In The Shadow Of The Merlion:

In the Shadow of the Merlion Julie Massey, 2001 *Chasing Merlion* Philip Ng, 2016-06-24 Much of what we know of this part of the world began only in the year 1298 when a prince from Palembang set foot on Temasek But there are stories that took place even before the veil of history was removed This is but one of them The Merlion has traditionally kept the island of Temasek safe from invasions and attacks But this time the danger it faces threatens its own survival Over wide swath of unexplored terrain and surrealistic ocean the story follows the dangerous exploits of a group of young boys as they attempt to save the Merlion from capture United by a common goal the boys formed an unlikely friendship and alliance at a time when Temasek was divided among its various tribes Wang from the well to do neighbourhood called The Forbidden Hill Oak from the fishermen community of The River and Tok a budding pirate belonging to the fearsome predatory tribe that inhabited the infamous Dragon Tooth Gate But the Merlion holds another secret which would change everything the boys know Theorizing the Southeast Asian City as Text Robbie B. H. Goh, Brenda S. A. Yeoh, 2003 Theorizing the Southeast Asian City as Text examines the ways in which culture ethnicity languages traditions governance policies and histories interplay in the creation of the urban experiences in contemporary Southeast Asian cities It focuses on the ways in which urban spatial forms are textual experiences subject to interpretative strategies and the influence of other discourses In addition it also analyzes the experiences of modernization in such cities but also in terms of the strategies of containment refurbishment and loss which this has occasioned **TUNNELS** Lawdenmarc Decamora, 2021-01-30 TUNNELS deconstructs the individual s Romantic fascination with love or the grammaticality of beauty Ideally the tunnels in the collection are subterranean love poems from the suburban imaginary These seemingly syntactic tunnels travel through one s literary imagination or heterotopic dreamscapes and while Greek for love inspires these rhizomic tunnels to navigate the abysmal meta spectacle of gesture language or moment of poemness the mind like the many colored jeepneys of Manila where driving past roast goose restaurants in Shek Kip Mei or spotting stilt houses in Kampong Kleang attempt to explore the transgeneric textualities of the everyday alongside the unstructurality of time and space the littoral and the liminal In a Boulder's Shadow James Mandeville (JM) Briggs, 2019-03-21 When you ve been brought to your knees once you re able to stand again where do you go In a Boulder s Shadow begins a week into the New Year A college baseball player kneels in the snow on a Chicago sidewalk staring at the bodies of his friend and an eleven year old boy Knowing his failed attempt to rescue the child from a gang initiation led to their deaths he begins roaming aimlessly until he meets another wanderer holding fast to her own dark secret from a distant war In a Boulder s Shadow chronicles the journeys of four characters from different walks of life trying to escape the guilt of a deadly mistake a war a school shooting and a rejected marriage proposal Knocked to their knees by their circumstances they are drawn to the same woodland camp in northeastern Pennsylvania where a mysterious boulder awaits in the woods Coming together in the shadow of the boulder to coach play and heal these

mentors teachers and counselors soon find they must fight to prevent the boulder's destruction. As the camp owner faces the possibility of losing his family name and lands passed down from his great grandfather, decades-old antagonisms between the owner, the caretaker, and a local handyman are stoked in the heat of summer by the greed of a real estate developer. All leads to a final choice: let the boulder be destroyed or unite and risk everything to save it.

The Merlion and the Ashoka Anit Mukherjee, 2015-10-28. The Merlion and the Ashoka: Singapore-India Strategic and Defence Ties examines the historical evolution and future prospects of the strategic and defence ties between these two nations. India, which considers Singapore to be one of its closest partners in Southeast Asia, has offered Singapore unprecedented access to training facilities, including basing equipment on Indian soil. In turn, Singapore has a close defence dialogue at various levels with India and active military cooperation at the tactical and operational levels. How did the two countries attain such an unprecedented level of defence cooperation, and what were the challenges they had to overcome? Combining perspectives from policy makers, academics, and military officers, this book examines different aspects surrounding this question. While exploring the future trajectory of Singapore-India relations, it makes recommendations on how to enhance this strategic partnership. Provided by publisher.

Beneath the Lion City: Irreal Stories of Singapore AT Writing Seminar 2017, 2017-04-17. Take a leap from everyday reality into a world where the sky turns pink and a fisherman hunts merlions. As Singapore American School's Advanced Topic Writing Seminar students uncover new facets of the Little Red Dot.
