Marvin G. Goldman

In Flight Hebrew:

IN-FLIGHT HEBREW. , El Al Marvin G. Goldman,1990 *Aliens in the Bible* John W. Milor,2000-04-04 To get more information on this book and my other books check out my website at www.AliensInTheBible.com When reading the Bible readers usually find moral guidance sometimes they perceive a sense of poetic beauty But how often do readers fall into the pages and swim among the ancient Hebrew characters How many people transcend the eons of time within the ancient text of the Bible then look up from their reading and consider for a moment that they are mysterious beings immersed in a mysterious creation How odd this current world must have looked we with our televisions space shuttles and computers in the visions of the prophets of old and how odd the world of antiquity looks to us today a world of giants magicians and sorcerers a world of legendary gods coming from the heavens *Aliens in the Bible* is a book of possibilities No claim of supreme knowledge in biblical interpretation is made rather scripture is presented and with it the pondering mind of the author Some pondering may be perceived as utterly preposterous despite the fact that science and historical literature other than the Bible may also support some suggested theories Nevertheless this book should be a healthy read it should touch the unseen eyes of the soul which delight in the revelations of the invisible realm *Aliens in the Bible* is researched information that places paranormal subjects into three categories supernatural entities realms of existence and phenomenon Within the scope of paranormal phenomenon unlike the title of this book may suggest a host of topics are covered Along with the existence of aliens ghosts thought forms artificial intelligence monsters and mythical beings are also discussed all with a biblical interpretation The realms of heaven and hell are explained in depth Other paranormal phenomenon such as reincarnation PSI astral projection stigmata and more are also elaborated upon Some of the theories presented in this book might make the average Christian laugh Indeed they could be embossed on the front page of a tabloid Some of them are as follows 1 The beast spoken of in the book of Revelation might actually be an artificial intelligent life form 2 The giants of Genesis chapter 6 were genetically engineered hybrids of humans and fallen angels Dinosaurs and other monstrous prehistoric beasts were the results of precursory genetic experimentation leading up to the Nephilim giants 3 Astral projection was practiced at the Tower of Babel This ability aided in the growth of exponential knowledge 4 Satan once ruled a host of planets his home world was called Rahab God destroyed this world it became what is now known as the asteroid belt 5 The heaven reported by many non Christians that have had NDEs Near Death Experiences isnt really heaven at all Its actually a vacated paradise located within the midst of Hades ruled by demonic entities 6 What people perceive as reincarnation is actually possession of the deceased This book may be accused of not being focused on the primary message of the Bible The heart of scripture is the heart of God that He imbed Himself inside the body of a human being by the name of Jesus and willingly allowed Himself to be murdered Why did He do this Because He demands perfect justice yet seeing that we can never pay this price He paid it for us if only we accept Him on His terms Instead this books focus is on items that may

be deemed a value of secondary importance in comparison with the essentials of the Christian faith such as the love of God the immaculate conception of Christ His work of salvation on the cross moral absolutes etc To all Christian readers I humbly request you humor this work for this book should serve a valuable twofold purpose First of all it will witness to seekers who often immerse themselves in the study of the Bible

Roots in the Air Nadezda Rumjanceva, Nadežda Rumjanceva, 2015-07-15 Located on the seam of Diaspora and Israeli Literature Anglophone Israeli Literature comprises a loose community of 100 500 authors and has co existed with the Hebrew writing tradition in Israel since the 1970s Consisting mainly of immigrants from Anglophone countries Anglophone Israeli Literature is characterized by a search for personal and poetic identity in a highly transcultural environment challenging settled identities and opting instead for flexibility flux and inclusion The present volume considers Anglophone Israeli Literature as a phenomenon in its critical social and historical aspects on the one hand and explores the specific mechanisms of constructing and representing poetic identity on the other hand Focusing on the works by and interviews with some of the core representatives of Anglophone Israeli Literature Shirley Kaufman Rachel Tzvia Back Karen Alkalay Gut Lami Richard Sherwin Jerome Mandel Riva Rubin and Rochelle Mass the book analyzes three pivotal elements of identity language geography and place and political and emotional self positioning towards the Other

Material Culture of the Bible Ferdinand Deist, 2000-07-01 Scholarly discussions of biblical interpretation often ignore the fact that language and literature form an integral part of a people s culture that interpretation therefore implies the total cultural system of the relevant literature and that biblical interpretation consequently implies inter cultural communication This book explores the theoretical and practical implications of this observation from a cultural anthropological perspective looks at recent anthropological studies of ancient Israelite society supplies practical examples of a cultural interpretation of ancient Hebrew narratives and discusses the impact of the notions cultural relativity and inter cultural communication for biblical interpretation

The Scriptural Religions, Histories, and Prophecies Analyzed and Examined John William Willcock, 1876

The Origin of Israelite Zion Theology Antti Laato, 2018-08-23 In this examination of Zion theology and how it arises in the book of Psalms Antti Laato s starting point is that the Hebrew Bible is the product of

the exilic and postexilic times which nonetheless contains older traditions that have played a significant role in the development of the text Laato seeks out these older mythical traditions related to Zion using a comparative methodology and looking at Biblical traditions alongside Ugaritic texts and other ancient Near Eastern material As such Laato provides a historical background for Zion theology which he can apply more broadly to the Psalms In addition Laato argues that Zion related theology in the Psalms is closely related to two events recounted in the Hebrew Bible First the architectural details of the Temple of Solomon 1 Kings 6 7 which can be compared with older mythical Zion related traditions Second the religious traditions related to the reigns of David and Solomon such as the Ark Narrative which ends with David s transfer of the Ark to Jerusalem 2 Sam 6 From this Laato builds an argument for a possible setting in Jerusalem at the time of David and Solomon for the Zion theology that emerges in the Psalms

The Political Philosophy of Zionism Eyal

Chowers,2012-02-27 Zionism emerged at the end of the nineteenth century in response to a rise in anti Semitism in Europe and to the crisis of modern Jewish identity This novel national revolution aimed to unite a scattered community defined mainly by shared texts and literary tradition into a vibrant political entity destined for the Holy Land However Zionism was about much more than a national political ideology and practice By tracing its origins in the context of a European history of ideas and by considering the writings of key Jewish and Hebrew writers and thinkers from the nineteenth and twentieth centuries the book offers an entirely new philosophical perspective on Zionism as a unique movement based on intellectual boldness and belief in human action In counter distinction to the studies of history and ideology that dominate the field this book also offers a new way of reflecting upon contemporary Israeli politics

Missing More Than Music Danny

Corbitt,2008-11-04 We re missing out on hearing one another s songs on worship in our daily lives on passion in our praise on the dance of David on fellowship with Christians who disagree on sharing testimony of God s work in our assemblies on agreeing together and more In the Churches of Christ some begin to broaden their experience in praise wishing they could answer the questions of those who feel left behind Missing More than Music understands why we look at the same evidence and disagree There is hope for worship and unity We re missing more than music Let s have all that we ve been missing together
