A detailed illustration of a blue bird, possibly a Kinglet, perched on a dark branch. The bird is facing left, with its head turned slightly towards the viewer. It has a dark blue head and back, with a lighter blue on its wings and tail. The background is a textured, light brownish-tan color. In the upper right and lower left, there are white flowers with five petals and dark green leaves, some of which are partially cut off by the edges of the cover.

Northern Tanzania Dale A. Zimmerman, David J. Pearson, Donald A. Turner, 2020-02-20 This field guide is an abridged edition of the very successful *Birds of Kenya and Northern Tanzania*. This book combines the format and detailed treatment of the larger version with the convenience of a field guide. It covers all 1089 bird species known from the region including vagrants. All the species are illustrated with full details of all the plumages and major races likely to be encountered. Concise text describes identification, status, range, habits, and voice, with range maps for nearly every species. This authoritative book will not only be an indispensable guide to the visiting birder but also a vital tool for those engaged in work to conserve and study the avifauna of these countries. *American Forestry*, 1923
