Against Returning to Egypt Jeff B. Pool,1998 Against Returning to Egypt is study of a doctrinal statement recently adopted by the Southern Baptist Convention The Report of the Presidential Theological Study Committee Using criteria developed from the SBC s historic distinction between confessions of faith and creeds Professor Jeff Pool takes the measure of this doctrinal statement and finds it wanting He argues that the Report represents the greatest theological threat to the denomination in the history of the SBC This threat consists primarily in that the Report intentionally erases the historic Baptist distinction between confessions of faith and creeds and in addition in that it presents and in fact is based upon a radically Calvinistic revision of the SBC s historic perspectives on several central Christian doctrines This investigative study has significance for other traditions and histories during these tumultuous times rightly characterized as times of fundamentalist resurgence The principles motives and aspirations examined here appear not only in other denominational histories but in other political social and cultural realms as well **Men At Arms - Playtext** Stephen Briggs,Terry Pratchett,2011-09-30 Scarcely a year on from the events of Guards Guards the Ankh Morpork City Night Watch find their services are once more needed to tackle a threat to their city A threat at least as deadly as a 60 foot dragon but mechanical and heartless to boot It kills without compunction It is the first gun on the Discworld The original Watch Captain Vimes Sergeant Colon Corporal Carrot and Corporal Nobbs are joined by some new recruits selected to reflect the city s ethnic make up Lance Constable Cuddy a dwarf Detritus a troll and Angua a w well best to find out for yourself **The Fire of the Dragon** Ian Williams,2022-08-04 Shortlisted for the Orwell Prize As seen in The Times Sunday Times Spectator and on Tonight with Andrew Marr LBC Under President Xi Jinping China s global ambitions have taken a dangerous new turn Bullying and intimidation have replaced diplomacy Trade and investment even big spending tourists and students have been weaponised Beijing has strengthened its alliance with Vladimir Putin supporting Russia s aggression in Ukraine and brooks no criticism of its own flagrant human rights violations against the Uyghur population in western China Leaders in the West say they don t want a cold war with China but it s a little late for that Beijing is already waging a more complex broader and more dangerous cold war than the old one with the Soviet Union And it is intensifying This thought provoking and alarming book examines this new cold war s many fronts from Taiwan and the South China Sea to the Indian frontier the Arctic and cyberspace In doing so it proclaims the clear and sobering message that we must open our eyes to the reality of China s rise and its ruthless bid for global dominance *The Musical Times and Singing-class Circular* ,1927 **THE LIFE AND**
