Employers Guide To Labor Relations

Michal Rosen-Zvi

Employers Guide To Labor Relations:

Employer's Guide to Labor Relations James W. Hunt, 1971 **Successful Labor Relations** Noel Arnold Levin, 1978
Management development guide on labour relations in the USA commenting particularly on labour legislation covers trade unionization elections for trade union recognition negotiating collective agreements collective bargaining arbitration picketing equal opportunity occupational safety and wage determination etc References *A Layman's Guide to Basic Law Under the National Labor Relations Act* United States. National Labor Relations Board, 1962 **A Layman's Guide to Basic Law Under the National Labor Relations Act** United States. National Labor Relations Board. Office of the General Counsel, 1970 Labor Law David E. Strecker, 2011-02-14 Whether you are a supervisor a business owner or an HR professional it is essential that you understand the laws and rules governing how one treats employees and interacts with unions In a comprehensive and accessible format Labor Law A Basic Guide to the National Labor Relations Act provides a practice oriented foundation on labor law The b **Primer of Labor Relations** Labor relations reporter, 1961
Employer's Guide to Success in Labor Relations James W. Hunt, 1968 **Basic Guide to the National Labor Relations Act** United States. National Labor Relations Board. Office of the General Counsel, 1997 *Employer's Guide to Union Organizing Campaigns* Jackson Lewis, 2007 The Employee Free Choice Act EFCA the number one item on the agenda of organized labor is expected to be one of the first bills introduced and voted on in the first 100 days of the 2009 Congress If passed it will revolutionize the way in which unions attempt to organize your employees In this environment every employer may find themselves subject to union organizing efforts Aspen Publishers Employer s Guide to Union Organizing Campaigns helps you guide your company through every stage of union organizing campaigns So that you can react quickly effectively and legally even before organizing begins Whether you re looking to be proactive or react effectively you need the insights And The tools to create effective and legally compliant policies and responses to union activity Employer s Guide to Union Organizing Campaigns provides Complete coverage of the Employee Free Choice Act EFCA How to practical guidance on anticipating and reacting to union activity while staying in compliance Sample letters checklists and documents ready for your immediate use Up to date coverage of current case law Employer s Guide to Union Organizing Campaigns delivers expert step by step guidance to help you Understand how today s organizing environment can affect your company Recognize new union tactics such as the corporate campaign And The request for card check recognition Effectively respond to union organizing without violating the law alienating the workforce or creating ill will in the community Questions and Answers in Public Sector Labor Relations Midwest Center for Public Sector Labor Relations (U.S.), 1976 *Labor Law* David Strecker, 2016 Whether you are a supervisor a business owner or an HR professional it is essential that you understand the laws and rules governing how one treats employees and interacts with unions In a comprehensive and accessible format Labor Law A Basic Guide to the National Labor Relations Act provides a practice oriented foundation on labor law The book

sheds light on one of America's most important laws and one which is also perhaps the most misunderstood. This book presents an overview of labor and employment laws such that managers may understand their rights as employers as well and their employees' rights. It covers an introduction to the topic of labor and employment law as well as a brief history within the United States. Other chapters deal with unions and union relations, collective bargaining agreements, grievances, labor arbitration, unfair labor practice proceedings, and strikes and lockouts. The author does not focus on complex regulations and convoluted case law but distills them to reveal the essence of the NLRA and how it works. As important as it is, at times labor law can seem counterintuitive. Written by a highly experienced labor lawyer, this book contains concise explanations in an easy-to-use format. Clearly delineating a process that can be fraught with traps for the unwary, it supplies a quick reference that can be used in a crisis situation to understand the parameters of what you can and cannot do.

Labor Guide to Labor Law Bruce S. Feldacker, Michael J. Hayes, 2014-08-12. *Labor Guide to Labor Law* is a comprehensive survey of labor law in the private sector written from the labor perspective for labor relations students and for unions and their members. This thoroughly revised and updated fifth edition covers new statutes, current issues, and the latest developments in labor and employment law. The text emphasizes issues of greatest importance to unions and employees. Where the law permits a union to make certain tactical choices, those choices are pointed out. Material is included on internal union matters that tend to be ignored in management texts. Bruce S. Feldacker and Michael J. Hayes cover applicable labor law principles from a union's initial organizing campaign to the mature bargaining relationship, including such subjects as the employee right to engage in protected concerted activity, the duty to bargain, labor arbitration, the use of strikes, picketing, and other economic weapons in resolving a labor dispute, the duty of fair representation, internal union regulation, and employment discrimination. This book is also a useful reference and review for full-time union officers and representatives who have a working knowledge of labor law but wish to brush up on certain points as needed in their work. Both authors have extensive experience in the construction field and they have been careful to include material on those aspects of labor law that are unique to that field. *Labor Guide to Labor Law* is structured to present an unbiased and comprehensive explanation of labor law principles for anyone interested in the field. Thus, labor relations educators as well as practitioners in the field representing labor management or individual employees should also find the text suitable for their use. Each chapter includes a summary, review questions, and answers, a restatement of basic legal principles with citations to key cases, and a bibliography for additional research.

Employer's Guide to Employment Law Thomas Royall Smith, Howard M. Bloom, South Middlesex Area Chamber of Commerce (Mass.), 1984

A Guide to Basic Law and Procedures Under the National Labor Relations Act United States. National Labor Relations Board. Office of the General Counsel, 1990

The Federal Labor-management and Employee Relations Consultant, 1996

Primer of Labor Relations, 1949

A Guide to Tribal Employment Richard G. McGee, 2008-11-05. *A Guide to Tribal Employment* is a practical analysis of the law, policies, and practices used by tribal

government and tribal enterprise employers This book focuses on the application of tribal state and federal employment laws Moreover the Guide applies tribal self determination sovereignty and immunity to the employment process The Guide addresses employment disputes unique employment issues in tribal gaming and the unique policies used by tribal employers The Guide s question answer format will help tribal administrators human resources personnel and tribal leadership better understand the interesting and important questions relating to tribal employment **Personnel Literature** ,1984 What are My Rights Daniel Harris,Jerome Daniel Goodman,1937 **Catalog** Food and Nutrition Information Center (U.S.),1974
