The Tangled Web Phyllis Falls Rogers, 2012-01-04 In the sleepy little town of Bibby, life never happens in a vacuum. Nor does death. When the body of the richest man in town was found in Reverend Brewster's church, his death was thought to be from natural causes. Hank Jasper was murdered, however, and the investigation into his death leads to the disruption of more than just one family. Hank's death touched the lives of others in ways both good and bad. Secrets would never have been revealed and lives would never have changed but for the way this one man died. In order to find the murderer, Police Chief Mack Schofield has to untangle twisted relationships without revealing Hank's secrets too soon or to the wrong people. Lilly, Tommy, and Sam all have to come to terms with the knowledge of the real role Hank Jasper played in their lives.

Evan is Mr. Perfect. Tailored suits, sculpted body, and excellent instinct for business are his trademarks. He is one of the biggest sharks in the music industry, and everyone fears him. He has only one weakness: his friends. He would do anything for them, even going against his own rules. Emily is the strong and independent woman shadowing Evan in his job. She wants to learn all his secrets and become the manager he is. She is brilliant and has a passion for the music business. She has only one tiny flaw: how she pays off her college debts. Evan can't know her secret. Evan and Emily are the perfect team for the Jail Records. They have only one rule: they must obey to keep things smooth, never bring their relationship to a personal level.
