Indonesian Press Its Past Its People Its Problems:

Politics and the Press in Indonesia Angela Romano, 2013-05-13 This book explores the evolving political culture in Indonesia by discussing the country's dominant political philosophies then showing how those philosophies affect the working lives of ordinary Indonesian citizens. It focuses in particular on the working lives of news journalists, a group that occupies a strategic social and political position.

The Press in New Order Indonesia David T. Hill, 2006-12 The Press in New Order Indonesia is the most comprehensive book available in English on the print media during the Suharto presidency. Based on detailed and investigative research, it provides a succinct introduction to the political and economic forces shaping this dominant sector of the Indonesian media at a pivotal time in its development. The study documents the history of the press prior to the rise of President Suharto, surveys the changing New Order policies to the media, and analyses the various modes of control exercised through powerful government agencies and industry bodies. Throughout this critical historical period of political tension and economic transition, the Press in New Order Indonesia traces the development of huge media conglomerates which began to rival military muscle in shaping the media landscape of Indonesia. This study explains how the student press spilled off the campuses to play a unique political role. By contrast, a distinctly Islamic press achieved only very modest success. Focusing on Indonesian language national daily newspapers, it also discusses news weeklies, periodicals, and magazines, as well as publications in regional languages, English, and Chinese. Brought back to life in Equinox Publishing's Classic Indonesia series, *The Press in New Order Indonesia* is required reading for students of Indonesian languages and cultures, Asian studies, Southeast Asian studies, media studies, journalism, and contemporary politics. David T. Hill is Professor of Southeast Asian Studies and Fellow of the Asia Research Centre, Murdoch University, Perth, Western Australia.

The Indonesian Press Paul Tickell, 1987 *Power, Politics and the Indonesian Military* Damien Kingsbury, 2005-08-18 Based on extensive original research, this book examines the role of the military in Indonesian politics. Looking at the role of the military historically, its involvement in politics, and also considering how its role might develop.

[Journalism and Politics in Indonesia](#) David T. Hill, 2010-01-21 This book weaves a history of the Indonesian press and of Indonesia's post-independence history through the life story of Mochtar Lubis, one of Indonesia's best-known newspaper editors, authors, and cultural figures, with a national, regional, and international prominence he retained from the early 1950s until his death in 2004.

ASEAN into the 1990s A. Broinowski, 2016-07-27 ASEAN has its admirers and its critics. In its third decade, it is faced with having to do more than promote the interests of some of the region's most dynamic economies. It has to do more for its six members than just preserve the peace between them. In the 1990s, the old leaders of ASEAN will all be gone. What their successors do to make ASEAN cooperation work will determine how many of them join Singapore as a newly industrialised country. The agenda for the 1990s has Indochina near the top, but as well, how to cope with the economic prowess of Japan and the growing military strength of China. ASEAN confronts the need for security both from external and internal threats. Population

pressure income redistribution insurgency and the influence of Islam will affect all six countries in different ways This book a successor to the influential Understanding ASEAN identifies the problems and predicts the responses

Environmental Movements in Asia Arne Kalland, Gerard Persoon, 1998 Asia has a long history of environmental degradation and its fair share of natural disasters This volume paints a general picture of the Asian situation examining the effect of environmental campaigns

Resistance on the National Stage Michael Bodden, 2010-11-02 Resistance on the National Stage analyzes the ways in which between 1985 and 1998 modern theater practitioners in Indonesia contributed to a rising movement of social protest against the long governing New Order regime of President Suharto It examines the work of an array of theater groups and networks from Jakarta Bandung and Yogyakarta that pioneered new forms of theater making and new themes that were often presented more directly and critically than previous groups had dared to do Michael H Bodden looks at a wide range of case studies to show how theater contributed to and helped build the opposition He also looks at how specific combinations of social groups created tensions and gave modern theater a special role in bridging social gaps and creating social networks that expanded the reach of the prodemocracy movement Theater workers constructed new social networks by involving peasants Muslim youth industrial workers and lower middle class slum dwellers in theater productions about their own lives Such networking and resistance established theater as one significant arena in which the groundwork for the ouster of Suharto in May 1998 and the succeeding Reform era was laid Resistance on the National Stage will have broad appeal not only for scholars of contemporary Indonesian culture and theater but also for those interested in Indonesian history and politics as well as scholars of postcolonial theater and culture

Islam and Politics in Indonesia Remy Madinier, 2015-08-31 The Masyumi Party which was active in Indonesia from 1945 to 1960 constitutes the boldest attempt to date at reconciling Islam and democracy Masyumi proposed a vision of society and government which was not bound by a literalist application of Islamic doctrine but rather inspired by the values of Islam It set out moderate policies which were both favourable to the West and tolerant towards other religious communities in Indonesia Although the party made significant strides towards the elaboration of a Muslim democracy its achievements were nonetheless precarious it was eventually outlawed in 1960 for having resisted Sukarno's slide towards authoritarianism and the refusal of Suharto's regime to reinstate the party left its leaders disenchanted and marginalised Many of those leaders subsequently turned to a form of Islam known as integralism a radical doctrine echoing certain characteristics of 19th century Catholic integralism which contributed to the advent of Muslim neo fundamentalism in Indonesia This book examines the Masyumi Party from its roots in early 20th century Muslim reformism to its contemporary legacy and offers a perspective on political Islam which provides an alternative to the more widely studied model of Middle Eastern Islam The party's experience teaches us much about the fine line separating a moderate form of Islam open to democracy and a certain degree of secularisation from the sort of religious intransigence which can threaten the country's denominational coexistence

The Politics of Environment in

Southeast Asia Philip Hirsch, Carol Warren, 2002-01-31 The Politics of Environment in Southeast Asia charts the emergence of the environment as an issue of public debate in the region Through a series of case studies the authors explore the coalescence of social forces around environmental issues the process of alliance formation and the role of state institutions media and NGOs in the complex political battles over resource allocation The volatile tensions between the winners and losers in this struggle for the environment will make Southeast Asia a focus of increased attention *Journal of Asian Pacific Communication* Giles/Pierson, Howard Giles, 1990-01-04 Research into language issues and communication problems is investigated across a range of disciplines and appears in a wide diversity of published outlets In addition any linguistic and communication problems faced by Southeast Asian immigrants elsewhere in the world are also located in disparate contexts This journal is the first real attempt to provide a forum for such widespread concerns to be published in the English Language *Saving the World?* Agnieszka Sobocinska, 2021-06-24 From the 1950s tens of thousands of well meaning Westerners left their homes to volunteer in distant corners of the globe Aflame with optimism they set out to save the world but their actions were invariably intertwined with decolonization globalization and the Cold War Closely exploring British American and Australian programs Agnieszka Sobocinska situates Western volunteers at the heart of the humanitarian development complex This nexus of governments NGOs private corporations and public opinion encouraged continuous and accelerating intervention in the Global South from the 1950s Volunteers attracted a great deal of support in their home countries But critics across the Global South protested that volunteers put an attractive face on neocolonial power and extended the logic of intervention embedded in the global system of international development Saving the World brings together a wide range of sources to construct a rich narrative of the meeting between Global North and Global South

Islam and the Making of the Nation Chiara Formichi, 2012-06-30 A testament to the relevance of historical research in understanding contemporary politics Islam and the Making of the Nation guides the reader through the contingencies of the past that have led to the transformation of a nationalist leader into a separatist rebel and a martyr while at the same time shaping the public perception of political Islam and strengthening the position of the Pancasila in contemporary Indonesia
