

A scenic landscape featuring a winding road that curves through a field of tall, dry grass. In the background, a bright sunset or sunrise illuminates the sky with warm orange and yellow hues. The foreground is a dark, rocky path with patches of snow. A large, dark, semi-transparent rectangular box is centered over the middle of the image, containing white text.

The heart of a fool is in his  
mouth, but the mouth of a  
wise man is in his heart.

Armstrong,1916      **The Classified Bible: an Analysis of the Sacred Scriptures and Classification of Their Contents Under Distinct Heads. [Based on Matthew Talbot's "Analysis of the Holy Bible."] Edited by John Eadie ... Illustrated with Maps** ,1862      **Looking upon the Heart** Pete Carlson, MFT,2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian

psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus
