The Linear Chumash ,1992 Translated word for word in clear language that conveys the exact meaning of the text according to Rashi's interpretation An essential aid for the beginning student and enlightening for all Linear Chumash ,1987 The Linear Chumash ,1992 Translated word for word in clear language that conveys the exact meaning of the text according to Rashi's interpretation An essential aid for the beginning student and enlightening for all The Metsudah Chumash/Rashi: Bereishis Avrohom Davis,1991 Genesis-Moshe 1 Mark Pitrone,2021-07-01 You are holding the author's notes on the book of Genesis as he has taught it for more than fifteen years on succeeding Sabbaths and on various venues both brick and mortar and online Some men have made a mess of what Eloheinu our God revealed to the patriarchs and prophets both Old and New Testaments translating it with the biases of their rabbis or pastors or denominations Mark is attempting he even succeeds once in a while to understand it and teach it as close to El's God's original intent as he can get by eliminating those doctrinal biases For instance God nailed the Law to the cross There were exactly two things nailed to the Roman torture stake What were they Hint One was Yeshua or Jesus Matthew 27:37 Mark 15:26 Luke 23:38 John 19:19 look these up and then think If that teaser intrigues you see what Moshe Moses has to say in Genesis There's a lot more than just what's written on the page **Preaching the Old Testament** Scott M. Gibson,2006-10-01 Many pastors find it easier to preach on the New Testament than the Old Testament with its powerful and often shocking narrative prophetic warnings and calls to holiness For many preachers seeking to make the Bible relevant it's far easier and safer to stay out of the woods and plow the well worn fields of the newer canon Preaching the Old Testament equips pastors to journey into the forest and find a passion and confidence for preaching on the Old Testament This book helps them keep up on their Hebrew understand the themes of the Old Testament and unpack Jesus' foundational text to take their congregations to a deeper understanding of Christ himself *Targum Americana The Bible Understood - Bereshit / Genesis* Yirmi (Irwin) Tyler,2013-09-25 The fact that there are so many translations and commentaries of the Bible tells us that each is somehow lacking something Most translators did not grow up with Biblical Hebrew as a living language the Torah was meant to be chanted and reading continuity is interrupted by footnotes and margin notes This work overcomes these problems for English speakers in the way the 2,000 year old Targum did for that day's Aramaic speakers **The Metsudah Chumash/Rashi** Avrohom Davis,1994 *The Metsudah Chumash/Rashi: Bereshit* Avrohom Yosef Davis,1993 **Genesis... and it begins** David M. From Sun to Sun Kenneth Wishnia, 2024-06-04 From Sun to Sun is highly unconventional crime novel that presents two parallel stories separated by twenty five centuries The first set in modern New York City featuring a hardworking smart mouthed Latina investigator Felicity Ortega Perez specializing in forensic accounting and document examination as she hunts

for a missing person who holds the clue to an ancient mystery Little does she realize how deep the criminality goes and what she will learn about her own hidden past The ancient section is a radical revision of the Book of Ruth the first person in the Bible to convert to the religion of Israel When Ruth s husband dies under strange circumstances she must join the exiles returning to Jerusalem to rebuild the Temple in order to secure a future for herself her grieving mother in law Naomi and her future offspring Unfortunately the returning exiles also include religious leaders like Ezra and Nehemiah who plan to purify the land by expelling all the foreign women and Ruth must prove her worth under dire conditions including a major famine From Sun to Sun is a tale of love devotion and sacrifice depicting the challenges facing two determined foreign women as they battle ignorance hatred and indifference in two distinct historical periods Iron Age Israel and the modern world Each in their own struggle to find justice and a place in society a seemingly endless battle in a time of social upheaval fluid identities and diverse cross cultural complexities In short the novel is about combating prejudice and who gets to decide who is one of us and who is a foreigner and what it takes to prove you belong MSp ,2007
