Incubus I Fast Friends:

The Incubus's Secretary Anna Kendra, 2025-04-17 Lancelin tugged my head back breaking the enticing contact of our lips but he didn't stop. Instead he moved down my neck placing tiny kisses along the way. A moan escaped my lips as he kissed me between my collarbones and I felt him pause there before he used his teeth. When Sanaya Johnson joined ReefWood Inc as the billionaire CEO Lancelin Eustein's personal secretary she had no idea her life was about to change forever. As a Scrib, a human with knowledge of the immortal world she constantly balanced her two worlds while keeping the immortal realm a secret from those closest to her. But trouble arises when Lancelin takes an interest in Sanaya, a fascination that threatens to unravel her grip on reality. Lancelin has lived for centuries among humans but no one has ever tempted him as his little secretary does without even trying. Determined to win her over at any cost he longs for a taste of the forbidden fruit. But Sanaya, whose heart was broken once before, finds it nearly impossible to trust another man, especially an incubus destined to become the future Incubus King. Just as the two begin to fall for each other, the past returns to haunt them in the most unexpected ways. With Lancelin's coronation approaching, will he be able to keep Sanaya by his side when the entire world seems determined to tear them apart? Little mermaid, 2025-05-27 Do you have the guts to sleep with a sex spirit? They say that they will give you protection and much more, and the only thing they need in return is sex with a young beautiful woman. Cassie Black is an ordinary girl who could never think of entering such an arrangement, but when horrors from her family's past threaten her life and the lives of her loved ones, she needs protection to discover the truth and make things right. The pleasures of sleeping with an incubus are addicting and otherworldly until she discovers her night visitor has a personality that revolves around more than only sex. Will she be able to remove the threat in her life? Or has she only created another problem by getting a secret night lover?

[Correspondence of James K. Polk](#) James Knox Polk, 1969 In the second half of 1845 the focus of Polk's correspondence shifted from those issues relating to the formation of his administration and distribution of party patronage to those that would give shape and consequence to his presidency: the admission of Texas, preparation for its defense, restoration of diplomatic relations with Mexico, and termination of joint occupancy of the Oregon Country. In addition to the texts, briefs, and annotations, the editors have calendared all of the documents for the last six months of 1845. Entries for unpublished letters include the documents' dates, addressees, classifications, repositories, and precis. The Polk Project is sponsored by the University of Tennessee and assisted by grants from the National Historical Publications and Records Commission, the National Endowment for the Humanities, and the Tennessee Historical Commission. **The Shadows Where We Walk**
