Solution Focused Narrative Therapy Linda Metcalf, 2017-03-01

Introduces a Powerful New Brief Therapy Approach

This groundbreaking book is the first to provide a comprehensive model for effectively blending the two main postmodern brief therapy approaches solution focused and narrative therapies

It harnesses the power of both models the strengths based problem solving approach of SFT and the value honoring and re descriptive approach of Narrative Therapy to offer brief effective help to clients that builds on their strengths and abilities to envision and craft preferred outcomes

Authored by a leading trainer teacher and practitioner in the field the book provides an overview of the history of both models and outlines their differences similarities limitations and strengths

It then demonstrates how to blend these two approaches in working with such issues as trauma addictions grief relationship issues family therapy and mood issues

Each concern is illustrated with a case study from practice with individual adults adolescents children and families

Useful client dialogue and forms are included to help the clinician guide clients in practice

Each chapter concludes with a summary describing and reinforcing the principles of the topic and a personal exercise so the reader can experience the approach first hand
