Likely Story One Summer With Lillian Hellman:

A Likely Story Rosemary Mahoney, 1998 Mahoney recalls her summer as a domestic servant for the famous playwright

A Likely Story Rosemary Mahoney, 1999-11-09 Now in paperback from the author of the acclaimed *Whoredom* in *Kimmage* a moving controversial and supremely intelligent memoir of a bright and vulnerable teenager's hellish summer job In 1978 Rosemary Mahoney an aspiring young writer of seventeen wrote her personal idol Lillian Hellman inquiring whether the famed woman of American letters might need domestic help for the summer When Hellman responded affirmatively Mahoney imagined an idyll on Martha's Vineyard of mentoring and friendship But in reality Mahoney's summer unfolded into an exquisite and grueling exercise in humiliation at the hands of the acerbic Hellman and her retinue of celebrated acquaintances By turns heartbreaking and uproariously funny *A Likely Story* portrays the coming of age of a brilliant and troubled young woman a universal tale of illusions shattered and an object lesson in the often misdirected search for heroes

Lillian Hellman Deborah Martinson, 2011-06-01 Few literary celebrities have lived with more abandon and under a brighter spotlight than Lillian Hellman Even fewer have been doubted as absolutely as Hellman famously denounced by rival Mary McCarthy Attacked by critics and idealized by admirers Hellman's determination to control and manipulate her image helped make her a figure of unknowable half truths and rumors Until now Lillian Hellman *A Life with Foxes and Scoundrels* is the first biography of the iconoclastic playwright written with the full cooperation of her family friends and inner circle Deborah Martinson moves beyond the myths around Hellman and finds the sassy outrageous woman committed to writing to politics and to having her say Martinson's research through interviews archives recently declassified CIA files and her unprecedented access to Hellman's confidants paints the most complete and surprisingly admiring portrait of this remarkable writer that we've ever had Distinctly American a New Orleans Jew with one foot in Manhattan and one in Hollywood a writer whose experience spanned the Great Depression the Cold War and the Nixon years Hellman lives again in this riveting biography facing the world with wit truth lies andchutzpah *The 20th Century Go-N* Frank N.

Magill, 2014-03-05 Each volume of the *Dictionary of World Biography* contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography [The Routledge Encyclopedia of Jewish Writers of the Twentieth Century](#) Sorrel Kerbel, 2004-11-23 Now available in paperback for the first time *Jewish Writers of the Twentieth Century* is both a comprehensive reference resource and a springboard for further study This volume examines canonical Jewish writers less well known authors of Yiddish and Hebrew and emerging Israeli writers includes entries on figures as diverse as Marcel

Bryer, Mary C. Hartig, 2010 Features a comprehensive guide to American dramatic literature from its origins in the early days of the nation to the groundbreaking works of today's best writers *Encyclopedia of American Drama* Jackson R. conservative movement Among other revelations Kirchick tells of the World War II era gay spymaster who pioneered seduction as a tool of American espionage the devoted aide whom Lyndon Johnson treated as a son yet abandoned once his homosexuality was discovered and how allegations of a homosexual ring controlling Ronald Reagan nearly derailed his 1980 election victory

Magisterial in scope and intimate in detail *Secret City* will forever transform our understanding of American history
