False Doctrines John R Rice,1994-12 **4 Great Heresies, 4 False Doctrines -- that Puzzle and Hurt** John R. Rice,1975 **False Doctrines and False Teachers** William S. Plumer,2015-01-09 For they mouth empty boastful words and by appealing to the lustful desires of sinful human nature they entice people who are just escaping from those who live in error They promise them freedom while they themselves are slaves of depravity for a man is a slave to whatever has mastered him 2 Pet 2 18 19 Late in life the Apostle of the circumcision said to his Christian friends there were also false prophets among the people just as there will be false teachers among you They will secretly bring in destructive heresies even denying the Master who bought them and will bring swift destruction on themselves 2 Pet 2 1 His beloved brother the Apostle of the Gentiles gave a like warning I know that after I leave savage wolves will come in among you and will not spare the flock Even from your own number men will arise and distort the truth in order to draw away disciples after them So be on your guard Remember that for three years I never stopped warning each of you night and day with tears Acts 20 29 31 With such warnings from God s Word we should not be surprised to find that in every age the Church of God has been tried by the deceits and errors of men who concerning the faith were reprobate We should expect such things and watch and stand firm and not be shaken There have always been false brethren and false teachers as there were formerly false apostles false prophets and even false Christs False teachers are those who teach false doctrine Grievous wolves are they who make havoc of the flock of Christ Such often gain advantage over weak but godly men by teaching with zeal and clearness some important truths These are intended to put a coat of sugar over the poisonous pills they administer Modern Perfectionists prate much about holiness and thus persuade men that their system cannot be bad while yet they are sapping the very foundations of good morals Antinomians often speak with power of the richness and freeness and sovereignty of Divine grace and yet all the while they are turning the grace of God into a license for sin and making Christ the minister of sin Men who exalt human nature commonly urge that they are trying to give correct notions of the dignity of man and to awaken a deep sense of responsibility By thus mixing error with truth men hope that their false doctrines will pass unsuspected Let no man be deceived The nature of falsehood is not changed by mingling it with truth Counterfeit money often has good bills mingled with it False Doctrines in the Christian Church Mel Heath,2008-02 Today as we look around us we see a world that seems to be making huge steps of progress in every arena thanks to the age of technology Everything is better and faster However when we take a closer look at the facts that can easily be found on the web we find that the moral fabric of society is declining at an alarming rate The cities of our nation are rapidly becoming as evil and profane as Sodom and Gomorrah What should be of greater concern is that the Christian Church all those that profess to be followers of JESUS CHRIST is seen by nonbelievers as being no different than the world around them More than three quarters of the population of the United States claims JESUS as their LORD yet this nation is morally bankrupt What has happened to the Christian Church The

purpose of this book is to help us take a closer look at what ALMIGHTY GOD has said about what the problem really is There is not much of any real importance that can or should be said about myself although I would like everyone to know that before I met JESUS I was the perfect picture of the chief sinner that the apostle Paul claimed to be As I look upon my past I know Paul would not have had a chance for the title if his life before CHRIST was compared with my own Glory be to GOD who empowers and inspires a wretched man s soul to do good For anyone to know more about me would bring them little gain however to know the one who can empower and inspire anyone who truly wants to change to become reconciled to our HEAVENLY FATHER is of the highest gain *THE 24 FALSE TEACHINGS OF THE SDA CHURCH.* Metusela

Albert,2024-10-25 Metusela F Albert says When you know the truth you will easily know the error s But if you don t know the truth you will not know the error s This book is going to blow your mind with exclusive truth that has been hidden for decades because it was not understood by the mainline Christian Protestant Churches and denominations Read it for yourself and stop being deceived by your own church You are going to learn something that you had not known before about JESUS in the Old and New Testaments and his two natures during his incarnation on earth Did you not know yet that the Almighty God of Abraham did not have a Son in heaven called Jesus Did you Really Of course JESUS was the Almighty God of Abraham before his incarnation through Mary at Bethlehem HE alone created the heaven and the earth There is no other God besides him None before him and after him Worship is due to JESUS alone He was the Father who became the Son of God through Mary at Bethlehem by the incarnation process While JEHOVAH was in human flesh called Jesus he did not cease from being God the Father As an immortal God from eternity Jesus Christ s divinity cannot die Therefore only his humanity died at Calvary **Job** Samuel G. Dawson,2018-09-04 The book of Job deals with the use that God intends for man to make of suffering that he encounters in this life When we conclude our study of the book we ll have learned that there s not one verse of its 42 chapters that tells why man suffers Hopefully we will have learned how to not misbehave like Job and his three friends did on the occasion of his suffering but hopefully we will have learned how to conduct ourselves properly in the midst of suffering both our own and that of our friends and the uses that God intends for us to make of it Suffering of course is a problem that everyone has to deal with at times in his life To the atheist suffering may prove that there is no God for it may be his view that a righteous God would not allow people to suffer To the polytheist suffering presents no problem because believing in many gods he simply asserts that good gods don t cause or permit suffering while bad or inferior gods do cause and permit it For you and I though suffering may present serious problems how could a righteous God permit his people to suffer in this life and what use does he want us to make of it That s what we learn from our study of this great book A Brief Explanation of the Title of This Book You may be asking Why in the world would someone assert that an divinely inspired book of the Bible is a large collection of false doctrine It s a good question First because something is inspired doesn t mean it s true just that God intended for it to be in the Bible II Tim 3 16 The book of Job begins with God s testimony that Job is a

righteous man However when Job falls on horrible times he does what many of us do in such circumstances and shoots his mouth off falsely accusing God for what has happened to him Job also has three godly friends who in their enthusiasm to defend God against Job's false accusations embrace a prevalent false doctrine in their time in New Testament times Jesus encountered it in Jn 9:2 and ours that holds that any great sufferer is a great sinner Since Job is greatly suffering they reason he must be a great sinner and they accuse him of great sin To them Job's sin is as clear as a bell regardless of God's pronouncing Job blameless Though he had been blameless now that Job's in the depths of his suffering he falsely and at length accuses God of not caring about his situation Thus this long book is composed of speeches by Job and his three friends that are filled with false accusations against God and false doctrines used to defend God It's a great debate between four godly people that fails Finally God sends a young prophet to rebuke Job for his sin of falsely accusing God and his friends for their well meaning but false statements in defense of God This young prophet then sets forth the proper use that godly people are to make of suffering in this life and that's the value of the book to us to prevent us from falsely accusing God when we encounter suffering either our own or that of others and to help us use our bad situations in the way God would have us to

the fallible teachings of men measure up to the infallible word of God He reveals some insights into the doctrines and theologies of men that many people who follow them may not be aware of He uses the Holy Scriptures to expose the doctrines that are wrong and to confirm those that are true In The Fallible Doctrines of Men he cautions us that all the doctrines of men are capable of error and should never be considered as a foundation for our faith He strongly affirms the Bible as the ultimate source for truth and the only firm foundation for our faith **The Bible Exposition Commentary** Warren W.
