identity and reflect Judaism's core beliefs and values. But what can they mean to Christians seeking to understand their own faith? In this special book, Rabbis Olitzky and Judson guide you through the whys and hows of nine specific areas of Jewish ritual: Observing the Sabbath, Keeping Kosher, Putting on Tefillin, Prayer Boxes, Wrapping the Tallit, Prayer Shawl, Covering the Head, Studying Torah, Praying Daily, Saying Blessings throughout the Day, Going to the Ritual Bath. Providing you with the biblical and historical background of each practice, insight into its contemporary use and significance, including the often divergent approaches of different Jewish movements, and personal stories from rabbis and lay people, this easy-to-understand guide illustrates the deep meaning these rituals have in the Jewish relationship with God. Linking these practices to familiar rituals in the Christian tradition, Olitzky and Judson help you better understand the roots of Christianity and how the fundamentals of Judaism relate to and reflect your own spiritual foundation.

My People's Prayer Book Lawrence A. Hoffman, 1997. Opens up the traditional Jewish prayer book as a spiritual resource. This groundbreaking new series involves us in a personal dialogue with God, history, and tradition through the heritage of prayer. The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul. Framed with beautifully designed Talmud-style pages, commentaries from many of today's most respected Jewish scholars from all movements of Judaism examine Shabbat at home from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives. *My People's Prayer Book* is a momentous multi-volume series that opens up the traditional Jewish prayer book, the Siddur, as a spiritual resource. Commentaries by respected teachers from all perspectives of the Jewish world provide the spiritual messages that make up the Siddur. Sometimes awe-striking, sometimes surprising, but always deeply spiritual, *My People's Prayer Book* is a gateway to the riches that the heritage of prayer offers us in our worship and in our lives. The seventh volume celebrates Shabbat as a central family ritual, tracing the development of this loosely structured liturgy from early prayer books that draw on the classical rabbinic era through medieval Jewish practice and the influence of Lurianic mysticism. Pausing to explore the key moments that mark this sacred time: Erev Shabbat with Kiddush, Kiddusha Rabbah, and Motsa ei Shabbat with Havdalah, Shabbat at Home captures the joy of this holy day's prayers, blessings, and z'merot (table songs), emphasizing the renewal of home liturgy in Jewish life and reinforcing the importance of Shabbat in the Jewish conception of time. Vol. 7, *Shabbat at Home*, features the traditional Hebrew text with a new translation that lets people know exactly what the prayers say. Introductions explain what to look for in the prayers and how to truly use the commentaries to find meaning in the prayer book. Commentaries from eminent scholars and teachers from all movements of Judaism examine Shabbat at Home from the viewpoints of ancient Rabbis and modern theologians, as well as a myriad of other perspectives. Even those not yet familiar with the prayer book can appreciate the spiritual richness of Shabbat at Home. *My People's Prayer Book* enables all worshipers of any

denomination to create their own connection to 3 000 years of Jewish experience with the world and with God Each volume of My People s Prayer Book provides a new translation of the authentic Hebrew text with diverse and exciting commentaries to the traditional liturgy written by many of today s most respected scholars and teachers from all perspectives of the Jewish world This stunning work an empowering entryway to the spiritual revival of our times enables all of us to claim our connection to the heritage of the traditional Jewish prayer book It helps rejuvenate Jewish worship in today s world and makes its power accessible to all Contributors include Marc Brettler Michael Chernick Elliot N Dorff David Ellenson Ellen Frankel Alyssa Gray Joel M Hoffman Lawrence A Hoffman Lawrence Kushner Daniel Landes Nehemia Polen Percy Manning: The Man Who Collected Oxfordshire Michael Heaney,2017-02-18 This volume provides the first detailed biography Percy Manning 1870 1917 an Oxford antiquary who amassed enormous collections about the history of Oxford and Oxfordshire Diyune Halakhah Daniel Neustadt,1997 A comprehensive review of practical halachic issues related to the weekly Torah portion Presented in a thorough decisive manner with classical and contemporary halachic opinions From separating challah to the laws of yichud and the blessings made on various breakfast cereals this work is an asset to every Jewish home 2 volume gift boxed set **Romance Cooking** Lonnie Lynch,2009-03 Romance Cooking Unlocking the Secrets of Seducing Mars or Venus Finally one of the most exciting cookbooks you will ever own Not only does it contain many secrets of seduction the recipes are exotic and divinely delicious Your lover will think you are a cooking god or goddess who has arrived to mysteriously give them a tantalizing gourmet feast Everybody wants someone who can step outside of his or her box and is daring enough to take him or her on They want someone who can take them in tease intrigue entice and make them experience new thoughts and feelings they d never experienced before or thought they d never experience Are you bored with the usual dinner and movie date routine In this book I ll talk about creatively Unlocking the Secrets of Seducing Mars or Venus with Romance Cooking as a means to enhance your life and relationships What this universal secret tells you about your own life is that the thoughts you think feelings you feel words you say and actions you take all consist of energy that attracts to it more of its own kind Secrets Romance Mystery Hope Faith Awaken the Psychic Within Debbie-Sue Van Rangelrooy,2019-11-06 Have you ever wondered if you have psychic powers The short answer is you do Everyone has the ability to be clairvoyant clairsentient clairaudient or any combination of these three Not everyone is receptive to accepting their psychic powers usually because they don t know how to develop their abilities they fear their abilities or they are in denial Awaken the Psychic Within welcomes you to the world of creating and developing psychic awareness by giving practical engaging examples of how you can open your heart and mind Throughout her lifetime author Debbie Sue Van Rangelrooy wrestled with accepting her psychic abilities Seven years ago she made a decision to find out more questioning if she had abilities or just a very creative imagination At the beginning of her journey Debbie Sue asked every psychic she encountered how they did what they did how they knew the information received was genuine She received replies like Faith
