, she rages with her last breath against the dying of the light. *The Stone Angel* is a fine novel, admirably written and sustained by unfailing insight. Granville Hicks, *Saturday Review*. *The Stone Angel* is a good book because Mrs. Laurence avoids sentimentality and condescension. Hagar Shipley is still passionately involved in the puzzle of her own nature. Laurence's imaginative tact is strikingly at work for surely this is what it feels like to be old. Paul Pickrel, *Harper's*.

*A Coin in Nine Hands*. Marguerite Yourcenar, 1994-11-05. During the space of a day in Rome in 1933, a ten-lira coin passes through the hands of nine people, including an aging artist, a prostitute, and a would-be assassin of Mussolini. The coin becomes the symbol of contact between human beings, each lost in private passions and nearly impenetrable solitude. *A Coin in Nine Hands* has passages that move close to poetry and a story that belongs in both literature and history. Doris Grumbach, *Los Angeles Times Book Review*. What lingers at the end of *A Coin in Nine Hands* is the shadowiness and puppetlike vagueness of the Dictator and the compelling specificity of the so-called common people revolving all around him. Anne Tyler, *The New Republic*. Within a few pages, we have met half the major characters in this haunting, brilliantly constructed novel.

The studied perfection the structural intricacy and brevity remind one of Camus Yet by comparison Yourcenar's prose is lavish emotional and imagistic Cynthia King Houston Post Transcends its specific time and place to become a portrait of vividly delineated characters caught in the vise of a tragically familiar political situation Publisher's Weekly Best known as the author of *Memoirs of Hadrian* and *The Abyss* Marguerite Yourcenar 1903-87 achieved countless literary honors and was the first woman ever elected to the Académie Française

*Mr. Sampath--the Printer of Malgudi* R. K. Narayan, 1981 There are writers Tolstoy and Henry James to name two whom we hold in awe writers Turgenev and Chekhov for whom we feel a personal affection other writers whom we respect Conrad for example but who hold us at a long arm's length with their courtly foreign grace Narayan whom I don't hesitate to name in such a context more than any of them wakes in me a spring of gratitude for he has offered me a second home Without him I could never have known what it is like to be Indian Graham Greene Offering rare insight into the complexities of Indian middle class society R. K. Narayan traces life in the fictional town of Malgudi *The Dark Room* is a searching look at a difficult marriage and a woman who eventually rebels against the demands of being a good and obedient wife In *Mr. Sampath* a newspaper man tries to keep his paper afloat in the face of social and economic changes sweeping India Narayan writes of youth and young adulthood in the semiautobiographical *Swami and Friends* and *The Bachelor of Arts* Although the ordinary tensions of maturing are heightened by the particular circumstances of pre-partition India Narayan provides a universal vision of childhood early love and grief The experience of reading one of his novels is comparable to one's first reaction to the great Russian novels the fresh realization of the common humanity of all peoples underlain by a simultaneous sense of strangeness like one's own reflection seen in a green twilight Margaret Parton New York Herald Tribune Narayan's limits are meticulously imposed and observed but his humor and compassion come from a deep universal well with the result that he has transformed his imaginary township of Malgudi into a bubbling parish of the world Christopher Wordsworth Observer

*Witness Through the Imagination* S. Lillian Kremer, Lillian Kremer, 2018-02-05 *Witness through the Imagination* presents a critical reading of themes and stylistic strategies of major American Holocaust fiction to determine its capacity to render the prelude progress and aftermath of the Holocaust Criticism of Holocaust literature is an emerging field of inquiry and as might be expected the most innovative work has been concentrated on the vanguard of European and Israeli Holocaust literature Now that American fiction has amassed an impressive and provocative Holocaust canon the time is propitious for its evaluation *Witness Through the Imagination* presents a critical reading of themes and stylistic strategies of major American Holocaust fiction to determine its capacity to render the prelude progress and aftermath of the Holocaust The unifying critical approach is the textual explication of themes and literary method occasional comparative references to international Holocaust literature and a discussion of extra-literary Holocaust sources that have influenced the creative writers' treatment of the Holocaust universe

**By Words Alone** Sidra DeKoven Ezrahi, 2008-10-03 The creative literature that evolved from the Holocaust constitutes an

unprecedented encounter between art and life Those who wrote about the Holocaust were forced to extend the limits of their imaginations to encompass unspeakably violent extremes of human behavior The result as Ezrahi shows in *By Words Alone* is a body of literature that transcends national and cultural boundaries and shares a spectrum of attitudes toward the concentration camps and the world beyond toward the past and the future
