International Armament:

International armament : with history, data, technical information and photographs of over 400 weapons. 2 George B. Johnson,Hans Bert Lockhoven,1965 **International Armament** George B. Johnson,Hans Bert Lockhoven,1965
International Armament George B. Johnson, **Merchants of Death** H. C. Engelbrecht,F. C. Hanighen,2020-12-22
Merchants of death was an epithet used in the USA in the 1930s to attack industries and banks that supplied and funded the First World War then called the Great War The term was popular in anti war circles of both the left and the right and was used extensively regarding the Senate hearings in 1936 by the Nye Committee Originally published in 1934 this book uses the term to expose the international arms industry at the time It is a careful and subtle but still passionate attack on those who would use government to profit themselves at the expense of other people s lives and property The book not only makes the case against the war machine it provides a scintillating history of war profiteering one authoritative enough for citation and academic study **Official Journal** League of Nations,1926 Included are the Minutes or Proc s verbal of the Council from its first meeting Paris January 16 1920 to the session the budget for the 3d financial period 1921 in 1920 no 7 1921 no 9 1923 no 1 of each year statements of the Present situations as regards international engagements registered with the Secretariat Saar Basin periodical and other reports and papers reports on the financial reconstruction of Austria and of Hungary and many other reports and papers The International Arms Trade Rachel Stohl,Suzette Grillot,2009-11-09 This book explores the complexities and realities of the global conventional weapons trade It traces the history of the arms trade and examines how it has evolved since the end of the Cold War In particular the role of the largest arms exporters and importers and the business of selling conventional arms around the world are assessed and new light is shed on the illicit arms trade and the shadowy dealers who profit from their deadly commerce The book also looks closely at the devastating effect the business can have on countries societies and individuals and concludes with an evaluation of the various existing control strategies and the potential for future control opportunities Book Jacket The Department of State Bulletin ,1950 The official monthly record of United States foreign policy **Publications** League of Nations,1921 **Weapons for Peace, Weapons for War** Cassady B. Craft,1999-08-04 First published in 1999 Routledge is an imprint of Taylor Francis an informa company **Anti-personnel Weapons** Sipri,2021-01-26 This book first published in 1978 analyses the development uses and effects of conventional anti personnel weapons such as rifles and machine guns grenades bombs shells and mines It provides the historical military technical and clinical background to the international legal discussions as part of the ongoing efforts to prohibit or restrict the uses of some of the more inhumane and indiscriminate of these weapons the most successful being the 1997 Ottawa Treaty that banned the use of anti personnel mines *Control and Reduction of Armaments* ,1956-06 **Report of the Temporary Mixed Commission for the Reduction of Armaments** League of Nations. Temporary Mixed Commission on Armaments,1924 **Not by War Alone** Paul Jabber,2023-11-15 The Middle East

remains the most politically volatile and militarily unstable region in the world It is also in relative terms the most heavily armed and the influx of American Soviet French and other weaponry continues unabated Moreover the Arab Israeli conflict invites competition in nuclear armaments Accordingly a concern of public policy must be the promotion of strategic stability between potential adversaries and the imposition of effective restraints on the several interrelated arms races in the region In the absence of negotiated solutions to existing disputes or as a feature of future peace accords arms control measures could be of crucial importance in preventing the outbreak of war Jabber explores the prospects for arms control in the specific contexts of the Arab Israeli dispute and of military developments since the war of October 1973 Seeing lessons from history and drawing on previously untapped materials he includes a case study of an actual Middle East arms control system that was instituted by the United States Great Britain and France under the Tripartite Declaration of May 1950 Designed to prevent further warfare after the establishment of Israel by maintaining a stable balance of power through the rationing of arms supplies this agreement was soon circumvented by its French sponsors and it collapsed altogether following the emergence in 1955 of the Soviet Bloc as a major source of arms After analyzing the Tripartite system a unique experiment in coordinated long term multilateral arms control on a regional level Mr Jabber defines the basic requirements for effective and curable international accords of this kind by exploring the relationships among the international arms trade the purposes of arms control and the political objectives and security interests of both suppliers and recipients of arms The Middle East remains the most politically volatile and militarily unstable region in the world It is also in relative terms the most heavily armed and the influx of American Soviet French and other weaponry continues unabated Moreover the Arab Is *Roads to Peace* ,1921 *Defense White Paper* ,1993 Disarmament Philip Noel-Baker,1926 *The Advocate of Peace* ,1910
