The Lighter Side of Irish Life (Classic Reprint) George A. Birmingham, 2016-08-05

Excerpt from *The Lighter Side of Irish Life*: Mr. W. B. Yeats, who is a wit as well as a poet, once found himself called upon to discuss the opinion which the English people have formed of the Irish. They insist, he said, in presenting us with all the good qualities which they do not want for themselves. For instance, they will have it that we are an island of saints. The saying is two-edged, cutting deep into the self-satisfaction of English and Irish alike. For the English, so Mr. Yeats seems to think, admire saintliness only in other peoples, while the Irish, so he went on to explain, have a glory thrust on them which they by no means deserve. I am not sure that Mr. Yeats' example is the best he could have chosen. I seldom meet English people who insist much on our saintliness. They are more inclined to credit us with a kind of non-moral Puckishness of nature, a mischievous irresponsibility for which they do not blame us, though they find it inconvenient. But Mr. Yeats' general principle is quite unassailable. The English are always most generous in endowing us with amiability.
