Fall Of God The:

The Fall and Sin Marguerite Shuster, 2004 The devastating evils of recent history have brought about renewed interest in the Christian doctrine of sin This volume explores with fresh insight and great seriousness the contemporary plausibility meaning and relevance of the biblical understanding of the Fall and its effects Marguerite Shuster argues that certain aspects of the traditional doctrine of the Fall including the belief that it took place in time and space cannot simply be set aside without serious consequences for our doctrine of God and our understanding of human identity dignity and responsibility She explores the nature and extent of sin and examines such problematic issues as degrees of sin and culpability Despite the seriousness with which Shuster treats these topics her discussion is not despairing but instead points to the redemption that God has accomplished in Christ Filled with contemporary allusions and completed with model sermons on the Fall and sin this volume is one of the best available studies of this key Christian doctrine The Collected Works of Witness Lee, 1954, volume 1 Witness Lee, Brother Witness Lee traveled to Manila Philippines at the beginning of 1954 On January 24 he began a seven day perfecting conference with five special fellowships concerning the subject of pursuing the Lord After this he initiated a service training that lasted for six months with four meetings per week On Wednesday mornings he gave a Bible study of the Old Testament and on Wednesday evenings he gave a training on character including matters such as being the proper person handling affairs properly and doing the proper work On Friday mornings he gave a training on being a minister of God s word and on Friday evenings he ministered on the proper way to meet The number who attended these meetings varied between fifty six and one hundred sixty The study of the Old Testament and the training on character are included in volume 1 of the 1954 set along with other messages given in the same time period Brother Lee left Manila in July and traveled to Hong Kong where he conducted ten meetings on life and twelve meetings on service plus four gospel meetings four young people s meetings six fellowships on service and six meetings for the full time serving ones These meetings were centered on the indwelling Christ and on the knowledge of spiritual service They are included in volumes 1 and 2 of this set Brother Lee left Hong Kong to return to Taiwan in the middle of August At the end of August and the beginning of September Brother Lee conducted a special conference in Taipei Taiwan that consisted of ten meetings on the subject of spiritual reality with between one thousand six hundred and two thousand six hundred in attendance These messages are included in the section entitled Spiritual Reality in volume 2 of this set In the fall of 1954 Brother Lee began another extended training for serving ones like the one that he carried out in the fall of 1953 During this training he conducted a detailed study on Genesis Exodus and Leviticus through Ezra The messages given in this detailed study are included in volume 4 of this set He also spoke further on the knowledge of life and the experience of life These speakings and the speakings in the previous training in 1953 on the same subjects were combined to form the books The Knowledge of Life and The Experience of Life see The Collected Works of Witness Lee 1953 vol 3 During

The Wedding of the Lamb James L. Papandrea, 2011-01-01 The Wedding of the Lamb does not fit into any of the traditional categories of interpretation for the book of Revelation The author uses historical sources to combine New Testament interpretation with the history of the Roman early Christian period to present an interpretation that is meant to approximate the way the early Christians would have understood the text Far from a doomsday message the message of Revelation is one of hope for a Church in the midst of persecution The result is an interpretation which unlike the proliferation of fictionalized accounts of the end times recognizes that most of the images in the book of Revelation are references to events in the history of the Church
