An authentic, angry, and surprisingly funny and romantic novel about sexual harassment from award-winning author Danielle Younge Ullman. Libby's having a rough senior year. Her older brother absconded with his college money and is bartending on a Greek island. Her dad just told her she's got to pay for college herself and he's evicting her when she graduates so he can Airbnb her room. A drunken hook up with her coworker Kyle has left her upset and confused. So when Perry Ackerman, serial harasser and the most handsy customer at The Goat where she waitresses, pushes her over the edge, she can hardly be blamed for dumping a pitcher of sangria on his head. Unfortunately, Perry is a local industry hero, the restaurant's most important customer, and Libby's mom's boss. Now Libby has to navigate the fallout of her outburst, find an apartment, and deal with her increasing rage at the guys who've screwed up her life and her increasing crush on the one guy who truly gets her. As timely as it is timeless, *He Must Like You* is a story about consent, rage, and revenge, and the potential we all have to be better people. **Reading Like a Writer** Francine Prose, 2012-04-01. In her entertaining and edifying New York Times bestseller, acclaimed author Francine Prose invites you to sit by her side and take a guided tour of the tools and tricks of the masters to discover why their work has endured. Written with passion, humour, and wisdom, *Reading Like a Writer* will inspire readers to return to literature with a fresh eye and an eager heart to take pleasure in the long and magnificent sentences of Philip Roth and the breathtaking paragraphs of Isaac Babel; to look to John le Carré for a lesson in how to advance plot through dialogue; and to Flannery O'Connor for the cunning use of the telling detail to be inspired by Emily Brontë's structural nuance and Charles Dickens's deceptively simple narrative techniques. Most importantly, Prose cautions readers to slow down and pay attention to words, the raw material out of which all literature is crafted, and reminds us that good writing comes out of good reading. [People Change Like Seasons](#) Tahreem, 2023-05-05. At first I thought I finally got over all of those life chapters while writing. But somewhere inside of me, I wasn't healed from all of that at all. I don't feel the same anymore. Is it because I finally realized that I've been living for others all this time? And not for myself? Was I living for others and felt happy? Did I not live for myself all this time? It feels like a withdrawal symptom. How long will this last? I want to feel again. Do I have to live for myself for that? But no one has ever taught me how to live. How to love me. I learned how to love others. I learned how to live with others. For others. To make them happy made me happy. I never learned how to live and love myself. Is that why I'm feeling weird? Because I want to make myself happy. Is that so? I don't feel the same anymore. I don't feel different either. So what is this feeling? Is this even a feeling? I don't even know anymore. Is it because of the people I have lived for? For someone like me, they'd choose not to die for. Have I lost myself by gaining you? [A Family Like Hannah's](#) Carol Ross, 2016-02-01. Starting over is serious business.
